# SAVING LIVES ONE DONATION AT A TIME

## FIVE MEN OVERPOWER FAMILY ON THEIR FARM

Biesiesvlei – Derek Mathews and his family were attacked and robbed on their farm in Deelpan near Biesiesvlei on Saturday 25 January.

According to police spokesperson captain Sam Tselenyane, the family was overpowered by five armed men who stormed into the house and ordered them to lie on the floor.

The attackers tied the family up and proceeded to slap and

kick them while requesting money from them.

The suspects fled the scene in a vehicle and managed to take the victims' jewellery, cellular phones, laptops and cash.

They were later seen withdrawing cash at an ATM in Lichtenburg.

No arrests have been made to date and police are investigating a case of house robbery.

Rustenburg – By donating blood you are giving someone a very precious gift – the gift of life. Every unit of blood can save a minimum of three lives as blood is separated into red blood cells, plasma and platelets.

The South African National Blood Service (SANBS) provides an essential service in South Africa as they collect blood and issue it to those in need.
