BirdLife Rustenburg events

Rustenburg—BirdLife Rustenburg's September outing will be held on Saturday 23 September and will be to Borakalalo National Park. This park is right on our doorsteps and features a list of around 350 bird species. These include: African Finfoot, White Backed Night-Heron, Meyer's Parrot, Painted Snipe, Gull-Billed Tern, Bennet's Woodpecker, Red-

Headed Weaver, Short-toed Rock-Thrush and Grey Tit-Flycatcher. Each year this fabulous park manages to produce at least one very special rarity. They will meet at the BP Garage (Waterfall Mall) at 06h00; bring along snacks and drinks and the outing should conclude by 15h00. There is a small entrance fee to the park and a R20.00 donation for non-

paid up members. All are welcome to what should be a very productive outing. Should you wish to learn more about, participate in any of our events or if you have any birding topics to report or need help with identification of a bird (a picture will help), please feel free to contact BirdLife Rustenburg's chairperson, Shaun McGillewie on 083-702 1462.
