2017 SA NATIONAL SKYDIVING CHAMPIONSHIPS IN RUSTENBURG

Rustenburg – The 2017 South African National Skydiving Championships will be held at Skydive Rustenburg, located at the Rustenburg Municipal Airfield.

The competition runs from the 27 April to 1 May 2017 and includes an official training day on Wednesday, 26 April, with competition hours between 08h00 and 17h00 each day.

Competitors from all nine provinces are expected and will be competing in 5 separate Skydiving Disciplines namely; *formation skydiving, artistic events, canopy formation, classic accuracy and wingsuit skydiving* – all of which will be vying for the title of National Champions in the various categories.

Skydiving is also one of the few sports where men and women compete in the same competition on an equal footing with at least 25% of the expected competitors being female skydivers.

The event is open to the public during the competition hours and all are encouraged to view the proceedings from demarcated areas set aside for the public for the duration of the competition. Tandem jumps for those interested in experiencing skydiving will be available at a discounted rate on the 2 weekends before and after the championship dates.

This is the second time that the National Skydiving Championships are to be held in the North West.

Province and both Skydive Rustenburg and the Parachute Association of South Africa are excited to bring this unique and spectacular sport to the people of Rustenburg.
