

NEWEST ADDITIONS TO LIFE PEGLERAE HOSPITAL FAMILY

Rustenburg – La Femme maternity clinic moved to Life Peglerae Hospital and hosted the official opening on Tuesday 2 October.

As the newest member of the Life Peglerae family, the new maternity ward boasts state-of-the-art equipment and rooms of hotel quality. They also have a top quality neonatal intensive care unit and you can expect the same excellent care from the friendly, competent staff.

As an added cherry on top, Life Peglerae Hospital also celebrated the opening of its brand-new Dulcé Café.

In an interview with *Platinum Weekly*, regional clinical director of Life Healthcare doctor Loyd Kaseke said: “The goal with this

move was to bring families together and accommodate young mothers more. It is always heart-breaking when there are complications and we have to separate mom and baby. With the new addition to the hospital we can avoid that. The rooms have also been upgraded and we attempted to make the new ward even more family friendly.”

The new Dulcé menu is filled with options of quality, wholesome foods and drinks to choose from with the big variety and amazing excellence that you have come to expect from Dulcé Café.

The new ward and restaurant are a welcome addition to Life Peglerae Hospital and will certainly enhance your hospital visit experience.
