BIG Birding Day

Rustenburg – November is all about Birding BIG Day! This is an annual national event organised and coordinated by BirdLife South Africa.

- Teams of four from all over South Africa spend the 24 hours of Saturday 25 November seeing how many different species of birds they can identify within a 50km radius of their starting point. There is also a section for people just to count the bird species seen in their gardens over the same period. It is exciting – tiring – frustrating – educational... but above all it is FUN!

All are welcome with a donation of R20.00 for non-paid up members. Tea and snacks will be served after the meeting.

- BirdLife Rustenburg's November 'outing' will take place on 25 November which is Birding BIG Day.

Non-members, who wish to register their own teams or to find out how they can be involved, contact Shaun McGillewie on 083-702 1462. All are welcome to join us for what will be a fun event and for many people the highlight of the Birding Year.

Should you wish to learn more about, participate in any of our events or if you have any birding topics to report or need help with identification of a bird (a picture will help) please feel free to contact our Chairperson: Shaun McGillewie on 083-702 1462.
