

# KOM LUISTER NA BOK VAN BLERK BY NG PROTEAPARK

Bok van Blerk

**Rustenburg** – Die Nederduitse Gereformeerde (NG) Kerk, Proteapark, sal op 13 Junie, die dag voor die winterskoolvakansie, 'n groot fondsinsameling hou ten bate van hul JOL-kampe.

Die trekpleister is die optrede deur Bok van Blerk, en daar sal ook kos- en drinkgoed beskikbaar wees. Hul hou ook 'n kort veiling, wat onder andere jagpakkette insluit.

Die JOL-kampe word verdeel tussen laerskole in die Oktober skoolvakansie en hoërskole in die April skoolvakansie.

Dominee Willem Pretorius, jeugleier, som die JOL-kampe op as volg: "Die hoofdoel van die kampe is om aan kinders wat op enige lewensterrein minderbevoorreg is, die geleentheid te gun om hulself saam met ander kinders te geniet en ook om hul geestelik te versterk. Daar is geweldig baie uitgewas betrokke by die projek. Ons bly deurentyd by die kinders betrokke om hul te versorg op enige manier wat nodig mag wees. Dit sluit onder andere in tandheelkundige sorg, die aanval van klere, sielkundige sessies, skoolstiesse hulp en voedingskemas in."

Koop dus gerus vir jou 'n kaartjie vir hierdie geleentheid teen R150 per persoon. Kinders onder 12 beloop R100. Kaartjies is beskikbaar by iTickets of by NG Proteapark se kerkkantoor. Vir meer inligting skakel 014 533 4028.

## GIVE A LITTLE, **HELP A LOT**

**Rustenburg** – Rustenburg's elderly needs our help. Growing old is not child's play.

Besides one's physical health deteriorating almost as fast as the price of health care increases, many of the country's elderly have been swindled out of their life saving by Ponzi schemes and 'sure-thing' investments.

For some, little things like replacing a light bulb or sewing a tear has become not only difficult, but a physically painful exercise. Having to depend on others to be able to go to the store or visit a friend, all the while spending your retirement years just trying to stay out of the way... often forgotten and left behind.

A large part of the elderly population is struggling to make ends meet on a meagre R1,780 South African Social Services Agency (SASSA) grant allowance per month. R1,800 can only go so far and often these retirees must make the choice between lifesaving medication and food.

If your grandparents are anything like mine, they would never want to be an inconvenience, giving you the shirts off their backs to ensure that you had a future they were never afforded... Now is the time to give them that future! The municipal flats throughout Rustenburg assist the elderly with affordable housing, but the small allowance from SASSA does not cover medical expenses, food, sundries and general costs. Having to worry about food can be soul crushing and adds to mental stress and a feeling of hopelessness. *Platinum Weekly's Local Love* is a project to help lift the burden off our local elderly living in the various municipal flats in Rustenburg. With this project we will donate food and toiletries to the elderly to assist with their basic needs.

We invite you to participate by donating non-perishable food and toiletries. The handover of the food will take place in July. The logos of companies that donate towards this worthy cause will feature in the *Platinum Weekly* issue after the handover, free of charge: terms and conditions apply.

Donations can be dropped off at **Platinum Weekly's** offices at 50 Marais street. For more information contact **Danika Pretorius** on 081 579 7000.
