## IN REMEMBRANCE

Welbekende boukontrakteur en argitek Dirk de Beer is op Saterdag 5 Junie oorlede. Hy was 'n wonderlike, hardwerkende, en lojale man wat altyd sy lewe voluit gelewe het. Dirk was vir 61 jaar getroud en sy liefde vir sy vrou Anchia de Beer, wat agt jaar terug oorlede is, was 'n merkwaardige voorbeeld vir sy drie kinders. Sy kinders sal hom altyd onthou as 'n fantastiese man, pa, en oupa wat enig was in sy soort. Hy laat sy drie kinders, sewe kleinkinders en nege agterkleinkinders agter. Mag hy nou in vrede rus. Sy troosdiens het op Donderdag 10 Junie 10:30 vanuit die NG Kerk Moedergemeente, Fatima Bhayatstraat, Rustenburg plaasgevind.

## CIT ROBBERS DENIED BAIL

The suspects were arrested within hours of the incident.

**Brits** – Ten men responsible for a cash in transit (CIT) heist which occurred in Majakaneng were denied bail when they appeared before the Brits Magistrates' Court on Wednesday 9 June.

Lucky Michael Zwane, Kenny Kubheka, Takalani Michael Lusinzi, Mbulelo Trevor Mzizi, Siphamandla Magubani, Wanda Yende, Reuben Mulenje, Dannyboy Moshoeu, Tshepiso Dire, and Mxolisi Boqo were arrested on 7 June following a shootout with police detail.

The suspects, who were travelling in an Audi, allegedly forced a cash van off the road near the Majakaneng bridge. They forced open the doors of the vehicle, helping themselves to the cash. In the meantime, the driver of the vehicle escorting the cash van was involved in a shootout with the suspects. "The suspects then hijacked a vehicle in the vicinity and fled the scene in a number of vehicles with an undisclosed amount of money. They also grabbed two firearms from the security guards," police spokesperson colonel Brenda Muridili confirmed.

The hijacked vehicle and a white BMW were later found abandoned just after the Mokolokwe turn-off along the R556 Sun City road. A manhunt involving various police units was launched and within hours of the robbery, police managed to locate and arrest all of the suspects.

"Among the vehicles confiscated by the police were a Lexus, an Audi, a Volkswagen Caravelle and a Hyundai minibus. They also found stained cash, six rifles, six pistols as well as ammunition," Muridili added.

An undisclosed amount of cash was found in the suspects' possession.

Explosives and related equipment were found in one of the vehicles that was used by the suspects.

## CLOSE CALL WITH SNAKE

Rustenburg – ER24 rushed to the aid of a man who was bitten by a snake on Thursday 3 June. According to a statement by the emergency service provider, the man was busy fixing a fence when the snake bit him on his back. The snake managed to get away before it could be identified. The man was rushed to hospital. Fortunately, he was released the same day as he sustained no serious injuries thanks to the fact that he was wearing two jackets, so the snake could only give him a 'dry bite'.

# Battle looms over mining application in Marico Biosphere Reserve

**Marico** – AfriForum submitted commentary on 8 June to oppose the development of mining activities in the Marico Biosphere Reserve. Members of the Groot Marico community informed the organisation of possible shortcomings in the application process for environmental approval that was brought by Singo Consulting on behalf of Legare Mining Services (Pty) Ltd.

AfriForum investigated and registered as an interested and affected party. The organisation has also appointed a specialist to scrutinise the assessment report and environmental impact study.

The application is aimed at ascertaining whether there are sufficient minerals in the area to open an economically viable mine. Legare Mining Services plans on mining among others chromium, cobalt, gold, nickel, and platinum group metals. The total area comprises 1,989ha, in which Legare Mining Services plans on sinking 15 boreholes for prospecting purposes.

"I was contacted by members of the community and landowners who expressed their displeasure with the mining application. We investigated and established that the

public participation process was flawed, as well as the application for environmental approval in its entirety. One of the most significant problems that we identified is that Singo Consulting compiled their report through desk-based research, previous applications and general knowledge of the area. This is preposterous. Moreover, the application was published in the Brits Pos – a newspaper that is not even sold in the Groot Marico area. The community was therefore not informed of the application. Questions by AfriForum as well as other interested and affected parties were not answered satisfactorily by Singo," says Petrus Coetzee, AfriForum's district coordinator for Marico.

