## Boipelo, 2017 u/21 world champ!

Rustenburg – The North West JKA karate board would like to congratulate Boipelo Seabelo from Rustenburg for representing South Africa at the JKA world karate championships which was held from 14-20 August in Ireland.

Boipelo was nominated to represent the North West Province and South Africa after winning the 2017 u/21 years female championships. In the world championships, Boipelo achieved a world top 8 status. "This taught me to continue training hard for the next world karate championships which will be held in 2020 in Japan," Boipelo Seabelo said.

Shihan Chris Seabelo: "I am very proud of Boipelo's achievement. She is a young enthusiastic female karateka who is an inspiration to other young upcoming karatekas. The North West province encourages other women to take part in karate. Not only do you enhance your physical and mental strength, but you can also defend yourself."

Shihan Chris Seabelo, father and coach (6th dan black belt) and Boipelo Seabelo, new u/21 female North West JKA karate champion.

## Invest in your community

Rustenburg – The stage is set and the defending champions, the Newrak Rustenburg Impala Rugby Club's elite first team stands poised and ready to clinch the Gold Cup!

"This tournament promises to be extremely exciting, with the best clubs in the country competing for the title," Impala Rugby club business manager Naas Olivier said. "We need your support, not just in the crowds but we would also like to invite any business or person in Rustenburg to become a sponsor of the team." Imagine your company logo on the champion jerseys or your signage in the backdrop of the winning kick!

It is a common misconception that Impala Rugby club belongs to – and is exclusively funded by – Impala

Platinum. Despite the drive, determination and discipline that these athletes have developed through rugby, many players are still balancing the responsibilities of actively looking for employment during the day and preparing for the upcoming tournaments in the evening.

Every member of the team has to strive to make the team an elite team and you can too.

By showing your support and by becoming a sponsor, the club will be able to afford better equipment

For more information on sponsorship opportunities and how to get involved, contact Naas Olivier on 082-926 8403.
