Egpaar tragies oorlede

Rustenburg – Dit is met leed dat ons die afsterwe van 'n egpaar van Rustenburg deel.

Volgens sersant Ofentse Mokgadi, polisiewoordvoerder, was die paartjie op Saterdagmôre, 20 Mei 2017, oorlede in hul kar aangetref omstreeks 06h00. Die man (55) en sy vrou (52) was gevind in hul kar in bosse naby die Dr Moroka en Watsonia weg.

“Op hierdie stadium kom dit voor of die egpaar 'n tuinslang vanaf die uitlaatpyp deur die voertuig se venster verbind het terwyl die enjin geluier het. Na bewering het die ouerpaar die uitlaatgasse ingeasem wat tot hul dood gelei het,” aldus sersant Mokgadi. Sekuriteitspersoneel het op die twee afgekom tydens 'n roetine ondersoek in die area. Die polisieondersoek duur voort. Ons betuig ons innige meegevoel aan die familie en vriende van die oorledenes.

Mineworker shot execution-style

Rustenburg/ Phokeng – The Phokeng Police were summoned to a crime scene on Friday morning, 19 May 2017. “A 33-year old mineworker’s body was found next to his girlfriend’s vehicle at Impala 14 Shaft,” Sgt Kgatla, police spokesperson, said.

The man was shot three times, twice in the chest and once in the head. Nothing was stolen.

Three empty cartridges were found on the scene. “At this stage the motive of the murder is unknown but investigations continue.”

We extend your sincerest condolences to the family and friends of the deceased.

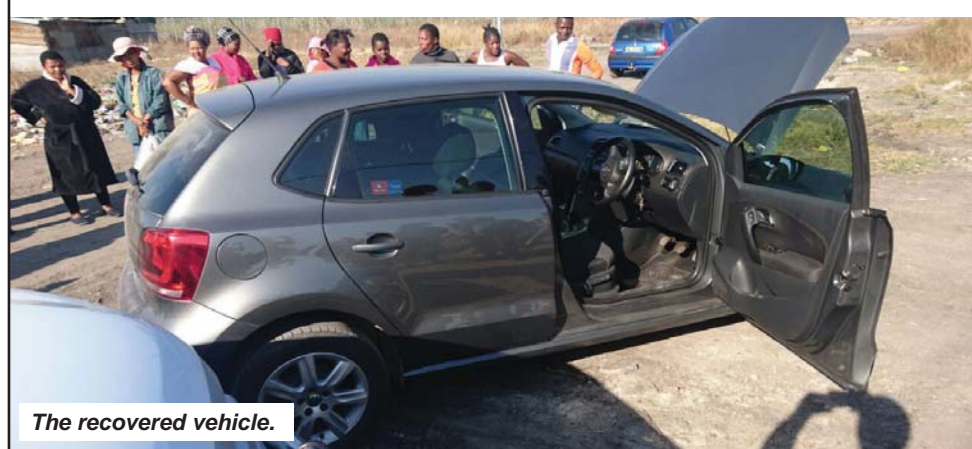

HIJACKED VEHICLE RECOVERED

Rustenburg – The Phokeng Flying Squad arrested a 34-year old man for the possession of a suspected stolen vehicle on Monday, 22 May 2017. The arrest took place in Boitekong near Rustenburg.

The Police were conducting routine patrols when they spotted a suspicious-looking vehicle. They followed it to Sondela, near Boitekong – and ordered the driver to stop. “The vehicle was searched and a licence disk discrepancy was discovered. It was also discovered that the engine and chassis numbers did not match the vehicle, a charcoal 1.4 VW Polo Vivo,” Captain Elsabé Augoustides, police spokesperson, said.

At this stage, preliminary investigations reveal that this vehicle was allegedly hijacked in Roodepoort in July 2016 and that the rightful owner resides in Alberton. The suspect appeared before the Rustenburg Magistrates’ Court on 23 May. Investigations continue.

What is your emergency plan?

Rustenburg – The Rustenburg Community Forum (CPF) sector 3 held a meeting on Thursday evening, 18 May 2017, at the Agape church.

Col Botha: North West: CR & CSM CSI team commander in Phokeng addressed the community over personal safety and crime scene security. “It is of the utmost importance not to tamper with a crime scene. No physical objects may be touched or moved. If contamination of a crime scene took place, vital evidence might be destroyed. The case must still be presented before the court.” Expensive crime scene equipment was also displayed and discussed.

Former W/Off Piet Bekker, previous head of the Phokeng Murder and Robbery Branch also highlighted various aspects about personal safety at home. “Each family should have an emergency safety plan. This drill must be exercised to ensure that everyone knows what his/her role in the plan is.” A variety of safety precautions were discussed.
