## Cousin killed in failed political hit

Boitekong/ Rustenburg – According to a member of his family, the senseless murder of Vukile Gunguthwa on Friday 22 October, was actually a failed attempt to kill his cousin, ANC ward 41 councillor Zenzele Xhinela. Xhinela's family are now living in fear, as this is apparently the second failed attempt on his life. Three men shot and killed Vukile Gunguthwa, who – moments before his death – was travelling in a vehicle belonging to his cousin, ANC ward 41 councillor Zenzele Xhinela. Xhinela is running for re-election in the November 1 elections and the murder is believed to be politically motivated.

Police spokesperson lieutenant colonel Amanda Funani confirmed that the 36-year-old Gunguthwa, who used Xhinela's white Ford Ranger and visited his friend in Seraleng, was shot and killed while walking towards his friend's house. It looks as if the vehicle the victim was driving, was hijacked by the killers, just to get away from the scene of the crime. "The victim was certified dead at the scene by paramedics and the Ford Ranger was found abandoned about 1,5 km away from the scene, shortly after," Funani says. Onke Xhinela, Zenzele's brother, told *Platinum Weekly* that his family are convinced the bullets in Gunguthwa's body were meant for Zenzele Xhinela.

"We know that the attack was not directed at Gunguthwa," Onke said. "We know because this is the second time that someone has tried to kill my brother. We are afraid not only for my brother but for the rest of our family living in Rustenburg," he said.

ANC's spokesperson for the North West Kenny Morolong described the death of Gunguthwa, who was known as an ardent party follower, as unfortunate. He said:

"At this stage, we don't want to speculate about the motives of the murder. Let us allow the police to investigate the case to its finality. I would like to urge our supporters to remain calm during this time."

Police are investigating a case of murder, hijacking and armed robbery. They are asking community members with information that would help them to track down the three men implicated in the case, to come forward. **Anyone with information that may lead to the arrest of the suspects is requested to contact the investigating officer lieutenant colonel Lazarus Mokgatle on 060 987 8626 or SAPS Crime Stop number 08600 10111.**

## ESKOM TARGETED

Rustenburg – On Wednesday 27 October, heavily armed intruders at Eskom on the N4 towards Swartruggens (just past the first turnoff to Koster) took to the mountain towards Rietvlei after backup summoned by Eskom's security arrived on the scene. This is the second failed incident in one month. During the previous attack at the same premises of Eskom on Friday 8 October, a security guard was killed, and another was seriously injured. On Monday 11 October, the corpse of what is believed to be one of the attackers was discovered close to Eskom's gate.

## Rhino poaching trio locked up

**Mogwase** – Three Mozambican nationals will spend at least 35 years behind bars after the Mogwase Regional Court convicted them on several charges related to rhino poaching.

On Wednesday 20 October, Arlindo Muhlanga, Adam Hlongwane and Gamula Chauke – who were arrested in 2018 as they tried to leave the Pilanesberg Game Reserve in a white Ford bakkie loaded with stolen rhino horns valued at R1.5 million – were handed the hefty sentences.

The trio were found guilty on three counts of killing three female rhinos, the possession of a prohibited firearm, possession of ammunition, possession of six rhino horns, chopping six rhino horns from three rhino carcasses intentionally, unlawfully conveying six rhino horns, theft of three rhino horns, as well as entering the game reserve without written permission.

Although the court sentenced them to a cumulative 85-year jail term, it also ruled that some of the sentences run concurrently.

## TRUCK DRIVER MURDERED IN MOGWASE

**Mogwase** – Four suspects implicated in the murder of a 52-year-old truck driver appeared before the Mogwase Magistrates' Court on Monday 25 October. Thabang Kgama, Tlhalefang Motlali and Tebego Mosito were charged with murder. The trio together with the fourth suspect, Lesitisa Macamo, were also charged for being in possession of an unlicensed firearm

and ammunition. They were all remanded in custody until their next court appearance on Thursday 4 November.

Police spokesperson brigadier Sabata Mokgwabone said the four allegedly shot and killed the truck driver on Friday 22 October while he was delivering bread to a tuck shop in unit 8, Mogwase.

"The truck driver was seated inside the truck,

waiting for his crew to offload the bread, when four suspects appeared and shot him. He died on the scene," Mokgwabone said. All four men were arrested on 24 October at around 02:00 after police raided a house in Mogwase. "One of the suspects escaped. An unlicensed 9mm pistol and 12 rounds of ammunition were recovered by police inside the house."