Lambert de Klerk, manager of Environmental Affairs at AfriForum, says that it is not the first time that AfriForum and Singo Consulting's paths cross. "The company was also involved in an application for mining activities south of the Kruger National Park and was accused of alleged fraud. AfriForum will monitor the process closely and take necessary steps as advised by our specialist. It seems that there are once again irregularities."

AfriForum media statement, 8 June 2021

## 4 NABBED FOR UNLICENSED GUNS, STOLEN COPPER

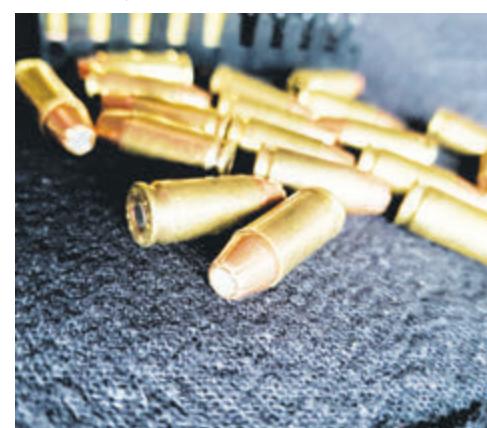

**Brits** – Four undocumented foreign nationals will have to answer for their crimes during their next appearance before the Brits Magistrates' Court.

Lewis Ngonyama, Tshabalala Makhashane, Paulos Mashaba, and Johannes Mahlangu made their first appearance before court on Monday 31 May on charges of the possession of an unlicensed firearm and ammunition, illegal possession of ammunition, theft of copper cable, tampering with essential infrastructure, as well as attempted murder. The four were arrested on Thursday 27 May after police received information about unknown armed men who had been spotted at the De Kroon informal settlement.

"Upon arrival at the accused's place, a search was conducted leading to the discovery of a hunting rifle with 24 live rounds of ammunition and two empty cartridges. Five .38 special revolver ammunition, two truck batteries, a big solar panel, bolt cutters and approximately 144kg of copper cable worth R100,000 were

also found," police spokesperson colonel Adele Myburgh said.

"Further investigations linked the accused to an incident in which shots were fired towards a 36-year-old man, who was responding to theft of copper cable at a local mine on Monday 24 May. The man escaped unharmed," she added.

## Ngaka Modiri Molema water supply issues

**NW** – MEC for Cooperative Governance, Human Settlements and Traditional Affairs, Mmoloki Cwaile, recently met with Sedibeng Water and Ngaka Modiri Molema District Municipality in an effort to resolve the water challenges. Ngaka Modiri Molema District Municipality is one of the four districts of North West province. This follows a notice issued by the water utility last week on its intention to suspend all its operations and maintenance services in Ngaka Modiri Molema, owing to unsettled debt by the district municipality. Resolutions of the meeting include the establishment of a technical task team to investigate matters that include validation of historical debt for processing. "I am confident that we will find a solution and where necessary, we will engage the national Department of Water and Sanitation for assistance," MEC Cwaile said.

## NO ELECTRICITY FOR 3 DAYS!

### Letter to the Editor

**Rustenburg** – I am a resident living in the East River Industrial Park area of Rustenburg. I am concerned with the current state of affairs here. We have gone without electricity for the past three days now. The power went off at around 22:00 on Sunday 6 June and was still off on Wednesday morning, 9 June. We have made enquiries to Rustenburg Local Municipality (RLM) councillors and there have been no answers or feedback from them. Do we always have to protest before our challenges are addressed? **Livelihood Killed**

## Bid to resolve Pilanesberg airport challenges

**Mogwase** – On Friday 4 June, MEC for the Department of Community Safety and Transport Management Sello Lehari visited Pilanesberg International Airport. The visit was part of a wider initiative to resolve the challenges at the facility with the view of helping it become operational again.

## CLOSE CALL FOR FAMILY ON FARM

**Brits** – A couple and their young daughter was held at gunpoint by two intruders on their farm near Brits in the early morning hours of Friday 4 June. The husband heard the dogs barking just after 01:00 and went to investigate. At first glance, he didn't see anything and went back to bed. The dogs started barking again and when he went back to check for the second

time, he saw two intruders at the window. He shouted at them, but they managed to break the window and burglar bars. It was then that he noticed that they were armed. The family quickly fled to their bedroom and locked themselves inside. The attackers then entered the house and started breaking down the bedroom door. Luckily, the wife was able

to call for help. The attackers succeeded in breaking a hole through the bedroom door and waved their weapons at the victims who fought tirelessly to keep the door closed. AfriForum Brits Community Watch rushed to the family's rescue and the attackers fled the scene on their arrival. Tracks were followed but no arrests have been made.

