RUNAWAY FIRES CAUSE HAVOC

A cloud of smoke covered the area as volunteers worked to bring the fire under control.

Rustenburg – A scorching heatwave and fierce fires raged across the country on Monday 19 October. Local farmers on the Swaruggens road also had their work cut out for them, trying to stop a fire that was fuelled by strong winds. At around seven o'clock on Monday evening the fire was eventually under control. It is still unclear if the fires were started deliberately – like in other parts of the country - but the extreme heat and strong winds definitely contributed to the spread of the fire. The local farming community pulled together. Their quick response and strategy made quick headway in what appeared to be an impossible task. A big thank you for their selfless and immediate help. Our thoughts and prayers go out to the Free State farmers who suffered huge losses in the devastating fires.

There is currently a R11,000 reward for any information that will lead to the successful prosecution of the perpetrator/s. The Rustenburg SPCA has vowed to leave no stone unturned until those who committed this crime have been brought to justice.

DRONES – FRIEND OF FOE?

Rustenburg – An upset community member took to social media to raise her concerns about a drone flying and hovering over her house without her permission over the weekend of 16 October. This might seem like a petty concern, but the implications may be dire... In an interview with *Platinum Weekly*, ward 18 councillor Martha Lerm said: “For some, this is just a harmless hobby... but criminals can also use this tactic to gather information about what is going on in your property. Residents must be vigilant when they see drones flying around their private properties. Most people don’t realise the dangers of an unknown drone hanging around.”

In addition to the safety and privacy concerns regarding drones, South Africa’s Ministry of Transportation and Civil Aviation Authority has strict rules and regulations regarding the private use of drones.

The regulations clearly stipulate that the private use of drones may only be conducted within a restricted line of sight. The drone is not allowed to get closer than 50 metres to any people or areas like sport fields, road races, stadiums, schools, or social events where a group of people may be gathering. Drones may also not be flown within 50 metres of a public road or any property without permission from property owner and may only be flown in the daylight and clear weather conditions. So, the next time you take your drone for a spin... remember

to stay at least 50 metres away from private property, people, and public roads!

MAXIMUM SENTENCES FOR ANISHA AND JOEY’S KILLERS

Pretoria/ Mooiooi – The family and friends of Anisha and Joey van Nierkerk can begin to find closure after the four people who were found guilty of robbing and murdering them were handed maximum sentences by the North Gauteng Division of the High Court in Pretoria. On Thursday 15 October, Aaron Sithole, Jack Sithole, Alex Mudau and Mercia Strydom were all handed two life sentences for murder and a further 15 years for robbery. Aaron and Jack were also sentenced to two life terms for rape while Mudau and Strydom were handed an additional six years and 20 years respectively for kidnapping.

All four were also found guilty of defeating or obstructing the administration of justice and were sentenced to a further 10 years. The sentences will all run concurrently.

Anisha and Joey were murdered on Sunday 10 December 2017 as part of a plot by Koos Strydom to take over the couple’s smallholding in Elandsfontein near Mooiooi.

The two women were last seen at the smallholding on the day of the murder and their families became suspicious on 11 December after failing to locate them.

“Following a thorough investigation, Jack Sithole who was taken in for questioning together with his brother, Alex, confessed

and implicated Strydom and five other individuals in the killing of the couple,” said police spokesperson brigadier Sabata Mokgwabone.

Koos Strydom died while in detention at the Kgosi Mampuru II Correctional Centre. “Investigations showed that the couple was called to Koos Strydom’s smallholding and forced to sign a bogus purchase agreement at gunpoint before being raped and strangled. The victims’ bodies were burnt and thrown in a nearby river,” Mokgwabone added.

The couple’s vehicle was later found on the Magaliesberg Road on Monday 18 December 2017.

Anisha and Joey van Nierkerk can finally rest in peace after their brutal murders in 2017.

R1.5M COCAINE BUST

Rustenburg – Two men were arrested on Friday 16 October in Geelhoutpark, Rustenburg after Rustenburg police discovered and seized three kilograms of cocaine at an illegal drug-manufacturing laboratory.