Anyone with information about the whereabouts of the fifth suspect is requested to contact the investigating officer, captain Lesego Mosimane on 082 416 3083 or Crime Stop: 08600 10111.

## Kgosi Ramono Pilane Linchwe's property torched

**Moruleng** – Kgosi Ramono Linchwe of Bakgatla-Ba-Kgafela in Moruleng's property was torched on 23 October.

According to a press statement issued by the Office of the Premier, an unknown group of people fought with and overpowered security at the gate, entered the homestead and torched the property.

The press statement reads: 'We call upon the community of Moruleng and all the areas under Bakgatla-Ba-Kgafela Administration to work with government to restore calm in the area and assist the police to apprehend those responsible for this unfortunate incident. Those who are against peace should not be allowed to succeed. Much progress has been registered since we took over the administration of Bakgatla-Ba-Kgafela following the findings of the commission of inquiry commissioned by the Premier.'

## Stepping into the past? "I did not join the SAPS to approve apartheid"

**Rustenburg** – Questions of whether the trial of a former apartheid askari implicated in the 'Cosas Four' case could dent efforts towards reconciliation and moving away from South Africa's dark past have ignited debate within the public sphere.

One of the two people fingered in the 1982 bombing of four Cosas students at a mine dump in Krugersdorp – Tlhomedi Mfalapitsa – appeared briefly in the High Court in Johannesburg on Monday 25 October.

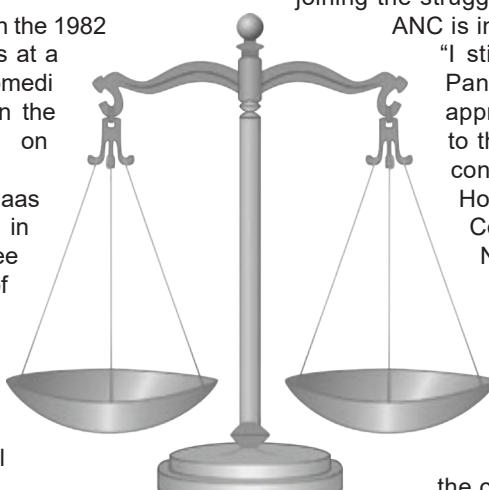

Mfalapitsa, a former Vlakplaas policeman, who lives in Rustenburg, is facing three counts of murder and one of attempted murder for his role in the killings.

The case was postponed so that Christian Rorich, who ignited the bomb that killed the victims, should stand trial alongside Mfalapitsa.

In an interview with ENCA on the eve of his court appearance Mfalapitsa, who also stood before the Truth and Reconciliation Commission (TRC) said: "I did not join the SAPS to approve apartheid. I regret joining the struggle because of the state that the ANC is in now."

"I still blame the ANC's betrayal of Pan Africanism. When the Hawks approached me in this case, I said to them... I am ready to accept the consequences of this problem."

However, ANC National Executive Committee (NEC) member Nomvula Mokonyane has pointed out that Mfalapitsa should stop blaming the liberation movement for his decision to be involved in the bombing of the Cosas Four and that the courts must be allowed to decide on the case.

# More than a week without water...

**Rustenburg** – Many parts of the Rustenburg Central Business District (CBD) and Bo-Dorp were left without water for more than a week while the municipality was carrying out repairs to damaged and old infrastructure.

From Tuesday 19 October to 27 October, residents and ratepayers along many parts of President Thabo Mbeki Drive were left without water after the Rustenburg Local Municipality (RLM) turned off supply in the area to replace old water pipes. The repairs also resulted in intermittent water supply in parts of Heystek and Joubert Streets.