# WHAT'S Cooking?

**Vetkoek Den manager  
Lanie Janse van  
Rensburg**

## Carrot cake with a twist!

**Rustenburg** – My love for cooking started at a very young age because of my mother – Leonie – who was always busy in the kitchen. She taught me how to make everything from rusks to bread and could make a meal for a king from scratch.

After school I started working full time but started baking in the evenings to make an extra buck. I loved making carrot cake for a close colleague as it was her favourite dessert – with a lot of nuts – and over the years I've chopped and changed my recipe to get it just perfect. I'm very grateful to my sister and brother-in-law for allowing me to live out my passion for cooking at Vetkoek Den.

### Cake

#### Ingredients

- 500ml sugar
- 4 large eggs
- 3ml vanilla essence
- 375ml oil
- 500ml flour
- 5ml baking powder
- 10ml baking soda
- 10ml ground cinnamon
- 750ml grated carrots
- 200ml fine coconut
- 250ml pecan nuts
- 250ml canned pineapples (fine)

#### Instructions

1. Mix the sugar, eggs, vanilla, and oil together.
2. Add the flour, baking powder, baking soda, and cinnamon to the egg mixture.
3. Add the carrots, coconut, pecan nuts, and pineapples to the flour mixture.
4. Bake for 1 hour in a 180° oven.
5. Let it cool down.

### Icing

#### Ingredients

- 1 can condensed milk
- 500g icing sugar
- half a cup lemon juice

#### Instructions

1. Mix everything together until smooth.
2. Once the cake is cooled down, spread over the top.

**Tip: if the mixture is too thick,  
add more condensed milk.**

# Our ONGOING struggle for water

**Rustenburg** – After three months of having their pleas fall on deaf ears, community members converged at Magalies Water's Rustenburg office on Monday 7 June, demanding to be heard.

"For the past three months we haven't had a drop of water. Our children have to go to school dirty. Even as we stand here, we are dirty, because we don't have water. We can't cook food, we can't wash our clothes, we don't even have water to drink. It is completely inhumane," a displeased community member said in an interview with *Platinum Weekly*.

Another community member said that he is lucky enough to have water, but that he is not happy with the quality of the water as it stinks and is brownish of colour. One of the protesters noted: "When our children drink the water, it upsets their stomachs."

#### Signing the MoU

The signs of the protestors were a clear indication that they are fed up. They demanded to see the CEO – to share their frustration with him. Magalies Water CEO Sandile Psychology Mkhize arrived to receive a memorandum of understanding (MoU) from a representative of the community. Addressing the issues noted in the memorandum he said: "We take note of your concerns, and we undertake to ensure that water tanks are deployed to provide water to those who have been affected by the water shortages."

#### Vaalkop Water Treatment Works issues...

Mkhize also explained that an unfortunate incident in the early morning of 4 June led to a prolonged period of water supply interruptions as an underground high-tension power supply cable at the Vaalkop Water Treatment Works was found to be defective, compromising electricity supply to the plant. Their technical team worked throughout Friday until the early hours of Saturday morning to resolve the problem. Upon testing the fixed cable, the technical team discovered that the high-tension cable had a defect at another location. Local mines were asked to assist with their fault locating equipment, which was provided to the Magalies Water team on Saturday morning around 08:15. Fixing of the defective underground high-tension cable was successfully completed on Saturday around 18:00 and the Vaalkop Water Treatment works was restarted.

Magalies Water media specialist David Makgaae addressed protestors.

#### Water cannot be restored immediately...

Mkhize further noted that water cannot immediately be restored as it can take up to four days for the water to flow into all the pipes.

This can also cause the water to run brown for a while. A community member loudly responded to this comment: "But the water is always brown!"

#### Frustration and tensions rising...

Mkhize said in a statement: "While Magalies Water understands the frustration of communities, it is critical for residents to understand the existing protocols between Magalies Water and the local municipalities, particularly in respect of communicating plant breakdowns and/or water supply interruptions. It remains the responsibility of the communications departments and/or assigned contact person from the various municipalities to ensure that all communication is cascaded to their respective constituencies."

#### "Magalies Water does not have any authority to directly communicate with residents on issues of water supply interruptions."

