EMPOWERING THE YOUTH THROUGH FOOTBALL

Athletico Football Club players practiced before the match.

The young players enjoyed themselves.

Rustenburg – On Saturday 25 August, Karlienpark sport grounds was the place to be during a series of football matches between two football clubs from Rustenburg. There was plenty of action as four teams from Athletico Football Club and Angles Football

competed against each other in six matches. Two matches were played in the u/11 age group. In the first match, the teams played to a 0-0 draw before Angels won the second match 2-0. In the u/13 category, the teams also played two matches.

Athletico won the first encounter 3-1 while the second match ended in 1-1 draw. Both the Athletico u/15 and u/17 teams each won the remaining two matches by an identical 3-0 margin.

Patrick Fann, one of the owners of Athletico,

is happy with the positive impact of the matches on members of the club. "Over a period of a month, we meet with about 5,000 young people during our coaching sessions," Patrick added.

Meet the player BERTO VAN WYK

Rustenburg – Berto van Wyk, a 25-year old teacher at Laerskool Rustenburg, enjoys hunting, fishing and a good steak with just enough fat.

He started playing rugby at a young age and now wears the number 12 jersey for the Newrak Impala rugby team proudly.

"My whole family loves rugby and I remember watching rugby with them on weekends. This made me develop a passion for the game," Berto told *Platinum Weekly*. When he is not in the classroom or on the field, he spends time with loved ones.

When asked what his motto in life is, Berto said: "If you want to eat honey, you have to be able to deal with the bee stings. If you want to achieve something great, you must be able to handle the challenges that come with it."
