Better a little with the fear of the Lord than great wealth with turmoil.

Better a small serving of vegetables with love than a fattened calf with hatred.

# PETTING A PROTECTOR!

**Rustenburg/ Phokeng** – The grade Rs of Protea Park primary school were surprised by a visit from the Phokeng K9 Unit on Friday morning, 18 August. The K9 Unit popped by to introduce themselves and their canine colleagues to the little ones. The officers showed the children what the dogs are capable of and how they are handled. Most importantly they were told that the Police should not be feared but are there to help in any situation. The kids were delighted and relished the chance to pet these canine protectors. “We want the children to understand what the police do and to know that they will be protected by such officers in any circumstances,” sergeant Ofentse Mokgadi, police spokesperson, said.
