

Rustenburg – Besides being a legal requirement for every landowner, firebreaks are an essential tool to reduce the risk of loss due to veldfires. With the plenty of rains we had, our vegetation flourished but during the winter, it increased our fuel load for a fire to spread.

The fire season is almost here, and the Greater Rustenburg Fire Protection Association (GRFPA) recommends preparing firebreaks either manually or mechanically rather than burning. This is safer and has fewer restrictions in terms of the law and time when fire breaks can be prepared.

If you have no alternative to prepare firebreaks other than open fires, the landowner/ occupant/ land user must comply with chapter 4 and 5 of the *National Veld and Forest Act 101 of 1998* and with the Fire Danger Rating as indicated on the Fire Danger Index.

As of 1 July, no burning of firebreaks, block burns, ash pits or setting the garden refuse alight without a permit issued by the FPO (Manager of Rustenburg Emergency and Disaster Management Services) will be permitted.

If you need to bend the rules, you need approval. Applications can be downloaded from the GRFPA website on www.grfpa.org. Email the form to the FPO on mramothwala@rustenburg.gov.za. Also cc your cluster manager.

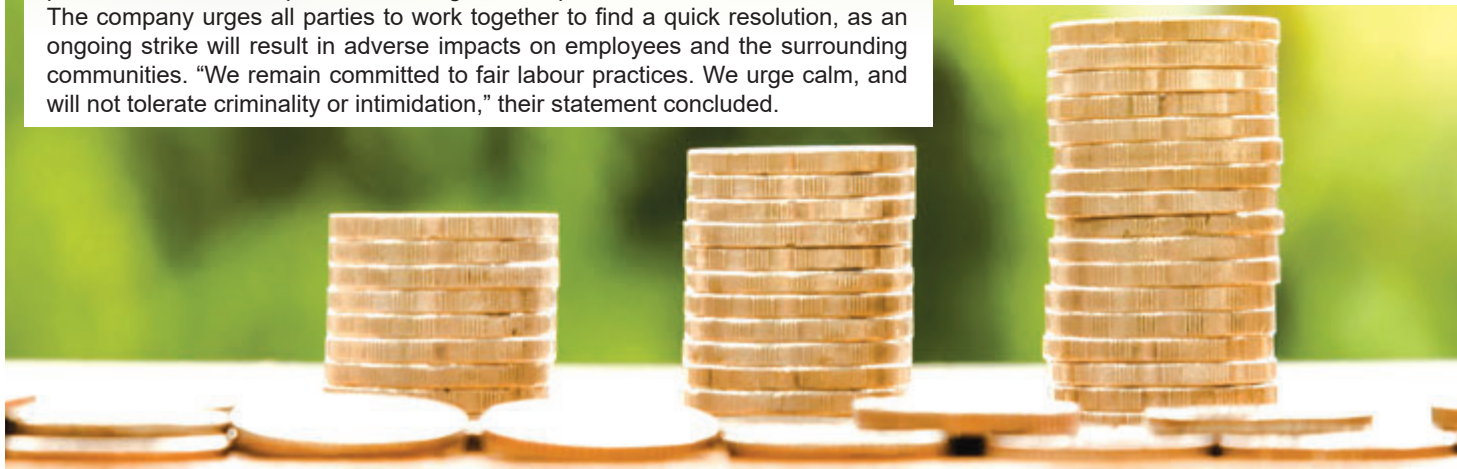

The procedures and general rules can also be found on the website.

STRIKE!

Rustenburg – The National Union of Metalworkers of South Africa (NUMSA) embarked on an indefinite strike on Monday 20 June at Impala Platinum (Implats). According to a statement issued by the union, the members are contract workers employed by Reagents Mining Group, Triple M Mining and Newrak Mining, which are all contracted to provide services to Implats.

At the root of the strike is the alleged wage discrepancies between contract employees and permanent employees. NUMSA also claimed Reagents and Triple M were ignoring a Labour Court ruling ordering them to do verifications to confirm NUMSA as the majority union. In response to the strike, Implats commented: "NUMSA initiated a strike action at Impala Rustenburg earlier this week. NUMSA claim to represent approximately 3,000 contract workers working for various contracting companies. This is out of a total workforce, including contractors, of some 45,000 people at our Impala Rustenburg operation. The impact on production at our operation is limited to two of our small, high-cost, end-of-life shafts where the contractors are mining. Production at the other nine production areas at Impala Rustenburg is not impacted."

