Rustenburg's Cross... a signature piece of the Rustenburg skyline. Over the past few years, Shofar Technologies has maintained the cross, especially over Easter. They have committed to do the same this year. In an interview with the Platinum Weekly newspaper, Coetze said, "Come rain, hail or storms... or vandalism, we will do everything in our power to make the cross' light shine this Easter." On behalf of Rustenburg, we would like to thank Coetze and his team, for taking their own time, effort and finances to ensure that the cross will illuminate our Easter. **Read more on page 5.**
