# MTB BEATS ROADIES

**Rustenburg** – The inaugural Rustenburg Cycling Club (RCC)'s inter-club challenge took place on Saturday, 8 July 2017 at 07h00.

In the spirit of the Tour de France, members from the RCC were grouped into two teams, consisting of road- and mountain bikers (only road bikes was used) and raced against each other, determining the best cycling team.

A total of 22 cyclists partook, 11 in each team.

In the end the mountain bikers came out on top. The three first places were won by Willie van Eck, Andries Conradie and John-William Lang.

The race started at Leon's Motors and took cyclists on the Koster road, around Koster Dam and back on the N4 to town, a total distance off 110 km.

Leon's Motors, proud vehicle dealership of Land Rover, Mazda, Ford and Volvo, was the main sponsors of the event and they also provided four back-up vehicles to ensure the safety of all the cyclists.

Christo van Staden, RCC chairperson said: "The MTB team used a very efficient technique by keeping their top three riders in the middle of the pack, causing the roadies to tire, then when the time was

right, the three riders broke free of the crowd."

The next event is Ride around the Green on Wednesday, 19 July 2017 where riders will ride around the golf course, trying to fit in as many rounds as possible in 2 hours.

After that, on Thursday, 27 July 2017 the half year AGM will take place where club members may attend.

It was a great day for the Rustenburg Cycling Club's first Roadies versus MTB challenge.