The company urges all parties to work together to find a quick resolution, as an ongoing strike will result in adverse impacts on employees and the surrounding communities. "We remain committed to fair labour practices. We urge calm, and will not tolerate criminality or intimidation," their statement concluded.

Ready to respond!

Rustenburg – Buffelspoort Sekuriteit and Rustenburg Landelike Diens and the Rietfontein Grootfontein Kromrivier Buffelsfontein (RGKB) community conducted a farm attack drill on Sunday 12 June.

This operation was aimed at testing and tweaking the systems that are in place in case of a real farm attack in Buffelspoort and surrounding areas. During the drill, the teams established some of the operational obstacles that could delay response time. It also gave the participating community members a chance to know how to react, what to do and who to call in case of an emergency.

It was a huge success and once again showed what can be achieved if a community works together.

Teams and stakeholders pulled out all the stops to test the safety levels of this area.

COPYCAT SERIAL SCAMMER

SA – *Platinum Weekly* recently came across a scam in which one of the well-known alias' of "Mr Scammer" was used, so we set out to investigate.

As it turns out, the *modus operandi* of this scammer is very similar to that of our Mr Scammer, except that the voice analysis indicated that it is in fact not our Mr Scammer who is currently scamming people from all over South Africa, pretending to be a game farm owner in Boshof in the Free State.

This scammer is just as cunning and ruthless and has already left a trail of victims in the wildlife industry. This scammer pretends to be the owner of several hunting lodges in Boshof in the Free State. Doesn't this sound familiar?

He lures hunters with hunting packages at a rate which is much cheaper than that of other lodges in the area, but not so cheap that it looks too good to be true... only for the hunters to find that they have given their hard-earned money to a scammer, and that they are not getting anything in return except a huge disappointment and a lot of anger.

Platinum Weekly spoke to Flippie Mouton, the owner of Versailles Game and Hunting, who was misrepresented by this scammer. "I already had hunters booked for the weekend, so I was very surprised when I received a call on the Friday evening, telling me that there were two more guests outside," Mouton said. After a lengthy discussion with the unexpected guests, he realised that the hunters were scammed. They already booked and paid to hunt on his farm for that weekend. The only problem being... they responded to a social media advert of a scammer and did not book it with the actual owner of the game farm.

"I felt so bad for them. They drove all the way from Pretoria to Boshof, which is a 500km drive just to find out that they were scammed," Mouton said. Luckily, Mouton had an open space and could accommodate them for the weekend.

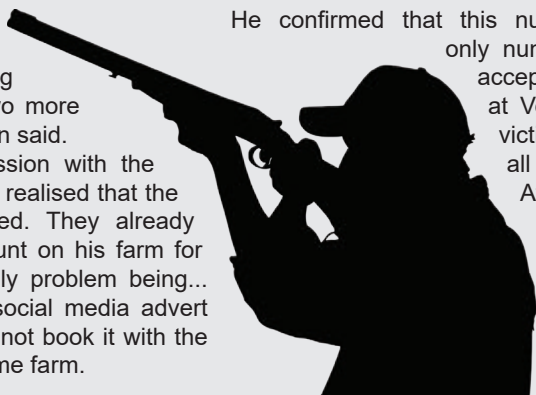

However, a few hours later [at around 22:30] four more hunters, who came all the way from East London arrived for 'a fun weekend of hunting'... just to find out they have also been victims of the same scammer. Unfortunately, Mouton was fully booked and could not accommodate them.

This scammer issues invoices and even send the hunters the locations to the actual lodges.

Scammers never stop at one victim and since hunting season is here, *Platinum Weekly* has set out to expose the scams of this copycat con artist to make hunters more aware of the scammers out there. We have already spoken to numerous victims and will share their stories in coming issues.

If you plan or have planned to book a hunting trip to Versailles Game and Hunting, Mouton advises hunters to contact the farm on 084 656 5454 to confirm if they are indeed booked at the correct place. He confirmed that this number is the

only number used to accept bookings at Versailles. The victims are from all over South Africa, so share this article with fellow hunters.

They are expected to apply for bail during their next appearance at the same court on 29 June.

They are all implicated in the theft of copper valued at R750,000. The incident occurred during the early hours of Monday 20 June. Said police spokesperson brigadier Sabata Mokgwabone: "SSG security officers in

Rustenburg spotted a silver double cab Nissan Hardbody V8 vehicle turning onto the R104 in the vicinity of the ventilation shaft near a townhouse complex. Later, a group of men ran into the veld next to the ventilation shaft while firing shots at security personnel." However, Mokgwabone confirmed that no firearm had been recovered from any of the suspects.

