

BY TRAINING  
OVER 2,600  
PEOPLE  
LOCALLY,  
WE BUILD  
STRONGER  
COMMUNITIES.

## PROGRESS. TOGETHER.

When Jane Mabiloane, aged 55, from the village of Ga-Mapodile saw an ad in her local paper, she signed up for free artisan training at Glencore's Eastern Limb Training Centre. She also got to participate in an on-site learnership at Lion Smelter which gave her the much needed practical experience. Her experience at the Smelter inspired Jane to study further for her National Certificate. Jane now encourages the youth in her community to further their training and education. She believes that it will put them in a better position to get the jobs they've always dreamed of. Which means they can feed and support their families one day.

Jane is just one of over 2,600 community members who have received training in the greater Sekhukhune, Mashishing and other communities since 2005.

We believe that a single act can make a difference. It creates a ripple effect that can be felt throughout families and communities.

PROGRESS. TOGETHER

OVER 2,600 PEOPLE  
ARE SET TO MAKE  
A DIFFERENCE IN  
THEIR COMMUNITIES.

## PROGRESS. TOGETHER.

Glencore invests in skills training and education. We believe that a single act can make a difference. It creates a ripple effect that can be felt throughout families and communities.

PROGRESS. TOGETHER.  
INDIVIDUALS, FAMILIES AND COMMUNITIES.