The laboratory was shut down after police gathered substantial evidence that two people were manufacturing cocaine.

Prior to the discovery of the drug lab, a silver Volkswagen Polo that the two suspects were travelling in was stopped by the police along the N4 near Phokeng during an intelligence-driven operation.

“Police then proceeded to Geelhoutpark, where the occupants of the Volkswagen Polo reside.

During a search conducted in the presence of the suspects, items that were apparently used to manufacture drugs were found,” said police

spokesperson brigadier Sabata Mokgwabone. Various chemicals, 20 litre containers, gloves and dust masks were found at the scene. A further search led to the discovery and seizure of a plastic bag containing cocaine, with an estimated street value of R1.5 million, 10 mobile phones and a substantial amount of cash.

The suspects will appear in the Rustenburg Magistrates’ Court for contravention of Section 3 of the Drugs and Drug Trafficking Act, 1992 (Act No. 140 of 1992). North West provincial commissioner of police lieutenant general Sello Kwena welcomed the arrests and commended the law enforcement agents involved in the operation.

Kwena pointed out that manufacturing, supplying, and dealing in drugs will not be tolerated and that the law would deal with those involved in drug trafficking.

Police discovered chemicals used in the illegal manufacturing of drugs.

Three kilograms of cocaine were discovered at the drug lab.

MELLOMAGC RELIEVES RESTLESS LEG SYNDROME

Most people feel "restless legs" as a cramp starting as they emerge from sleep. The beginning of the cramp partially wakes them up to adjust their sleeping position and to move the leg to avoid the cramp. If you or someone you love is suffering from this agonizing condition, relief is at hand.

Your brain is the central communication system of your body, comparable to a switchboard. Just as a switchboard operator answers the phone and directs a call, messages are sent instantly from the brain to specific organs, glands, muscles and limbs.

Consider for example when you burn yourself on a hot stove. The immediate response to pull away is a result of a neural message to the brain and a return message to the hand muscles to move away from the danger.

When this system is functioning properly, it is like a superhighway, smooth and fast, with no traffic jams or stops. To keep a superhighway well maintained and without potholes, closed lanes, detours or delays, quality materials are needed for repair. Similarly, the nervous system constantly needs materials or minerals such as calcium and magnesium for regeneration.

Deficiencies of calcium and magnesium can prevent the smooth flow of neural messages. Handling deficiencies of these two minerals is vital and many restless leg syndrome sufferers get almost instant relief when taking a calcium and magnesium supplement that is balanced and properly formulated.

MelloMagC is perfectly balanced so that the body can absorb calcium and magnesium helping you feel the difference instantly. Calcium and magnesium are prepared in a 2:1 ratio with added vitamin C to adjust the pH for optimal absorption.

Keep Instant MelloMagC on hand at home and at work to feel instant results!

Rustenburg – Die gemeenskap word aangemoedig om deel te neem aan 'n optog teen plaasmoorde op Sondag 25 Oktober in Rustenburg.

Die optog sal om 08:00 afskop op die hoek van Leydsstraat en Oliver Tambo Rylaan en sal deur verskeie strate dwarsdeur Rustenburg beweeg tot by die area waar die kruise geplant sal word.

Ons wil hê die hele Suid-Afrika moet saam staan, ons moet ons verskille opsy stoot en saam bid vir die boere. Doen dit vir jou kinders se toekoms," het organiseerder Tina Steyn gesê.

INVESTING IN WOMEN'S HEALTH

Tunisi Programme founder and CEO Kelebogile Legari (left) and Maemo Motors sales manager Duane Sheppard with the Mitsubishi Pajero Sport.

Rustenburg – Tunisi Programme is a company based in Phokeng, specialising in developing the youth to help them become responsible and successful members of the community. Tunisi's team of healthcare workers conducted local research to understand the core challenges regarding breast cancer in our local communities and found that late diagnoses remains the biggest challenge – especially in our disadvantaged communities. Taking hands with Maemo Motors, they will raise breast cancer awareness. Breast cancer is the most common cancer in the South African female population and accounts for most cancer-related deaths in females. Early detection, especially through robust screening programmes can drastically change this reality.

