Hartebeespoortdam in 'n toestand!

Hartebeespoortdam – Oor die jare heen is etlike honderde miljoene rande bestee om die Hartebeespoortdam skoon te maak en te ontsmet van dodelike bakterieë en *e-coli* uit rioolvuil – maar dit blyk of die regering die bron van die probleem grootliks ignoreer.

Op sosiale media spreek 'n groot groep mense hul kommer hieroor uit. Die foto's lyk amper of iemand jou 'n vals foto wys.

In 'n onderhoud met die *Platinum Weekly* koerant die week, vertel Karen Webb, 'n inwoner van Harties, dat die dorp se hart seer is. "Ek bly al langer as 10 jaar in Harties en is gewoon om gereeld ons dorp se naam op televisie te hoor. Ons is 'n mooi dorp en bied menige toerisme aantreklikhede aan – selfs op plaaslike sepies spog die

manne as hulle by Harties gaan inklop het!"

Sy voeg by, "Die hiasinte is nog altyd 'n uitdaging – vandat ek kan onthou. Die plaag moes al 'n paar kere onder beheer gebring word. Ons almal sit met ons hande in ons hare – wat gaan die stadsraad hierdie keer doen? Dis nie meer 'n dam nie – dit lyk soos 'n landery!"

Dis nie meer die Harties dam soos jy dit ken van jongs nie – dis 'n goedversorgde rugbyveld!

R 200 000 stolen goods bust

Rustenburg – "A Police intelligence-driven operation resulted in the arrest of two foreign nationals by Rustenburg Flying Squad members," captain Elsabé Augoustides, police spokesperson, said.

The suspects were busted in Zinniville and Tlhabane with suspected stolen goods to the value of over R200 000.

They appeared before the Bafokeng Magistrate's court on Thursday, 22 June 2017.

The building material and tiles were stolen in Benoni earlier this month. Police investigations continue.

Two foreign nationals were arrested for suspected stolen goods.

Multivehicle accident on the R510

Rustenburg/ Kanana – A bus was involved in a multi-vehicle accident on the R510 on Wednesday, 7 June 2017 near Kanana. This accident included a bakkie being dragged nearly thirty metres into the bushes next to the road.

According to reports, this accident occurred around 17h50 and involved four vehicles, namely a bus, a minibus taxi, a small family hatchback and the bakkie. Trauma Rescue's emergency personnel rushed to the scene, finding the driver of the bakkie lodged in his vehicle in a serious condition.

Several emergency response teams worked simultaneously to stabilise and

treat the injured.

The bakkie's driver had to be cut out of the vehicle using Jaws of Life before being stabilised and rushed to hospital. The other three injured individuals were also treated on scene and then taken to various hospitals in the area.

While emergency teams were treating the injured, an evergrowing crowd of curious onlookers gathered around the scene of the accident.

Weyland Bothma, station manager for Trauma Rescue told the *Platinum Weekly* newspaper that on-lookers at an accident scene are always a concern as they often cause secondary accidents.

A bakkie was dragged nearly thirty metres into the bushes next to the road.