Investigations continue.

A WORKSHOP FOR CHAMPIONS

Cash giveaway by Absa representative Ratanang Selomane

Classic Oriental Consultancy in partnership with Living Sound Faith Tabernacle (LSFT) hosted an inspirational youth financial empowerment seminar on Thursday 16 June in Meriteng. This event was set to motivate the youth to use their God-given skills and talents to become entrepreneurs and make sound financial decisions. It also assisted attendees with career guidance specifically for the Fourth Industrial Revolution.

Influential speakers for the event included Thuba Pelo Mosadi founder and chief executive officer (CEO) Unathi Nare and His Royal Highness Kgosana Dr. Koketso Rakhudu. Presentations by Jamazizi Talent CEO Mangaliso Jamani, H&H Accountellus director Happy Mpete and Classic Oriental Consultancy CEO Thapelo Rapoo was not only informative, but aimed at setting the foundation for success. Rapoo started off with a personal story from his youth and said he became an entrepreneur from a very young age. He sold sweets to make extra money. "At that age, I decided that I was going to be successful... and here I am today to tell you that you will also succeed. You have success inside you, you just have to believe," he said. Keynote speaker, Kgosana Rakhudu quoted Napoleon Hill: "Think twice before you speak, because your words and influence will plant the seed of either success or failure in the mind of another." He urged the youth to believe in themselves and not let doubt or fear of failure stand between them and their dreams. Traditional dancers, praise and worship and poetry were on the agenda for entertainment, and truly set the stage for an event of significance. To top off the event, 130 pairs of school shoes were handed over to Meriting Secondary School.

Courier held at GUNPOINT on school grounds

The driver was locked in the canopy until a passer-by set him free.

Derby – The bakkie of a well-known national courier service was robbed of its valuable contents in Derby on Friday 10 June.

While traveling on the R30 from Rustenburg, the driver noticed that a white Nissan Almera was tailing him. He tried to shake the suspicious-looking vehicle by increasing his speed and he drove into Derby's residential area.

Looking for a place to stop, he then drove into the grounds of one of the schools and got out of the vehicle – hoping that he would be safe in a place where there are a lot of children. The robbers however were not deterred.

One of them followed the driver and pulled a gun on him.

He was forced at gunpoint to hand over the keys to his van and to return to the van where he was told to get into the back. The robbers then drove off with the stolen courier van with the driver locked inside. After driving for a short distance, they stopped to unload.

Three suspects started loading the boxes which were filled with cellphones, into the Almera which was parked behind the courier truck. They then locked the driver inside and fled the scene.

A passer-by heard banging from inside the truck and freed the driver. The Derby Buurtweg responded and secured the scene until police arrived. SAPS are investigating the matter.

Staan Saam needs a new home

Rustenburg – Staam Saam Rustenburg (SSR) assists approximately 150 families with food parcels every month. In order to do this, they rely on the generosity of our community. The famous Staam Saam Huis has always been busy with a constant flow of people that need help. Unfortunately, the SSR team had to move out and are now looking for a new house where they can set up and assist. Although they currently have a place where everything can be stored, they need a place where people can come and collect goodies. With the recent increase in fuel prices, picking up and delivering items has also put additional financial strain and a permanent solution needs to be found urgently. If you know of any properties, that have at least two bedrooms and is child friendly for R5,000 a month, please reach out to them. They will only be at the premises from 09:00 in the morning to 13:00.

While they are looking for a new premises, the community still needs help. Winter is here and the need for blankets and warm clothes is increasing so any donations of these items are welcomed. Food donations will also go a long way to assist hungry families. If you have any white elephants standing around, you can also donate it towards SSR as these items are sold on their auctions to raise money for the rent and food.

For more information contact Juanita Pasino Louw on 083 444 6391 or Cathy Swanepoel on 065 534 7996.

FAMILY DAY FOR THE COMMUNITY OF MERITING

Rustenburg/ Meriting – The members of the Tsogang Civic Movement in Meriting, Duncan Williamson and Segopotso Mosepele, have successfully organised a Family Day outdoor event for the community of Meriting Ward 41 extension 2. The event was held on 18 April with the aim to increase the community's care, love and respect for the elderly. The organizers said: "We want to let the elderly know that they are not forgotten and disrespected, we make them feel part of us, adore and care for them. Respect and make them appreciated, acknowledge them while they are still alive, and want to do more to stop their loneliness". Attendance was honoured by Prophet Bishop April Sello of the Sebetso Trading, Pastor Andrew Mayaphola, Mlongise NDK Trading and Projects, and The Hands that Give, who are also part and parcel of serving the Meriting community.