THE OBJECTIVE OF THIS PROJECT

- To raise awareness about breast cancer in our local communities.
- Educate members of the community about breast cancer.

- To encourage breast self-examinations and emphasise the importance of good health-seeking behaviour.
- To positively influence the rate of early detection of breast cancer.
- To contribute to an improved and convenient healthcare system for breast cancer patient management in the public healthcare system.

Tunisi Programme and Maemo Motors would like to invite companies to donate towards this initiative that aims to help save lives. Your donation will secure a spot for your company's logo on a Mitsubishi Pajero Sport that was sponsored by Maemo Motors. The Pajero will be travelling in an around Rustenburg as well as other areas in North West to ensure maximum exposure to the companies supporting this initiative.

For more information contact Tunisi Programme founder and chief executive officer (CEO) Kelebogile Legari on 074 437 1675 or founder@tunisi.org.in or visit their website at <https://www.tunisi.org.in/>.

SOULFOOD

PSALM 119: 97 - 112

⁹⁷ Oh, how I love Your law!

It is my meditation all the day.

⁹⁸ You, through Your commandments, make me wiser than my enemies;

For they are ever with me.

⁹⁹ I have more understanding than all my teachers,

For Your testimonies are my meditation.

¹⁰⁰ I understand more than the [q]ancients,

Because I keep Your precepts.

¹⁰¹ I have restrained my feet from every evil way,

That I may keep Your word.

¹⁰² I have not departed from Your judgments,

For You Yourself have taught me.

¹⁰³ How sweet are Your words to my taste,

Sweeter than honey to my mouth!

¹⁰⁴ Through Your precepts I get understanding;

Therefore I hate every false way.

¹⁰⁵ Your word is a lamp to my feet

And a light to my path.

¹⁰⁶ I have sworn and confirmed

That I will keep Your righteous judgments.

¹⁰⁷ I am afflicted very much;

Revive me, O LORD, according to Your word.

¹⁰⁸ Accept, I pray, the freewill offerings of my mouth, O LORD,

And teach me Your judgments.

¹⁰⁹ My life is continually [r]in my hand,

Yet I do not forget Your law.

¹¹⁰ The wicked have laid a snare for me,

Yet I have not strayed from Your precepts.

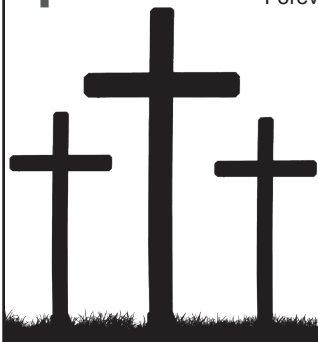

¹¹¹ Your testimonies I have taken as a [s]heritage forever,

For they are the rejoicing of my heart.

¹¹² I have inclined my heart to perform Your statutes

Forever, to the very end.

FACTS AND TIPS ON TRUSTS, WILLS, AND DECEASED ESTATES

1. Where the deceased was married in community of property, the bank accounts of both parties are part of a joint deceased estate. The bank accounts of the surviving spouse, however, do not have to be closed.
2. Every deceased estate must be reported to SARS for income tax purposes. A tax clearance certificate must be obtained from SARS before the estate can be finalised and wound up.
3. Annuities and pensions of the deceased are, generally are not paid into the estate account of the deceased. They are not dealt with by the executor but rather paid directly to the beneficiaries. They are also not relevant for estate duty purposes.
4. The trust deed of a family trust would normally prescribe how a deceased trustee should be replaced and sometimes also by whom. The trust deed will often also give the founder and sometimes also trustees the right to nominate a trustee in their place upon death. These are important considerations when drafting a will.
5. One can nominate an existing family trust or a testamentary trust, to be created after death, as a beneficiary of an estate.

Contact Van Velden-Duffey during the Wills Week to have your will revised or drafted free of charge on 014 592 1135 or wills@vvd.co.za. Terms and conditions apply.

TEACHERS SHARE TIPS FOR THE MATRIC FINAL EXAMS

Rustenburg has some world-class schools and exceptional dedicated teachers. Platinum Weekly caught up with some of our local teachers to get words of wisdom for our matrics, class of 2020.

