**Rustenburg** – Wednesday, 19 July 2017, saw the first night ride at the Rustenburg Golf Club hosted by the Rustenburg Cycling Club (RCC). This friendly competition, to ride around the golf course at a distance of about 4.6km for as many rounds within a designated timeframe, was open to everyone.

Hardcore to casual fun-rider cyclists joined in on the fun and about 65 riders joined the ride.

In an interview with the *Platinum Weekly* newspaper, Christo van Staden, chairperson of the RCC, said, "This was our first night ride at the Rustenburg Golf Club.

"Here you have the opportunity to bring

along the entire family to join in on the fun in a safe environment."

Maemo Motors sponsored the gifts for three lucky winners at the end of the evening. They sponsored a Mercedes backpack, cooler bag and cap as well as additional smaller items.
