

## MAKE 5 LITRES OF WATER GO A LONG WAY

**Rustenburg** – Northern Cape farmers are on their knees due to the severe drought in the region.

In a Facebook comment, a community member from Steytlerville stated that some families use more bathwater a year than the amount of rain they have received in the past five years.

After hearing the desperate plea of farmers living in Steytlerville, Learn Fast Driving School in Rustenburg decided to take action.

On Sunday 20 October, the Learn Fast Driving School team will drive through to Steytlerville and deliver bottled water to bring a little relief to the farmers.

To assist them in their mission, they need donations of 5 litre sealed bottled water. All donations can be dropped off at Learn Fast Driving School's office at 241 Kruger street, Rustenburg.

## NEWRAK MINING PULLS THEIR IMPALA RUGBY CLUB SPONSORSHIP

**Rustenburg** – On Monday 16 September, Newrak Mining announced that they will no longer be the official sponsor of Impala Rugby Club.

"This came as a great shock not only to the club and their supporters, but also to the players who were busy with their apprenticeships at Newrak Mining. These young men now have to look for other employment opportunities after being retrenched," said Impala rugby club manager Naas Olivier in an interview with *Platinum Weekly*.

Despite Newrak's loyal support for eight successful years, which included several Gold Cup victories which rocketed the team to the top of their class, this change obviously implies massive deviations for Impala Rugby Club.

Not only does it offer a great opportunity for a sponsor to put their weight behind a battle-forged team, it also means that several strong players who were completing their apprenticeship through Newrak are now up for grabs!

Naas added: "We are very grateful for the years Newrak stood by the club and

supported us. This is a blow to the club, but I know that we will rise again. For us it is more than just about winning games, it is a way for players to participate in the sport they love. It is about teamwork and bringing the community together. It is now a great opportunity for another company to step up to the plate to continue this tradition."

The club has also been registered as a non-profit organisation (NPO) and can provide sponsors with a section 18A certificate. For more information contact Naas on 082 926 8403.

When you're not shouting 'Bokke'... shout Impala!