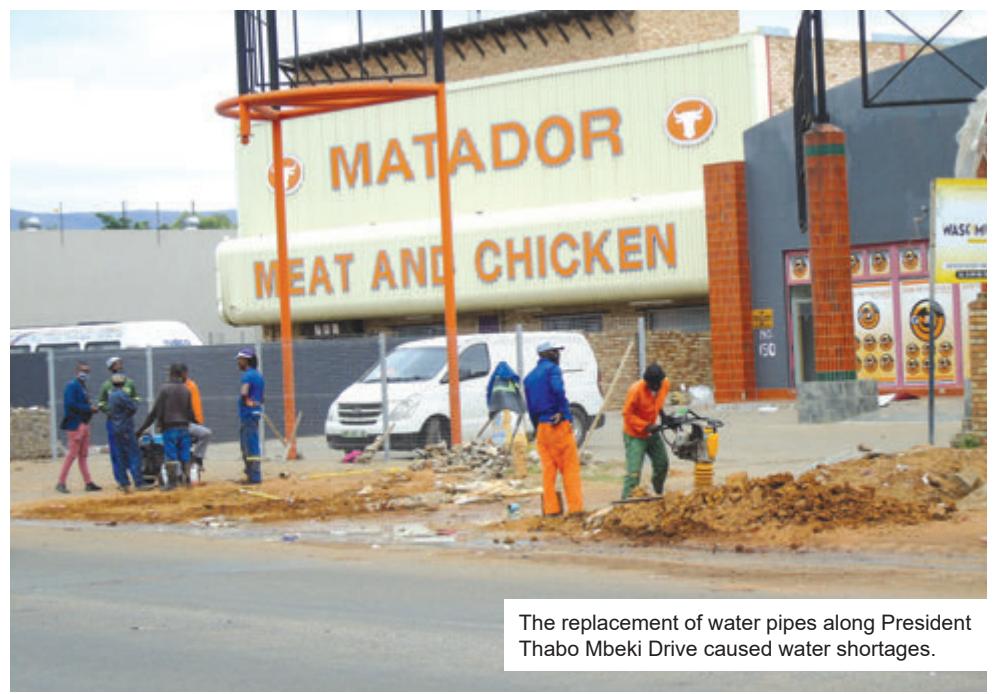

After persistent requests by Democratic Alliance (DA) ward 14 councillor Gert du Plessis for the company contracted by the municipality to complete their repairs with as little inconvenience as possible to residents, water supplies were eventually restored after nine days.

"I eventually got hold of the acting unit manager for the water unit and emphasised the frustrations of the residents. I also forwarded their messages of frustrations to

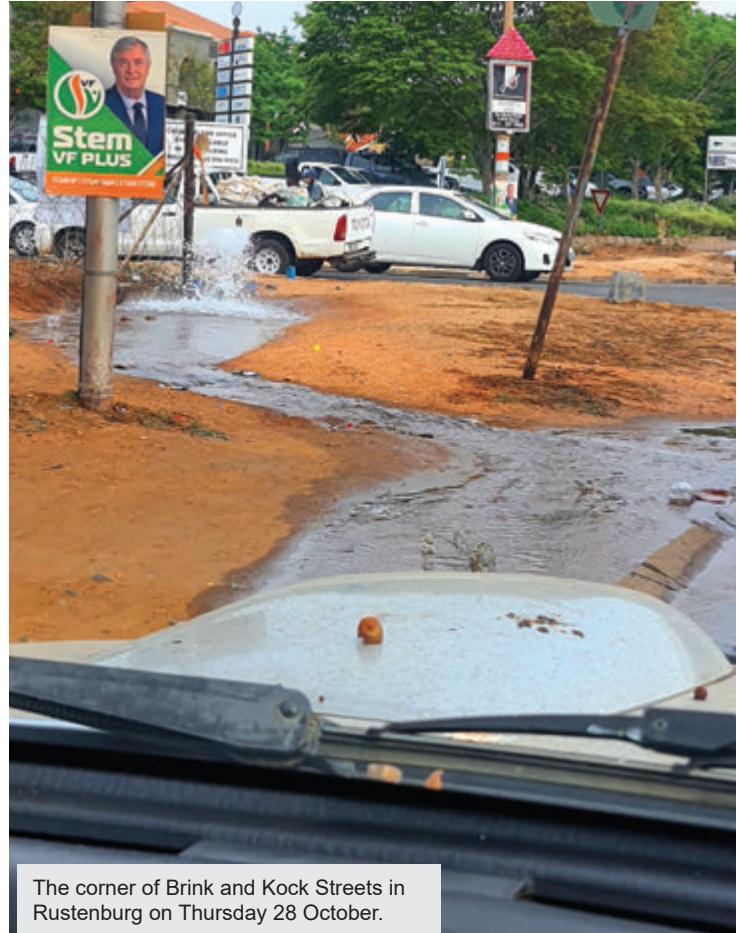

him. He then agreed to visit some addresses in person and first went to No 176A President Mbeki Drive as well as number 229 and number 231 of the same street," du Plessis said.

