GLENCORE

Submission of Pre-Qualifying Tenders

Construction and Operation of the Solar Energy Generation Plant

Tender No: 2017/WKP/RR/AM/008

Interested parties are invited to submit their company proposal and the additional information (as listed below) for consideration by Glencore Wonderkop Smelter as part of the tender process in respect of the design, construction, operation and maintenance of a Solar Energy Power Generation Plant.

This contract covers, inter alia, all design, civil and electrical engineering activities including all performance and maintenance activities involved with the respective Solar Plant, where approximately 100 hectares of land will be made available.

The companies with the acceptable proposal and/or credentials, which adhere to the pre-qualification standards as specified below, will be formally invited to participate in the tender process.

Companies are requested to submit proposals as well as the inclusion of the following (preferably indexed and in this order):

- Company profile/history/scope of work – Tender-related
- Current clientele/list of current projects (detailed description of the current largest active contract) – Specification-related
- Company proposal of feasible infrastructure development as required by scope
- Trade references including contact details – Tender-related
- Company's proposal in terms of financial strategy relating to Solar Plant Development
- Proof of existing quality and assurance/procedures/policies
- Documented Health & Safety Plan – example of existing
- HSEC systems, baseline risk assessment (example); HSEC record (LTIs, MTCs, FAI)
- Description of the company's shareholding structure and BEE status (certificate from SANAS-accredited verification agency)
- Letter stating details regarding litigation pending between the contractor and existing clients
- ISO accreditation 18001 and/or 9002 and/or 14001.

If the company does not comply with any of the above requirements, please clearly indicate how the above requirements will be met.

No faxed/electronic or late submissions will be accepted.

The closing date and time for submission of company profiles is Friday, 28 July at 12:00.

Company profiles must be submitted in duplicate in the tender box at the Main Admin Building, Glencore Wonderkop Plant, Marikana.

Company profiles must be submitted in writing, in a sealed envelope, marked with the tender name, tender number, tender administrator's name, closing date and time.

Enquiries: George Cato, Procurement Coordinator, Wonderkop Smelter, tel. (014) 572-0000, direct: (014) 572-0379 or e-mail: george.cato@glencore.co.za

Kimberley Ekapa Mining

Kimberley Ekapa Mining JV

Kimberley Ekapa Mining JV (KEM-JV) is a joint venture between Ekapa Minerals (Pty) Ltd, Super Stone Mining (Pty) Ltd and Crown Resources (Pty) Ltd (Petra Diamonds) and is situated in the City of Kimberley in the Northern Cape.

Kimberley Ekapa Mining is a regional and broad-based empowered local company and is proud to be part of the more recent history of diamond extraction in Kimberley. It's polished diamonds we're after for these roles - individuals that clearly outshines their peers:

Engineering Foreman (Underground TMM - Wesselton)

Applications are invited from suitably qualified candidates who will be responsible for the coordination of the maintenance of the underground equipment in the Underground TMM section according to sound engineering practice and equipment specifications.

Tasks and responsibilities: • Ensure implementation of and adherence to the Mine's Health Safety and Environmental COPs, policies, procedures and legal requirements within area of responsibility • Supervise and over-inspect subordinates' daily activities, offer coaching and on-the-job training to ensure maintenance according to organisational standards • Coordinate maintenance as well as statutory inspections and audits by internal and external service providers • Ensure the execution of scheduled and non-scheduled mechanical repairs and installation work as required • Communicate with clients and supervisors to inform on maintenance activity performance and availability of equipment • Perform administrative duties to ensure record accuracy and availability, budget compliance and spares availability • Work according to the Mine's Code of Practice, and report any observations of this not being done.

Minimum requirements: • Grade 12 • Qualified Auto Electrician; Diesel Mechanic or Rig Fitter with Trade Certificate at recognised/accredited institution** • 5 years' post-apprenticeship experience is essential • Experience in a TMM environment – please indicate on CV • Supervisory training and qualification will be an advantage • Computer literacy (MS Office suite) • Valid driver's licence.

**Candidates holding a QCTO (Section 26D) Trade Test, where the learning route is not specified on the Certificate, must submit the following: Statement of results issued by an accredited MQA trade test centre as well as evidence of training conducted at a technical training centre (eg Portfolio of Evidence, Logbooks). Should these documents not be submitted, the application will not be considered.

Other skills/competencies: • Sound verbal, written and interpersonal communication skills in English • Knowledge of Mine Health & Safety Act (Act 29 of 1996) • Sound planning, leading and organisational abilities • Good faultfinding and diagnostic skills • Good team leading skills – able to motivate • Familiar with mining process and maintenance requirements of related equipment and structures • Demonstrate the ability to assess work team and training requirements and implement programme for development. (Ref. KEM110)

Miners (Wesselton)

The successful candidate will be responsible for trackless mining, production, drilling, charging, blasting, support work and the safety of employees.

Tasks and responsibilities: • Achieve production targets • Declare working area safe and perform planned task observations/risk assessments • Ensure personal and co-workers' adherence to and compliance with Security and Company's SHE objectives • Work according to the Mine's Code of Practice and report any observations of this not being done • Work shifts, overtime, be on standby and be available for call-outs.

Minimum requirements: • Grade 10 • Permanent Blasting Certificate for Scheduled Mines/Underground Hard Rock Level 3 Certificate of Competency • 3-5 years' experience as a Miner • Supervisory experience • Valid driver's licence.

Other skills/competencies: • Good written and verbal use of English (good communication skills) • Experience as a Miner in a production/development/shaft environment • Experienced in and competent on various machines • Be an independent, proactive thinker and the ability to do own job planning and make decisions • Supervisory/people management skills. (Ref. KEM109)

Kimberley Ekapa Mining (KEM) JV is an equal opportunity employer. Preference will be given to suitable candidates from the designated groups in line with the Company's Employment Equity Policy. Pre-screening, profile testing, assessments, medical and security clearance form part of the recruitment and selection process. Short-listed candidates will be required to attend a panel interview. Employment of the successful candidates is subject to the aforementioned criteria. Preference will be given to candidates who reside within our host labour sending area of Frances Baard District Municipality (proof of residence may be requested).

Please complete an application form (available on <http://www.petradiamonds.com/careers/current-vacancies>) and forward, together with your résumé, qualifications, ID as well as contactable references of previous employers, to e2-recruitment@petradiamonds.com or fax: 086 659 1334 by 5 July 2017. Please note that incomplete documentation will not be considered.

If you have not heard from us within 30 days of the closing date, please regard your application as unsuccessful.

Please note that Kimberley Ekapa Mining JV does not at any time require any form of payment for recruitment purposes. If you are approached in this regard, you should report the incident immediately via one of the following hotlines: South Africa 0800 22 22 00 (toll-free from an RSA landline) or international +27 12 305 2711.
