

## TOURISM GOES FOR QUALITY ASSURANCE

**Rustenburg** – The Department of Tourism in the North West encouraged industry role players by holding a tourism quality assurance workshop in Rustenburg on Tuesday 4 July 2017.

According to the chief director of Tourism Growth, Development and Transformation, Sarah Manone, the main objective is that at the end of the workshops the tourism product owners and managers will go back to their respective establishments and impart those quality assurance principles and ethos in their operations.

# Empowering Local Students

Learners listening attentively to guest speakers providing career guidance.

**Rustenburg** – Lonmin recently held its first Youth Month Campaign which focussed on giving career guidance workshops to learners at schools in communities around the company's mines and labour-sending areas for a two-day workshop on 27 and 28 June 2017.

Lonmin hosted 120 Grade 9 learners, 15 from each of the eight schools in the greater Lonmin community and four beneficiaries of the 1608 Trust. They included children of former employees who lost their lives at Marikana. Learners had the opportunity to interact with speakers and ask for career advice. Lonmin aims to host an event that deals with youth issues at least every quarter.

## GLENCORE

### Submission of Pre-Qualifying Tenders

#### Construction and Operation of the Solar Energy Generation Plant Tender No: 2017/WKP/RR/AM/008

Interested parties are invited to submit their company proposal and the additional information (as listed below) for consideration by Glencore Wonderkop Smelter as part of the tender process in respect of the design, construction, operation and maintenance of a Solar Energy Power Generation Plant.

This contract covers, inter alia, all design, civil and electrical engineering activities including all performance and maintenance activities involved with the respective Solar Plant, where approximately 100 hectares of land will be made available.

The companies with the acceptable proposal and/or credentials, which adhere to the pre-qualification standards as specified below, will be formally invited to participate in the tender process.

**Companies are requested to submit proposals as well as the inclusion of the following (preferably indexed and in this order):**

- Company profile/history/scope of work – Tender-related
- Current clientele/list of current projects (detailed description of the current largest active contract) – Specification-related
- Company proposal of feasible infrastructure development as required by scope
- Trade references including contact details – Tender-related
- Company's proposal in terms of financial strategy relating to Solar Plant Development
- Proof of existing quality and assurance/procedures/policies
- Documented Health & Safety Plan – example of existing
- HSEC systems, baseline risk assessment (example); HSEC record (LTIs, MTCs, FAI)
- Description of the company's shareholding structure and BEE status (certificate from SANAS-accredited verification agency)
- Letter stating details regarding litigation pending between the contractor and existing clients
- ISO accreditation 18001 and/or 9002 and/or 14001.

If the company does not comply with any of the above requirements, please clearly indicate how the above requirements will be met.

**No faxed/electronic or late submissions will be accepted.**

**The closing date and time for submission of company profiles is Friday, 28 July at 12:00.**

**Company profiles must be submitted in duplicate in the tender box at the Main Admin Building, Glencore Wonderkop Plant, Marikana.**

**Company profiles must be submitted in writing, in a sealed envelope, marked with the tender name, tender number, tender administrator's name, closing date and time.**

**Enquiries: George Cato, Procurement Coordinator, Wonderkop Smelter, tel. (014) 572-0000, direct: (014) 572-0379 or e-mail: george.cato@glencore.co.za**