Installation of some of the new water pipes was in progress during a visit by *Platinum Weekly* to one of the sites on 27 October.

RLM spokesperson Thapelo Matebesi said the escalation of sporadic water supply interruptions in various areas were a result of unforeseen and random pipe bursts on bulk lines. "Upon investigation on causes by our maintenance teams, it is often found to be due to theft or meters and valves closed improperly by unknown persons. In this regard, our teams are compelled to excavate damaged pipes and implement shutdowns whilst repairs are ongoing, as well as to try to raise water levels on reservoirs. The municipality sincerely regrets this inconvenience, as our teams continue to work around the clock to minimise these water supply interruptions in future," he added.

The replacement of water pipes along President Thabo Mbeki Drive caused water shortages.

The corner of Brink and Kock Streets in Rustenburg on Thursday 28 October.

## Save water by reporting leaks

**Rustenburg** – Are you tired of intermittent water supplies as a result of burst water pipes or old and malfunctioning infrastructure? As an affected community member, you have both the right and power to approach your municipality and make them aware of the challenges you may be facing with regards to any service delivery issue.

In many instances, significant amounts of treated water are lost when residents fail to report such faults and anomalies to their respective municipalities.

Dawie Conradie of ward 36 in Rustenburg encouraged residents to actively participate on WhatsApp groups that are able to bring about positive service delivery changes to their communities.

Those who want to be added to our service delivery groups for Rustenburg can follow this link: <http://chat.whatsapp.com/CoaLAp7X0ApIDTQ9BVNaOR> and when they join the group we need a name, surname, telephone number as well as an address to add the person.

"We must save water by reporting leaks," Conradie, a ward councillor candidate for local government elections on Monday 1 November, said.

## Back in court

**Koster/ Swartruggens** – Being fed up with bad service delivery, Koster and Swartruggens residents approached the courts at the end of 2020. The court eventually granted them the power to take over the management of the Kgetlengrivier Local Municipality's (KLM) water services on Thursday 7 January. In an attempt to make sure that those who failed the residents are being held accountable, KLM's municipal manager was ordered to file a report at court within the set time frame or else find himself imprisoned for 90 days. Before long, they were back in court and after a back-and-forth, the water services were handed back to KLM on 18 March.

A lot has happened since then and poor service delivery is back to normal under the court granted management of KLM. The parties will be heading back to court on 12 November for the municipal manager's leave to appeal with advocate Gerrie Nel in the residents' corner driving the matter.

Water systems being cleaned, while community residents were in control of the water services.

# YOUR LAZINESS CAN KILL SOMEONE!

[Letter to the editor]

**Rustenburg** – Last week I was tasked to collect a family member at a local hospital and was shocked to find people's blatant disregard for parking signs.

This hospital is always busy and finding parking is always a challenge. As a visitor, it is a bit of an inconvenience – but for ambulances not being able to find a parking spot can be a matter of life or death. For that reason, parking areas have been demarcated specifically for ambulances.

While I was looking for a parking an ambulance came in. Mr 'I'm too lazy to walk a few extra steps' stopped in the parking area for ambulances. The driver of the ambulance was forced to find another spot, much further down the line.

Those two minutes that the ambulance could have spared by stopping in the designated area, could be the two minutes needed to save a life. The two minutes that they had to walk back to the ambulance could have been used to get to their next emergency two minutes earlier. **They will tell you that when they are fighting for your life, every second counts.**

How would you feel if paramedics missed saving a loved one by seconds just because you weren't in the mood to find alternative parking?

**Mrs Alternative Parking**

## RUSTENBURG

# Maemo Motors gives back to the community

## Playing it forward with a golf day

Maemo Motors Commercial Vehicles and Maemo Motors Passenger Vehicles joined forces to host their Inaugural Maemo Motors Charity Golf Day on Friday 8 October.

Held at the Mooinooi Golf Club, which was generously provided at no cost, the goal of the day was to raise funds for our local charities and non-profit organisations (NPOs).

The generosity did not stop there. Sponsors and donations came flooding in from near and far making the day, which was enjoyed by all, an enormous success. We were able to donate a total of R68,190 to eight different charities and NPOs that give so much to our community.

