Zinniaville Secondary School fun colour run

Rustenburg/ Zinniaville – Zinniaville Secondary School hosted their 38th Annual Fun Run at the Zinniaville community grounds on 16 September.

With stalls set up in a flea-market style, it was a pleasant day with so much to see and do. Delectable delights were on offer to suit any taste, from hotdogs, curry and rice, samosas, prawns and gourmet grills. The younger generation were entertained with jumping castles, water sports, gladiators, swings, pony and train rides.

The colour run was the highlight of the day. An impressive amount of participants took part in this first for Zinniaville Secondary school, a colour fun run.

Says Shamima Jacob, administration assistant of Zinniaville Secondary School: "We would like to thank all the organisers of this event. The day was a huge success and we hope to see all the participants again next year."

Spring is in the air: Kids enjoying themselves in the water!

BOJANALA PLATINUM DISTRICT MUNICIPALITY ENVIRONMENTAL MANAGEMENT FRAMEWORK PROJECT NOTICE OF PUBLIC CONSULTATION PROCESS AND INVITATION TO PARTICIPATE

The North-West Department of Rural, Environmental and Agricultural Development has appointed the North-West University, Centre for Environmental Management to develop an Environmental Management Framework (EMF) for the Bojanala Platinum District Municipality. This will be done in terms of the provisions in the National Environmental Management Act 107 of 1998 (NEMA) and the 2010 NEMA EMF Regulations. An EMF is a compilation of the biophysical and socio-cultural systems of a geographically defined area. The purpose of an EMF is to inform project level authorisation and decision making, as well as strategic spatial planning.

To ensure that the EMF is supported by all stakeholders, the project must be informed and supported by an extensive consultative and public participation process.

You are hereby invited to participate in the first round of public meetings, at an appropriate time and venue. The purpose of the meetings is to inform the public about the project and allow them to provide comments and inputs.
