## BEST AUTO, BEST TECHNICIANS

**Rustenburg** – The team from Best Auto Rustenburg received another great award for their ever-growing trophy case on Wednesday, 26 April 2017. For the second time in three years, Pieter Strauss from Best Auto Rustenburg was acknowledged and awarded as the *Best Technician Motorrad* in the country. As David Poulton, technical manager for BMW Motorrad South Africa explained, this is the pinnacle of awards for Motorrad Technicians, "This award is presented annually to the very best technician in the country. Not only for simply being the top of the class, but also for showing a continued strive for excellence." David Niven, Best Auto Rustenburg dealer principal, told the *Platinum Weekly* newspaper, "We're extremely proud of Pieter. To be awarded *Best Technician Motorrad* is a massive honour, but to be given this award twice stands as a testament that our team's guys are consistently the very best".
