# AfriForum Rustenburg's REST IN PEACE campaign

**Rustenburg** – AfriForum Rustenburg carried out the second phase of their Rest in Peace campaign on Saturday, 14 October at the cemetery in Nelson Mandela Drive.

AfriForum aims to clear the area of rubble and plans to restore the chapel and repair all vandalized headstones. An operation of this nature is a huge undertaking. AfriForum needs the support of the community and businesses in Rustenburg. Volunteers are most welcome.

Donations of equipment, vehicles, water, safety gear or funds go a long way in enabling AfriForum carry out these much needed projects.

Says Chris Trytsman, chairman of AfriForum Rustenburg: "We are planning many projects in and around town. AfriForum is from the community, for the community. Join AfriForum and together we can make the change we all want to see."

Protecting the past: Charné Blignaut, AfriForum's environmental affairs.

## More than Mining

### Application Manager

The Application Manager will manage effective, stable, innovative and forward-looking application architecture to meet current and future business needs in a responsible and cost-effective manner. Responsibilities include architecting and defining a platform vision for specific business partners, developing a technical team that can implement and support it as well as continually evaluating new technologies and applying them as needed to ensure a fit-for-purpose software environment.

You need a Bachelor's degree/diploma in IT or related, ITIL Foundation certification/training in IT, SAP Material Management (MM) in IT, SAP Production Planning (PP)(QM) in IT, SAP Business Warehouse in IT, MES/Laboratory Information Systems in IT and 12 years' (5 years in a management role) experience in a mining IT environment. Knowledge of programming, technical design, infrastructure and reporting tools as well as business application portfolio within the area of responsibility is essential, along with the ability to source data, extract relevant information, write reports and/or technical documentation, and present it to stakeholders in appropriate business language. You must also be fit for duty/possess a Certificate of Fitness, have own motor vehicle, own cell phone, clear credit/criminal record and a Code B driver's licence. (Ref. B/IT/03)

### Infrastructure Manager

The Infrastructure Manager's role is to plan, organise and manage all IT staff, IT infrastructure projects and overall operational deployment to ensure stability in the IT infrastructure environment. You will also provide sound advice on network infrastructure, hardware resource availability, server infrastructure, data communications, and telecommunications systems and play a key role in the development of new applications aligned with RBPlat Business Strategy.

To qualify, you need a diploma/Bachelor's/N6 in IT or related, ITIL v3 Foundation certification in IT, PRINCE 2 Foundations certification and 12 years' (5 years in a management role) experience in a mining IT environment. We seek a Cisco-certified Network Associate in IT and Microsoft-certified Systems Engineer (MCSE NT4.0, MCP+1) in IT with ADIC SAN/ADIC i500 in IT and knowledge of network design, VM hardware and software, backup appliances, server infrastructure and associated hardware appliances, active directory, exchange and WiFi. Analytical, assessment and problem-solving skills is essential. You must have a Code B driver's licence, own motor vehicle and cell phone, a clear credit/criminal record and must be fit for duty/possess a Certificate of Fitness. (Ref. B/IT/02)

Royal Bafokeng Platinum (RBPlat)

is a black-owned and controlled, mid-tier platinum group metals (PGMs) producer, listed on the JSE

Limited, which operates the Bafokeng Rasimone Platinum Mine (BRPM) and is constructing the Styldrift I Project, both of which are located in the North West Province of South Africa.

To apply, please e-mail your CV to recruitment@bafokengplatinum.co.za or fax to 086 210 9815.

Closing date: 2 November 2017

If you do not hear from the Company within 21 days of the closing of the advert, please consider your application to be unsuccessful.

Hard at work, clearing the rubble.
