

TWO WORLDS MEET

Rustenburg – Camp Kaleidoscope, an initiative of Vision of Hope Foundation was officially introduced on Saturday, 26 August at Laerskool Rustenburg. A day of fun, love and laughter brought two worlds together, the able bodied and the disabled.

The camp brought about wonderful feelings of togetherness for all who attended. It was a day jam-packed with activities; horse-riding, arts and crafts, kick-ball, baseball and laughter therapy.

Vision of Hope Foundation proudly presented a unique event which would hopefully grow and become a camp which attracts many more individuals to join in and create awareness of one another's daily trials and tribulations.

"Challenges, difficulties and pain is something we all share whether we are disabled or not. This camp enables us to immerse ourselves in the adventures of life. A place where we can have fun, laugh and love each other, celebrating our abilities and differences. Camp Kaleidoscope creates a safe space in which you can discover your abilities and celebrate the remarkable human being that you are," says Brenda Klopper, spokesperson for Camp Kaleidoscope. Klopper added: "We would like to extend a heartfelt thank you to the Vision of Hope Foundation, the Rotary Club, Karen Spies of In-Touch Therapy, Mike Durandt and the entire Rustenburg community."
