Rustenburg – Auto Baltic Rustenburg was appointed as the Volvo Car South Africa's Sales Dealer of the Year 2016. The award was recently presented to the team of Autobaltic Rustenburg during a black tie event at the beautiful Silo Hotel in Cape Town.

The competition was harsh and the regulations extremely strict and in the end, of all 37 Volvo dealerships throughout the country, Auto Baltic Rustenburg was recognised as the very best.

The award was determined by the overall performance of the dealership. The winner was selected by considering client services, random quality inspection, productivity, after sales satisfaction and overall experience to name but a few of the prerequisites.

“We were humbled by the nomination and being awarded this prestigious title by our peers is a real honour,” said dealer principal Christo Henning. He added that; “This achievement was possible with the continued support of our clients and community. Auto Baltic has always strived to give our clients the best experience and service. We know our clients expect only the best in service as well as product and we're honoured to be awarded the title of Dealer of the Year.”
