

# Rustenburg, Sesfikile Build it OPEN!

**Rustenburg** – “We have arrived!” is the meaning for the Setswana word ‘Sesfikile’, and that is exactly what Sesfikile Build it in Rustenburg has done – opened their doors to the public.  
The opening of the all-new Sesfikile Build it in Rustenburg, was celebrated on Thursday, 1 June 2017.  
This gigantic project brings with it new job opportunities for locals. Throughout the day, clients were treated to jaw-dropping specials and friendly and professional service.

“We invite the entire community to visit our store!” Theunis Duvenhage, manager of Sesfikile Build it said during an interview with the *Platinum Weekly* newspaper.  
Build it has been doing business in South Africa over the past 30 years and has about 320 stores nationwide. They bring with them an array of knowledge and wisdom in the construction industry. They cater for large construction companies and also for the weekend handy-man.  
How to build your dream-house, affordably, is now a stone’s throw away. Sesfikile Build

it is a one-stop-shop for cement, decorative items, domestic furniture, electrical items, fencing, flat sheets, garden and outdoor, hardware and general, joinery, metals and fencing, plumbware, rainwater goods, roofing material, structural timber, tools, wall and floor, as well as wet trade products and services.

**Make your way to the brand-new store, located in 125 Klopper Street, Rustenburg, or give them a ring on 010-010 7320.**
