

Rustenburg – Roads in Rustenburg were flooded after heavy rain on the evening of Tuesday 2 April. Rustenburg received a reported 40-50mm of rain for the day. “We were traveling on Gareth Roberts avenue at around 18:15 when we saw the floodwaters. Some cars were desperately trying to get through and others waited in dismay for the water to dissipate. It was quite a sight to see!” said Sandra du Plessis in an interview with *Platinum Weekly*.
