

DOZENS OF SOMMELIERS AT PIEKFIJN

Rustenburg – The annual Piekfijn Food and Wine Festival attracted many sommeliers. A sommelier (often called a *somm*), is a knowledgeable wine professional... we learned. Hundreds of experienced and newbie wine tasters made their way to Piekfijn on Saturday 7 September, hosted at Bergsig Academy. It was the perfect

opportunity to try new wines without having to invest in a bottle if you didn't like it.

Piekfijn, presented by Grey Corporate Promotions, is a gourmet food festival, combined with wine tasting and live music where people could buy fresh food products, wine and beautiful arts and crafts.

Young and old enjoyed the loads of activities and entertainment that included a variety of food stalls, live entertainment featuring great local artists, a *potjiekos* competition, safe play area for the kids, beer tent and the sought-after wine, whisky and gin tasting. A fun walk/run and auction was also arranged to collect funds

for certain charitable organisations. "A big thank you to all our supporters and sponsors," said Karen Potgieter, Bergsig Academy headmaster.

"It was a great day for families and friends to eat, drink, listen to music, enjoy fine foods and taste great wines."

BIRDS OF VIETNAM BirdLife Rustenburg

Rustenburg – After being isolated from the birding and travelling world for so long, Vietnam has become one of the key destinations on the world birding travel map. Apart from the birding, Vietnam also has a very rich culture, a wide diversity of people and great scenery, making it worthwhile to visit for both birders and non-birders alike.

Vietnam, being 1,600km long with over 3,000km of coastline, has a wide variety of habitats and seasons.

Geoff Finney and Leslie Ryan, two of BirdLife Rustenburg's most experienced birders, recently had the opportunity to visit this fascinating country. Geoff will be sharing their experience and photos with the club.

This will take place on Monday, 16 September at Methodist Church on the corner of Brink and Schuurman streets at

19:00. A charge of R20 from non-members is payable.

** Roodekoppies Dam, 30 kilometres north of Brits, is the destination for the club's outing this month. This will take place on Saturday, 21 September. The dam is famous for the returning African Skimmer that has visited for many seasons. Approximately 350 birds have been seen with specials such as the Great Crested Grebe, Osprey, Double-banded Sandgrouse, Ashy Tit, Barred Wren- Warbler, Great Sparrow and Black-faced Waxbill. A wide variety of water birds and waders will also be seen. The level of the dam is currently at 87%.

Please contact BirdLife Rustenburg's chairperson, Shaun McGillewie, on 083 702 1462 should you want to join BirdLife Rustenburg or for more information.