"The role of Magalies Water remains that of providing bulk water services to municipalities within the area of operation. The bulk water supplied should consistently meet and exceed the SANS 241 water quality standard at the point of sale – where Magalies Water has put a bulk water meter. Once the water has passed the point of sale, potable water enters the reticulation network including the reservoirs, which are owned by the respective municipalities thus automatically becoming the responsibility of the water services authority (municipality), to ensure that the water adheres to the aforementioned water quality standards," the statement goes on to say.

#### Water demand far outweighs supply

"The potable water produced by Magalies Water up to the point of sale has been shown to be consistently compliant to good-to-excellent levels of the SANS 241:2015 water quality standard. Currently bulk water supply to the Rustenburg Local Municipality (RLM), in general terms is at a deficit, mainly due to the rapid growth of the city. The current bulk water supply which is supplied to RLM by Rand Water through Barnadsvlei, Magalies Water via Vaalkop and RLM through its Boopspoor plant, indicates an across the board shortage of bulk water supply. Further to that, the current water demand, far outstrips the supply capabilities of the designed systems," the statement explains.

**Editor's note:** These reasons might very well be behind the unacceptable levels of water supply in Rustenburg. But our people are fed up of listening to the 'reasons behind'. We want solutions and someone to take responsibility for and control of the situation, as it is obvious that Magalies Water has handed the ball to the municipalities.

## Ready for action!

i-Protect Intervention Unit can deploy up to 150 officers within 48 hours and up to eight armoured vehicles.

**Rustenburg** – i-Protect is the first Rustenburg security company that can provide an armoured personnel carrier for riot intervention in our area. This feature was launched during their open day on Saturday 29 May in conjunction with ER24, their panic application partners and MPI technologies who supply their safety and warning equipment.

"This addition to the force will reduce the deployment time to a client's premises which enables us to provide the needed asset protection and riot control when required," said i-Protect general manager Tony Dobson.

### The intervention unit consists of two components:

- The rapid stabilisation team, consisting of four members and riot control K9's. These members are the first people on site while the riot officers are en route. They provide immediate support and scene management. Their K9's are specially trained to handle crowds and are socialised to enable them to work around children.
- Riot/ crowd control unit. These members are trained to deal with all kinds of unrest from violent protests to peaceful marches and dependant on the needs at the time, they can deploy up to 150 officers within 48 hours and up to eight armoured vehicles.

# Is Rustenburg still the jewel of the North West?

[Letter to the editor]

**Rustenburg** – Our beautiful city Rustenburg is located close to **Sun City** which has two world-class golf courses designed by our very own champion Gary Player.

The **Lost City** hotel is legendary among South Africans and international guests for its five-star accommodation, excellent service, and fantastic food. There are a myriad of fun water rides and slides for kids and adults alike that compares to the best in the world. The casino at Sun City is the essence of gaming entertainment.

Take the scenic route through several nature reserves in and around Rustenburg. Visit **Kgaswane Nature Reserve** – it has very neat braai and picnic facilities with fun and interesting hiking trails. You can spot the big 5 at **Pilanesberg National Park** or treat yourself to a break away at **Kwa Maritane**.

We also boast with many holiday resorts in and around Rustenburg like **Omaramba**, **ATKV Buffelspoort**, and **Rustenburg Kloof**... to name a few. Spend a day with the predators at **Akwaaba Predator Park** where guests can interact with cheetahs and lions and view a few other big cats up close.

For the adrenalin junkie there is the **Magaliesberg Canopy Tours** with several ziplines and captivating Magaliesberg views. **Ten Flags** which is on the doorstep of Rustenburg offers paintball, helicopter rides, going for a spin in an exotic sports car, playing Ten-Pin Bowling, ice skating, go karts (on ice), arcade games, laser tag, bumper cars, zipline, and the list goes on and on... **Hot Air Balloons** taking you on a scenic route through Pilanesberg are also on the table.

The **Paul Kruger Museum** situated at **Kedar Lodge** is a must see for the more culturally inclined. There are several spas and wellness retreats in and around Rustenburg where one can be pampered and relax, while enjoying the professional treatment of the staff. Keep the kids busy at **Pavilion Nursery** where they can play and interact with farm animals, take them to **Cheeky Ratbags Playpark**, **Party Paradise**, or **Rusties Lodge**, you can pick and choose. These are just a few of the fun activities in the jewel of the North West province – our platinum city, Rustenburg.

Our hot summers and mild winters make Rustenburg the ideal all year-round destination. So, in my opinion Rustenburg is most certainly still the jewel of the North West.