"We would like to give a special thanks to SafetyGrip, Cemblocks, Dew Plant Hire, Provest, Hyundai, Henwil Chickens and BP Boshfontein for sponsoring the prizes which were generously forfeited by the winners and donated to the charities and NPOs," said Maemo Motors Rustenburg dealer principal Byron Stephenson.

The Charities and NPOs which were unanimously selected are: Thabang Children's Home, Care 2b Kind Rustenburg, Harties Animal Welfare Society (HAWS), Bessie Mpelegele Ngwana Day Care, Food Forward Rustenburg, Rustenburg Society for the Prevention of Cruelty to Animals (SPCA), Lighthouse Children's Home and Hospice Rustenburg.

Maemo Motors Rustenburg dealer principal Wolf Edmayr added: "Maemo Motors would like to thank everyone who attended and participated in this magical day, and we look forward to hosting an even bigger Charity Golf Day next year."

## Sharpen your pencils for the Maths Olympiad

Tunisi Programme hosted their Annual Math Olympiad on Saturday 16 October. They make math fun by teaching youngsters in Bafokeng and Rustenburg how to simplify complex calculations.

Maemo Motors Jeep and Mitsubishi sales manager Odirile Molokwane said: "Giving back to the community is something we are very passionate about. This is a great platform where children can do what they love and in this case, it's maths – and we encourage that." Maemo Motors sponsored a seven-seater for the week that was utilised to transport the youngsters.

Mathematics play a key role in the growth of our country's economy. Not all Math talented individuals come from cities and suburbs, but from rural communities and they need to be developed.

Maemo Motors Rustenburg and the Tunisi Programme understand the importance of developing these youngsters mathematical skills with various programmes – the Math Olympiad being one of them.

Bruce Ndamase loves maths and had great fun participating in the Math Olympiad.

Various schools participated in the Tunisi Programme's Math Olympiad.

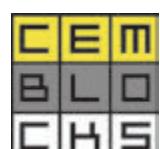

Maemo Motors Jeep and Mitsubishi sales manager Odirile Molokwane showed his support for the great initiative to promote a love of mathematics.

"Children should be encouraged to do what they love, and this is a great platform where they can practice their passion."

# Showing care with cookies

Rustenburg – Rustenburg Child and Family Care has embarked on a delicious project to treat not only the children in their care, but the also the residents of Rustenburg Rusoord. They plan to have the youngsters bake cookies and decorate tins to hand over to the elderly. It has been a particularly difficult year for the organisation as they lost their beloved chairman Dr. Sheehan Grant. Dr. Grant was not only the chairman of the Rustenburg Child and Family Care team, but also the vice-chairman of Rustenburg Rusoord. His death was a big loss to the community and his love for children, the elderly and cookies has been the driving force behind this project. "Grandpa Grant" as he was known among the children treated each one like his own grandchild with love,

acceptance and respect.

Rustenburg Child and Family Care's foster home currently houses 34 children. The number of children varies depending on whether children are placed out or admitted in their care.

To make this project a success, they will need tins (the tins that baby formula comes in is ideal). They will also need donations of the ingredients like flour, eggs, baking powder, Maizena, sugar, oats, syrup, coconut, apricot jam and mixed spices for the cookies.

They plan to start baking in November and hand out the tins of cookies to the elderly in early December.

If you would like to help them to make this dream a reality contact Rustenburg Child and Family Care social worker Louise van Zyl on 071 896 6274.

## South Africa: Thousands of murderers and rapists released on parole without DNA samples taken

SA – Minister Ronald Lamola recently confirmed that 96,875 prisoners, jailed for Schedule 8 offences, have been released since 2016 without a DNA sample being taken or recorded on the National Forensic DNA Database.

This is due to Minister of Police, Bheki Cele dragging his feet and neglecting to bring the Convicted Offender Amendment Bill (CO Bill) to Parliament. Murder, rape, human trafficking and sexual offences against children are all schedule 8 offences. Those released are the most violent criminals in our society. Research reveals the likelihood of these violent criminals committing another murder or rape is extremely high.

By not signing the Convicted Offenders Amendment Bill and enforcing its implementation, our government has failed in their constitutional duty to South African citizens. Therefore, Action Society with the support of DearSA, has written a letter of demand to the President, the Minister of Correctional Services and the Minister of Police, to demand the immediate implementation of the CO Bill.

