## Bafana-Bafana players in the making!

**Rustenburg** – Ten local teams competed on the soccer fields in the Platinum Build It u/13 soccer tournament on Saturday, 18 November, at Olympia Park Stadium.

Platinum Build It hosted a fun-filled day; they sponsored the entire day; the soccer kits, the medals and trophies, the prizes and lunch.

Says Sakkie Pieterse, manager of Platinum Build It: "We thank everyone who made this day a special occasion for these youngsters. It is splendid that we can share in their love for soccer. I am sure here are a couple of Bafana-Bafana players in the making!"

The winning team of the day, the *Platinum Arsenal* u/13 team from Geelhoutpark, went home with a full soccer kit; and Mozwandile Mira from Boitekong, best player of the tournament of the same team, won a R2000 voucher.
