

# Kryolan course in Rustenburg

**Rustenburg** – SA Models International in conjunction with Inspiration Hair & Beauty as well as Globe Model Look (GML) presented a Kryolan course in Rustenburg on Sunday, 23 April 2017 at Inspiration Hair & Beauty's gallery located at the Rustenburg Square.

Kryolan Professional Make-Up is committed to providing top quality instruction and product knowledge to both beginners and experienced artists alike. Their intensive short workshops are a wonderful way to acquire new skills, expand existing skills and develop greater confidence and understanding of Kryolan make-up products.

Attendees worked under the guidance of Cuan Kemp, a trained Kryolan professional with years of experience in make-

up artistry. A certificate of completion was issued at the end of each workshop to all the participants.

"At Kryolan – we make make-up. But not like anybody else! Unlike everybody else, we actually produce our make-up ourselves. This gives us the opportunity to not only sell make-up, but to ensure that our products are top-notch for all users and skin types. We've done it our own way for the past 70 years and will continue doing so," Kemp said. "We think of it. We manufacture it... Formulate it and love it into existence. There is only one real professional make-up maker. There is only one Kryolan!"

## Magalies Monster around the corner!

**Buffelspoort** – Regulars on the XTERRA racing circuit, Nico Sterk and Sylvia van Tromp will once again be seen in action in Buffelspoort, but this time round they will compete over a two day period, first at the FNB Magalies Monster MTB Classic on Saturday, 3 June 2017; followed by the FNB Platinum Trail Run on Sunday, 4 June 2017. Both events will start and finish at the ATKV, Buffelspoort. Sterk will take on the 70km FNB Magalies Monster MTB Classic and 24km FNB Platinum Trail Run. "I love the Buffelspoort Valley," says Sterk. "The Magalies Monster is a classic marathon style of MTB racing. The terrain varies from extremely rocky sections, to sand and everything else in between. There are a lot of climbs including two major

climbs, one of which is the infamous 'Monster', the most iconic feature of this race. The biggest draw cards, however, are the spectacular views and natural surrounding that will be enjoyed on route. The Magalies Monster definitely is a bucket list race to do, while the weekend offers an event for everyone. The Platinum Trail Run is one of the most scenic and fun trail run events on the calendar. The route is challenging, but rewarding with long steep climbs and fast down hills."