Glencore partnered with GreenSource to install water collection systems at three local schools close to its operations in the North West Province.

Rainwater is stored underneath soccer pitches, which is treated until potable, then made available to the school and the wider community. This means learners and nearby community members have access to clean drinking water, as well as being able to play soccer on astroturf.

The positive way in which previously unused rainwater is now innovatively managed, constitutes a crucial contribution towards improved standards of living in communities near our operations.

This is a Glencore story.

## The driver's licence for dreams is education

Kroondal – Learners at Tirelong Secondary School in Kroondal were encouraged by *Start Happening* author Dr. Gift Mweemba to lay a solid foundation for a successful future by excelling in their studies. Mweemba, who launched his book at the school on Monday 31 May, encouraged learners to listen to their teachers and work towards achieving their career objectives. The launch of his book, which focuses on

unlocking the potential of young students by instilling a success-driven mentality, was sponsored by IBR Holdings and MOKK Engineering Projects through their Dream Drive initiative. "Successful people do not drive cars; they drive dreams. Cars are a product of their dreams and a means to achieve their goals," Mweemba said. "The driver's licence for dreams is education. It does not expire and needs no renewal.

Drive your dream with education and you will drive your dream car. Education is the midwife that delivers dreams. You can dream dreams and have an archive of dreams but without education your dreams may only be good for your memory."

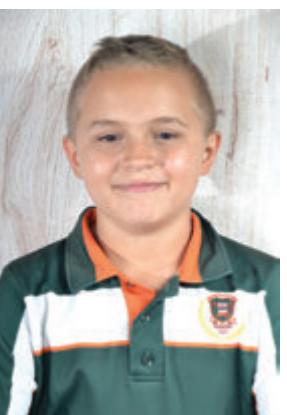

Learners present during the launch were given an unexpected but pleasant surprise when they were each handed a copy of his motivational book.

### 1 JOHN 4:7-12

<sup>7</sup>Dear friends, let us love one another, for love comes from God. Everyone who loves has been born of God and knows God.

<sup>8</sup>Whoever does not love does not know God, because God is love. <sup>9</sup>This is how God showed his love among us: He sent his one and only Son into the world that we might live through him. <sup>10</sup>This is love not that we loved God, but that he loved us and sent his Son as an atoning sacrifice for our sins.

<sup>11</sup>Dear friends, since God so loved us, we also ought to love one another.

## Rainbow Cup SA

### Bulls vs Stormers

In 'n dramatiese, maar klipharde noord-suid derby, slaag die Bulle daarin om die Stormers 31-27 te klop. 'n Drie deur die lenige jong slot Ruan Nortjé in die 83ste minuut het die Kapenaars se moed gebreek. Die Bulle het dit vir hulself moeilik gemaak ou grote... Want waar sien jy 'n span wat sowat 80% gebiedsvoordeel en 75% balbesit het – en nie kan afrond nie? My hemel man!

Die Stormers het 220 duikslae gemaak teenoor die 100 van die Bulle. En dan het die Stormers ook nog twee geelkaarte gekry. Marcell Coetzee het 'n droom buiging gemaak vir die Bulle en druk ook sy eerste drie in die ligblou jersey.

Die Bulle moet aanstaande Saterdag die Sharks in Durban klop om teen die oorsese PRO14 wenner in Italië op 19 Junie te kan gaan speel.

### Lions vs Sharks

In Jo'burg klop die Sharks die Lions welverdiend met 33-21. Die Haaie het baie beter ruggas opgedis. Dalk is hulle die span wat SA sal verteenwoordig in die PRO14 teen Italië?

Coach Sean Everitt het 'n paar wille kaarte op die tafel gegooi vir die game maar hy het goed daarin geslaag. Die terugkeer van die Springbok vleuel Makazole Mapimpi was die hoogtepunt van die dag. Genade ou grote... hierdie yster is nóg beter as twee jaar gelede! Mapimpi was skitterend op die aanval en het die Leeus se verdediging telkemale oopgeruk. Hy het ook 'n skitter drie loop druk.

So die bal is nou in die Haaie se vinne... nou moet hulle die Bulle in Durban met 'n bonuspunt klop om die SA-span te wees in die groot finaal op 19 Junie.

