LIFE PEGLERA EXPANDS HEALTH CARE SERVICES

Rustenburg – Life Peglerae Hospital unveiled their new consulting rooms in Rustenburg on Wednesday 7 August. This development will go a long way in meeting the needs of the community.

The building, which is located right next to the hospital's main entrance in Beyers Naude drive, was recently transformed from an office block to consulting rooms and 14 doctors have already set up their practices.

Regional manager of Inland North Johan Holder expressed his confidence that

the hospital would continue setting the standard in the delivery of quality health care.

"It was a busy time for us, and I am happy that everything ran smoothly. We are committed to the growth of this hospital and these consulting rooms will help us to achieve our goals" he said.

Doctor Lebogang Kenape said: "I'm receiving more patients since I started practicing at this facility. We are close to the main road, making access easier."