Local businesses volunteered with food packs to cater to the members attending. A big thanks to Boitekong Fish and Chips and Phomolong Traven in Meriting.

Segopotso Mosepele, chairperson of Tsogang Employment Desk

Legends, Thinus and Elza, retire

Rustenburg – Someone that achieves and accomplishes impossible and amazing things on a daily basis can only be described as a legend. A fitting term for the much-loved couple, Thinus and Elza Ferreira, who has blessed our Rustenburg community for the past twenty-six years with their community work, charity outreaches, wisdom and undying love for their fellow man. The couple played an important role in a project to set up the community garden in their neighbourhood. They were always ready and willing to assist in any clean-up project and they were part of the organisers of the Timbati Veld Market, aimed at bettering their community. With sadness, we learned that they are finally retiring and moving to Langebaan in the Western Cape.

Democratic Alliance ward 17 councillor Tanya Rothman shared a special message: They will be somewhere new, navigating their way through this change and all that comes with it. While we will still be here moving forward like things always have. There will be birthdays, dinners and community gatherings that they will have to miss, and it makes our hearts clench with sadness, but then we remember the adventures they will be embarking on. Nothing in their new world will be the same as it is here. Everywhere they go, they are going to inspire people to be better because they are there. There is someone there who doesn't know it, but they need them in the same way that we did. Someone to have coffee with, talk about things that don't really matter to anyone else but you, needs to hear their laugh because it will put a smile on their face, to guide and be their friend. In this day and age with Twitter, Snapchat, and WhatsApp, we will never be out of touch, but even with all of this wonderful technology, it won't be the same. They will be missed terribly, and we might secretly wish that they would move back, but they should know that there will always be a place for them here. It is not only their footprints that they are leaving us with, but a legacy of neighbourly love, kindness and the pinnacle of community activism.

Glencore's Boshhoek Smelter celebrates 20 years of pioneering smelting innovation in South Africa

Delivering tangible benefits to the Boshhoek community, its shareholders, and partners, Boshhoek Smelter, a sub-division of one of the world's largest globally diversified natural resources companies, Glencore Merafe Chrome Venture, is celebrating 20 years of success. Established in June 2001, Boshhoek Smelter has become one of Glencore's pioneering smelting companies in South Africa.

The strategy at Boshhoek Smelter is to develop and refine ethically sourced chromite assets within South Africa, aligning with the vision of becoming the innovative benchmark in ferrochrome smelting in the country. The company's board and management teams are a diverse group of experienced smelting-builders, smelting-operators, financiers, and company-makers; positioning Boshhoek Smelter to be at the forefront of the varying ferrochrome smelting technological advancements over the years.

"It is incredible to be celebrating Boshhoek Smelter's 20th anniversary; it is through the employees' commitment and innovative thinking that Boshhoek Smelter is a shining example in the industry and will continue to be an important contributor to smelting in

South Africa," said Amanda Magro, Chief Operating Officer of Glencore Ferroalloys.

Boshhoek Smelter has not only been a huge financial success for the Glencore Merafe Chrome Venture over the years, but it has also been celebrated for using its growth and success to create meaningful change in Boshhoek and its neighbouring Macharora communities. With countless non-profit initiatives that have tackled head-on the issues of unemployment, education resources, water crisis in the area as well health and safety, Boshhoek Smelter has ensured that it creates progress together that will continue to benefit its communities for many years to come.