#### Wedstryd bepalings 12 Junie

- Stormers 16:00 Lions
- Sharks 18:15 Bulls

## HIER KOM DIE BOKKE!

Die nasie het 18:30 Saterdagaand voor die kassie saamgekom om die aankondiging van die Bok Groep vir die twee toetse teen Georgia te bespiegel... en natuurlik die drie toetse teen die Britse en Ierse Leeus wat eersdaags in die land sal aanland.

Vir baie jong leesers gaan dit dalk moeilik wees om te verstaan, want vir 'n geharde rugbyspeler is dit 'n groter eer om teen die Leeus te speel as in 'n Wêreldbeker. Want die gebeurtenis vind ook net elke twaalf jaar plaas tussen die twee spanne.

Nou kom ons by die spelers wat gekies is... en dis natuurlik die hoofgeregt langs die braavure in die koue. Daar sal altyd een of drie spelers gekies word wat nie daar moes wees nie, en dalk 'n yster of twee wat moes opdaag maar nie geroep is nie.

Rassie en die nuwe coach Jacques Nienaber en hul trawante het vir die afgelope 18 maande hul troepe gemonitor en het besluit om 46 ouens te kies. 'n Mengsel van ervaring en jeug.

François Steyn se insluiting is vir die rekordboeke. Hy sal die eerste speler ooit wees wat in twee Wêreldbekers

deelgeneem en gewen het! Dit sal dan ook sy tweede keer wees wat hy teen die Leeus uitdraf. 'n Merkwaardige prestasie vir Frans.

Morné Steyn gaan ook sy tweede kans kry en die veteraan het in 2009 vir John Smit en sy maats die wen strafdoel aangeteken om die reeks 2-1 te kon wen.

Daar is nege nuwelinge in die span met spelers soos Jasper Wiese en Joseph Dweba wat goeie ruggas oorsee speel. Die Du Preez tweeling is ook in. Marcell Coetzee kan dalk 'n kans kry as Duane Vermeulen (wat 'n enkelbesering Saterdag opgedoen het) nie betyds fiks sal wees nie.

Die SA "A" span sal jong spelers die geleentheid gee om die diepte in SA ruggas te bepaal.

Die Britse Leeus se eerste game is teen die Leeus op 3 Julie op Ellis Park om 18:00. Dit is wonderlik om weer na twintig lang maande weer die groen en goud in aksie te sien... kry die biltong reg maats, hier kom die Leeus!

Nag ou groene...

## Super rugby Trans Tasman

Die NZ en Aussie geveg is ook amper verby in die 2021 Super reeks. Die Kiwi spanne oorheers nog, maar hoe later hoe kwarter... Maar ongelukkig is dit bietjie *late my mate*. Die Brumbies het die Hurricanes verras die afgelope naweek. Die game tussen die Highlanders en die Waratahs was een van die beste games vanjaar. Maar ongelukkig sal daar seker net Kiwi spanne in die finaal teen mekaar te staan kom met die Blues en die Crusaders as die gunstelinge.

### Uitslae:

- » Crusaders 29 - 21 Western Force
- » Queensland Reds 24 - 31 Blues
- » Highlanders 59 - 23 NSW Waratahs
- » Brumbies 12 - 10
- » Chiefs 36 - 26 Rebels

### Bepalings:

- » Vrydag 11 Junie
- » 09:05 - Hurricanes - Queensland Reds
- » 11:45 Brumbies - Highlanders
- » Saterdag 12 Junie
- » 06:35 - Rebels - Crusaders
- » 09:05 - Blues - Western Force
- » 11:45 - NSW Waratahs - Chiefs

## Sponsorship boost for Impala

**Rustenburg** – Seven new sponsors that have come on board to support Impala Rugby Club's 2021 season gave the Rustenburg-based team a massive boost. The team's new sponsors have supplied the team with kits such as tracksuits, warm-up shirts, socks, shorts, jerseys and much more. The club is grateful to Joe Engelbrecht, Johan Uys, Wynand Burger, Bertus Venter, Andries Joubert, Jannie Heevers, and JR Smith who have stepped in as sponsors to ensure that one of Rustenburg's most recognisable teams continue to fulfil its fixtures. During the unveiling of the sponsorship – which was held on Thursday 3 June at the club in Rustenburg – coaches Joel Scherman, Sydney Venter, Justin St Jerry, and the team management expressed their gratitude to the sponsors.

"We are very happy with the sponsorship," Burger, who is also the chairman of the club, told *Platinum Weekly*. "When the players get onto the field, dressed well and in the same gear, they all feel more confident as a team and it boosts their performance on the field."
