Frankryk vs SA

In die Stade de France moes die Bokke vir tagtig minute veg om 18-17 as oorwinnaars van die veld te kon stap. Die Bokke sal die wen vat, maar mooi ruggas was dit gewis nie ou groene! Pollard het skoon sy skopskoene op die trein vergeet en mis vier maklike skoppe. Gelukkig was sy algemene spel baie

goed soos dit op tien moet wees. Francois Venter het goed vertoon op binne-senter. Hopelik sal Warrick Gelant 'n kans o p heelagter teen Italië kry. Voorlans het dit nie te sleg gegaan nie. Allister se tyd raak ook min en sal hoop vir 'n oorwinning na verlede jaar se rekord neerlaag teen die Spaghetti's.

Anders uitslae:

- Ierland 23 – Fidji 20
- Skotland 17 – Nieu-Seeland 22
- Engeland 30 – Australië 6
- Wallis 13 – Georgia 6
- Italië 15 – Argentinië

Nag ou groene...

Platinum Stars vs Bloemfontein: goalless draw

Rustenburg/ Phokeng – Both defences were dominating and there were little quality on display in terms of creating openings in the final third for much of the first half. After the interval, Zambia international Mwila found the back of the net for Dikwena, but celebrations were cut short as his effort was ruled out for offside. The visitors were rarely a threat throughout the contest, with Dikwena dominating possession. Although, second-half substitute Mahlasela nearly took advantage of a defensive error. His fizzing shot on target was saved well by Bongani Mzimela. The best part of the half saw teams in possession of the ball, but neither doing much to test the opposition goalkeeper the game ended 0-0 draw at Phokeng. Dikwena moved one step ahead of Wits from the bottom of the PSL log with 11 matches played, 8 points, 1 win and 5 draws.

Zondereinde is an established platinum group metal (PGM) mine in the Limpopo province which produces some 300 000 PGM ounces annually. The Zondereinde mine is the home of pioneering technology and innovation both in the underground workings and at its world-class metallurgical infrastructure. Zondereinde is situated some 40km from Thabazimbi, in close proximity to the naturally scenic Pilanesberg and Waterberg reserve.
