

Beware: Boven street, Rustenburg

## Beware of Boven Street pipe-burst!

Rustenburg – On Thursday, 9 November a main water pipe burst in Boven street caused chaos to home owners and motorists.

This was a huge problem as the jet of water that sprayed many meters into the air caused very poor visibility to motorists.

Says Theunis Peens of Rustenburg: "The pipe burst was reported to the Municipality between 6h30 and 7h00 this morning. Almost three hours later and no one has attended to the problem as yet. Motorists, please be advised to use an alternative route as the roads has not yet been blocked off and the problem attended to."

No additional information was available at the time of going to print.

## BY TRAINING OVER 2,600 PEOPLE LOCALLY, WE BUILD STRONGER COMMUNITIES.

When Jane Mabiloane, aged 55, from the village of Ga-Mapodile saw an ad in her local paper, she signed up for free artisan training at Glencore's Eastern Limb Training Centre. She also got to participate in an on-site learnership at Lion Smelter which gave her the much needed practical experience. Her experience at the Smelter inspired Jane to study further for her National Certificate. Jane now encourages the youth in her community to further their training and education. She believes that it will put them in a better position to get the jobs they've always dreamed of. Which means they can feed and support their families one day.

Jane is just one of over 2,600 community members who have received training in the greater Sekhukhune, Mashishing and other communities since 2005.

We believe that a single act can make a difference. It creates a ripple effect that can be felt throughout families and communities.