"Stop with the COVID-19 excuse and work hard to achieve a quality pass rate that will help you realise your dreams. Balance the study time for each of your subjects and aim to get university admission. Good luck to all matrics."

Selly Park Secondary School life science teacher Lawrence Kandawasvika

"Dear creative Grade 12's... When answering the questions that require your own opinion, the answer you thought of first is normally the correct one. Don't overthink - you will only waste time. Stay calm. You've got this!"

Lebone II College of the Royal Bafokeng art teacher Thea Luus

"Have a strategy in place to be consistent in your studies and revise using different resources. Practice is key. Focus on areas where you can excel, then work on sections that were difficult but don't leave anything out."

Zinniaville Secondary School maths teacher Fazlin Kola

"Prepare for English like you do for other subjects. Apply the knowledge of what you have learnt, to your knowledge of the world around you. Write well, argue like defence attorneys and above all, have faith; God has you in the palm of His hand."

Fields College English teacher Sincengile Ntini

Rustenburg – Louis Viljoen het op Donderdag 8 Oktober sy groentetuin kennis gedeel met die leerders van die Rustenburg Skool vir Buitengewone Onderwys. Tydens sy besoek het die jongspan 'n produksielyn gevorm en geleer om hul eie

spinasie te oes, op te sny, te blansjeer en te verpak. Die skool se groentetuin voorsien nie net die skool se leerders en hul families met organiese groente nie, maar gee hulle ook die geleentheid om meer te leer oor hoe om self groente te plant en te verwerk.

Lets grow North West together

SUPER RUGBY UNLOCKED

Stormers vs Leeus
In Kaapstad wen die Stormers 23-17 in hulle eerste *game* van die seisoen. Baie verrees... maar die Kapenaars het 'n super pak *vories* wat hulle gemaklik tot in die finale sal 'in skrum'. Agterlangs het dit maar broekskeur gegaan en Damian Willemse sukkel op 10 *ou grote*.
Dit was dan die laaste keer dat die Stormers op Nuweland uitgedraf het en dit sonder enige toeskouers! Hartseer dag in die geskiedenis van WP *ruggas*... Die Leeus het goed begin maar die Kapenaars se skrum het die deurslag gegee.
Die Stormers draf Vrydagaand teen die Pumas uit en die Leeus pak die Cheetahs in 'n katgeveg in Johannesburg.
Cheetahs vs Bulle
In 'n taai, opwindende *game* verras die Blikore en klop die Bulle 19-17. Op die einde van die dag het die Vrystaters die oorwinning verdien. Die Cheetah *cappie*, Ruan Pienaar, moes die veld in die eerste helfte verlaat met 'n ernstige kniebeseering wat hom blykbaar tot in Desember op die kantlyn kan hou. Die ervaring van Francois Steyn was goud werd vir die Cheetahs en hy het 'n wonderlike dag op kantoor gehad. Die Cheetahs se volgende *game* is op Ellispark teen die Leeus met die Bulle wat op Loftus tee die Haaie gaan uitdra.
Griekwas vs Pumas
In Kimberley was die Pumas op die dag net beter as die Diamantboere en wen 27-21. Na die groot paksalae die vorige Saterdag het die Pumas gewys hulle het nog nie moed verloor nie en het puik *ruggas* opgedis.
Die Pumas gaan egter Vrydagaand 'n groot toets afle wanneer hulle gasheer vir die Stormers gaan speel. Die Griekwas verdien 'n loslootjie.
Te min 'speel minute'
Dit is nou amptelik dat die Springbokke nie in 2020 se Rugby Kampioenskappe gaan deelneem nie. Blykbaar weens te min speelminute of so iets... maar baie ingewikkeld ou groenes.
Bledisloe Cup
In Auckland het die All Blacks puik *ruggas* gespeel en klop die Aussies 27-7. Daar is egter nog hoop vir die Aussies want die trofee word oor vier toetse beslis. Die laaste twee toetse, wat deel maak van die Rugby Kampioenskappe, word in Australië beslis en kan dalk in die Wallabies se guns tel.
Nag ou grote...