Tax-paying, law abiding citizens can no longer stand by while government fails to protect the most vulnerable groups of our society and threaten our safety.

Please pledge your support – demand the immediate implementation of the Convicted Offenders Amendment Bill by clicking the green button below, or this link: <https://dearsouthafrica.co.za/cobill/>

# Shoppers urged to protect valuables

Rustenburg – Police in Rustenburg have warned the community against taking valuable items with them when going shopping as they could fall victim to criminals targeting shoppers at malls and busy complexes.

The warning comes as we approach the festive season, which usually sees a rise in robbery incidents involving cellphones, laptops and handbags.

Rustenburg police spokesperson captain Elsabe Augoustides reminded shoppers to consider leaving their valuables at home.

"If you have to take valuables with you, rather put them inside your handbag and do not wait until you are at the shops before you put them in your boot because criminals could be watching your movements from a distance," Augoustides said. "If you must take valuables like a laptop with you, then rather place them in the boot of a car before arriving at your destination."

She also warned motorists to avoid falling victim to remote jamming by making certain the doors of their vehicles are locked before they leave their vehicle.

### PSALM 118 VERSE 1 - 15

<sup>1</sup>Oh, give thanks to the LORD, for He is good! For His mercy endures forever. <sup>2</sup>Let Israel now say, "His mercy endures forever." <sup>3</sup>Let the house of Aaron now say, "His mercy endures forever." <sup>4</sup>Let those who fear the LORD now say, "His mercy endures forever." <sup>5</sup>I called on the LORD in distress; The LORD answered me and set me in a broad place.

<sup>6</sup>The LORD is on my side; I will not fear. What can man do to me?

<sup>7</sup>The LORD is for me among those who help me; Therefore I shall see my desire on those who hate me. <sup>8</sup>It is better to trust in the LORD Than to put confidence in man. <sup>9</sup>It is better to trust in the LORD Than to put confidence in princes. <sup>10</sup>All nations surrounded me, But in the name of the LORD I will destroy them.

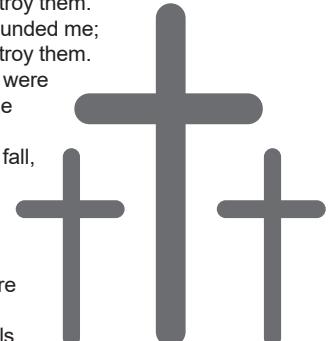

<sup>11</sup>They surrounded me, Yes, they surrounded me; But in the name of the LORD I will destroy them.

<sup>12</sup>They surrounded me like bees; They were quenched like a fire of thorns; For in the name of the LORD I will destroy them.

<sup>13</sup>You pushed me violently, that I might fall, But the LORD helped me.

<sup>14</sup>The LORD is my strength and song, And He has become my salvation.

<sup>15</sup>Then the channels of the sea were seen, The foundations of the world were uncovered At Your rebuke, O LORD, At the blast of the breath of Your nostrils.

NEW KING JAMES VERSION (NKJV)

# A round of golf for a good cause

**Rustenburg** – Spes Bona is a non-profit organisation with a residential facility that provides safe, quality accommodation to persons with disabilities.

Spes Bona is a safe haven – as the residents – due to personal, social, health or other reasons, have no other place to live.

They currently care for 65 patients and provide daily necessities – an expensive process. Essential items like nappies can cost about R10,000 a month.

And with most of the patients only receiving a grant with no medical aid... securing funds is a daunting task.

The facility is also in need of serious maintenance but with no funds to spare, this project has to take the back seat.

**To raise funds, Spes Bona will host a golf day at the Rustenburg Golf Club on Friday 12 November.**

It will be a fourball alliance two score to count. A fourball entry is R3,200 and includes a goodie bag, registration, Build-a-Burger and cold drink. There will also be platters served

during the prize giving – with lots of prizes to be won. If you're not one to swing the club, donate prizes, donate money or participate – every cent helps!

**For more information regarding bookings or to sponsor a hole contact Elba Muller on 082 813 7455 or Harry Boersma on 076 582 0525. Donators and sponsors can contact Flippie Fourie on 082 930 0446 or spesbona11x6@gmail.com.** A section 18A certificate can also be issued if required.

## MAKING DANCING DREAMS A REALITY

**Rustenburg** – Every second year, Lynx School of Dance and Art 2 Zenga Pole Fitness host a performance to showcase different forms of dance. This year's performance will take place on Saturday 13 November at the Rustenburg Civic Centre's auditorium and will also be featuring dancers from Just2Move.

