# Become a Cupcake Angel

**Rustenburg** – September is International Childhood Cancer Awareness month, so why not show your support and become a Cupcake Angel?

Cupcakes 4 Kids with Cancer, a non-profit company, raises awareness about the early warning signs of childhood cancer and helps to raise funds for children who are fighting the illness. Through their Cupcakes of HOPE events, volunteers, sponsors and bakers share their love for baking for this great cause, thus making the events the sweetest way to help.

Sandy Cipriano, the founder of Cupcakes 4 Kids with Cancer says: "Our Cupcake Angels are baking a difference. We have been able to assist more than 350 children since inception. The funds raised go towards paying for medical treatments, travelling costs, school fees, birthday celebrations and other day-to-day expenses of little ones battling cancer. We also conduct hospital visits and spoil the patients and staff with lovely cupcakes. It is great to see the smiles on children's faces when they see a cupcake." This charity has also donated to 15 different other charities including CHOC, Cansa TLC and the Nelson Mandela Children's Hospital Trust.

Become a Cupcake Angel – the SWEETEST way to save a life...

According to Dr Jennifer Geel, a paediatric oncologist at

Wits Donald Gordon, it is very important to know what the early warning signs of childhood cancer are because early detection can SAVE a child's life. When you get hold of an 'early warning signs of cancer' pamphlet, share it with a neighbour or a friend. It might go a long way in helping the next person identify the symptoms in their relative or colleague. There is not enough awareness for childhood cancer symptoms; therefore we encourage everyone who is informed, to share the message with their close friends and family.
