R4MILLION mandrax bust

Rustenburg/ Hartbeespoort Dam – The Police in Hartbeespoort Dam apprehended three male suspects aged between 25 and 56 for the possession of drugs, at about 19h00 on Wednesday, 12 July 2017.

"The suspects' arrest came after the Police, who were on a routine patrol, stopped a suspicious white bakkie in the vicinity of Broederstroom for a search. It was during the search that the police found three boxes full of small packets of mandrax tablets. The suspects, who were travelling from Rustenburg to Johannesburg, were arrested for possession of drugs with an estimated street value of R4 million," lieutenant colonel Pelonomi Makau, police spokesperson, said. They are expected to appear before the Brits Magistrates' Court on Friday, 14 July 2017.

The North West acting provincial commissioner, major general Naidoo commended members for their vigilance that resulted in the arrest of the suspects.