With a show themed 'Wonderland' featuring dance styles from modern dancing, pole fitness and so much more... it promises to be a night to remember!

However, putting on a show of this calibre is not easy. To make this night a reality, they need donations and sponsors for the event. By donating towards 'Wonderland', you will

help to give a purpose to all the children and people that will be part of this show. Especially after this long lockdown – we all need a little bit of excitement and something to look forward to.

In appreciation of the donations, you will receive a free digital advertisement before, during and after the show. A DVD will also be available, where your company advert will appear.

**For more information or to book your tickets contact Art 2 Zenga Pole Fitness's Amanda van der Merwe on 084 602 7039 or Lynx School of Dance's Nicoleen Gloy on 082 469 5950.**

# A GREENER FUTURE

**Rustenburg** – Kedar Lodge was a hive of activity on Saturday 23 October during a educational tree-planting initiative, hosted by Mogale Arts and Heritage Development Company in association with the Nedbank Green Team.

Learners from Lebone II College of The Royal Bafokeng and Kutwanong School for the Deaf were educated about the value of planting trees.

South Africa is home to some 2,000 indigenous tree species – quite amazing considering that, today, only 1% of our country is covered with forests. Trees are found in vastly differing landscapes and forest or woodland types, from the Knysna-Tsitsikamma forest famous for its tall yellowwoods and stinkwoods, the varied forests of KwaZulu-Natal, the northeastern region in Mpumalanga and Limpopo (where ancient cycads and fever trees occur), to the north where the baobabs tower above the shorter growth.

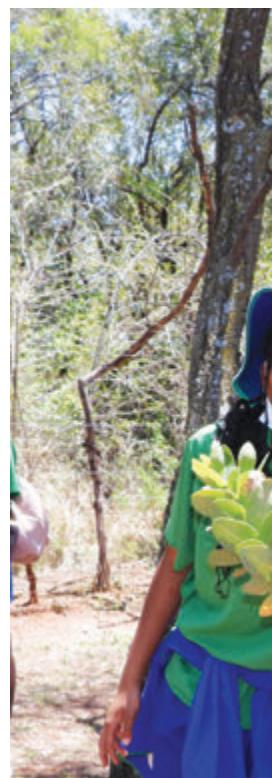

Phia le Roux and Galaletsang Tlou, both Grade 7 teachers at Lebone II College.

**Kedar Heritage Lodge, Conference Centre & Spa** has a vision to plant half a million trees in the next 20 years to solidify itself as an environmental game changer.

By looking after the diversity of plants, animals and micro-organisms in our own gardens we can contribute towards a healthier environment. Creatures such as birds, bees, butterflies and other tiny insects also benefit from the food and shelter indigenous trees provide and in turn will pollinate the plants in our gardens – helping them to keep the circle of life healthy and intact.

The learners were taught about how trees create corridors for animal movement in and out of the garden as well as how indigenous trees were the backbone of a garden by enhancing our own lives with the shade and protection from the elements.

“A well-maintained natural environment is critical for the well-being and health of our people, and extends beyond managing negative environmental impacts to proactive preservation of our communities' green spaces.”

~ Kgosi Leruo Molotlegi

## AUTUMN SERIES 2021

### USA vs All Blacks

Die All Blacks se toer na die VSA begin met 'n lekker losmaker teen die Eagles. Die Kiwi's druk sestien drieë teenoor die twee drieë van die Eagles. Die twee drieë van die Eagles is ook geskiedenis want dit is die eerste keer dat die Amerikaners 'n drie teen die Nieu-Seelanders kon druk!

Die reuse en rekord telling 104-14 het getoon dat die Eagles baie harde werk op en af van die veld benodig. Die All Blacks se volgende game is op 30 Oktober teen Wallis in Cardiff om 18:15. Die Eagles se game teen Ierland is gekanselleer.

### Japan vs Australië

Die Aussies moes baie hard werk vir hulle sege van 32-23 oor die Japanners. Die Japanse span onder aanvoering van Lappies Labuschagne het met baie karakter getoon op verdediging.

### Bepalings:

#### Saterdag 30 Oktober

- 15:30 - Skotland vs Tonga
- 18:15 - Wallis vs Nieu-Seeland
