

# Freeze for Fashion!

**Rustenburg** – The highly anticipated Bondesio Couture pop-up studio, which opened its doors on 20 February 2017 at the Lifestyle Square in Rustenburg, hosted a Bondesio Couture Freeze Models event on Saturday, 1 April 2017, to showcase its exquisite and elegant outfits.

A Freeze model is defined as a stationary model – almost to the point that you're not sure if they are real or mannequins... until closer inspection!

Internationally acclaimed fashion designer, Peter

Bondesio, is running a massive markdown sale at his shop at the Lifestyle Square in Rustenburg. His gorgeous and exclusive outfits range from wedding, bridesmaids, flowers girl, matric farewell, cocktail dresses and other glamorous little numbers.

The Bondesio Couture studio, at 198 Beyers Naude Drive, will only be open until May 2017.

So if you have any occasion coming up, make your way to the Bondesio Couture Pop-up Studio for

that chic number at a discounted price. The studio operates from Monday to Friday from 13h00-19h00 and Saturdays from 10h00 to 14h00.

The Bondesio Couture would like to thank the team from Stylash, Helia D, Wishez Floral Design Studio, Narissa Winter Basic Beauty and Globe Model Look for making the day possible.

**For more information visit their website**