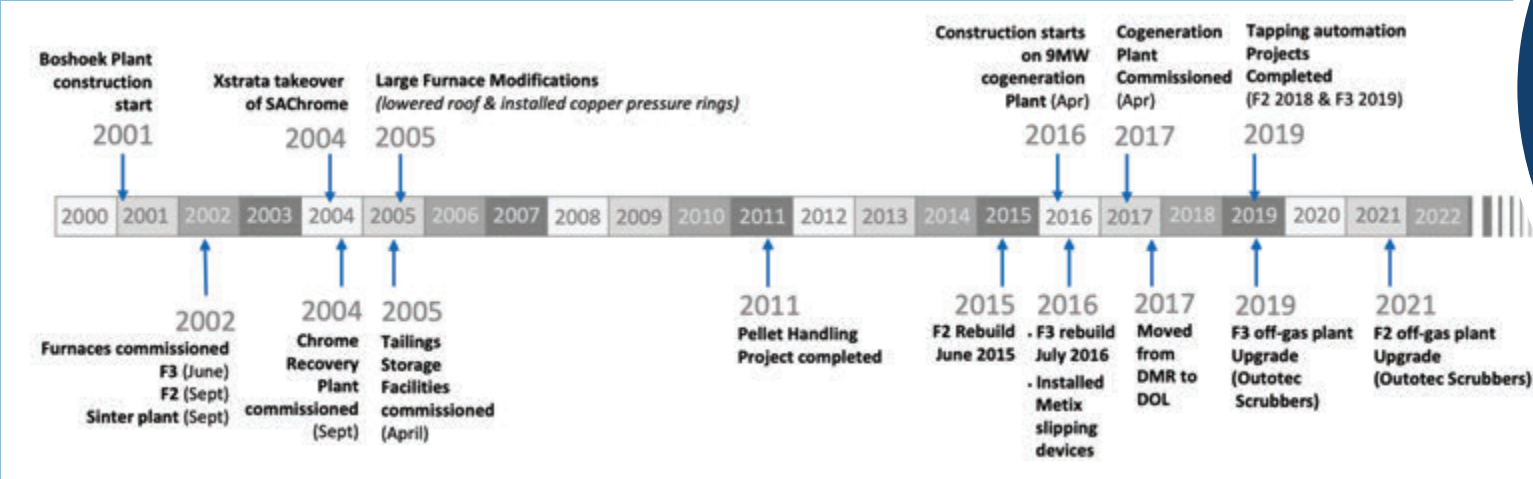

"Today's celebration marks an important milestone for Merafe, as this is where our journey in the chrome space began. The smelter has played an important role in the growth and partnership we have with Glencore, and we are extremely proud of this achievement and wish Boshhoek twenty more years and beyond," said Zanele Matlala, the CEO of Merafe Resources, who was one of the dignitaries attending the celebration.

A day for the photobooks! Glencore Boshhoek Smelter's first tap in 2002!

The 20-year celebration of Boshhoek's existence marks the beginning of great upcoming growth, continued progress together, and more fruitful partnerships with the town of Boshhoek and its neighbouring communities.

Boshhoek Smelter's history

20 years of progress together

Through collaborations with the town of Boshhoek and surrounding Macharora communities, Boshhoek Smelter has successfully launched programmes and initiatives that directly respond to the socio-economic challenges faced by community members. Some of its initiatives are as below:

Grade R Centre at Boshhoek Primary

Boshhoek Smelter is committed to making education a priority in its communities by creating safe and conducive learning environments to help each learner thrive. On 9 February 2022, Boshhoek Smelter was at the Boshhoek Primary school to mark the beginning of construction of a new building with four classrooms, a storeroom, a kitchen, and ablution facilities for Grade R learners.

The Computer Lab at Charora High School

On 19 October 2019 Boshhoek Smelter launched a Maths and Science Tutoring Programme to help Charora High School learners advance their studies. This initiative was soon followed by the donation of 60 computers by Boshhoek Smelter to Charora High School for learners to gain the required computer skills to enhance their education.

The GreenSource water system soccer pitch

In 2018 Boshhoek Smelter, partnered with GreenSource, the Dutch Ministry of Foreign Affairs and local government, to build a combined synthetic turf and water storage and filtration system. Not only does the synthetic turf assist the school with sport development, it is also used as

a water storage facility that can hold 65,000 litres. The turf stores borehole and rainwater, to provide safe, drinking water to the school and the Boshhoek community.

The Water Pipeline Project

In 2015, Glencore Boshhoek Smelter working in partnership with Royal Bafokeng Platinum Mines and the Royal Bafokeng Administration installed a 6km pipe worth R11 million to the community of Macharora. The pipe which runs from Mafanya reservoir to the Rasimone village, was constructed due to the lack of regular/dependable water supply from the Nyee Reservoir which left community members with little or no water access for many years. The project created 174 temporary jobs for local community members.

Do you know how Bitcoin works?

Bitcoin is a form of digital cash that eliminates the need for central authorities such as banks or governments. Instead, Bitcoin uses a peer-to-peer internet network to confirm purchases directly between users. Do you understand how this works or is this Greek to you?

Yes, Bitcoin is a cryptocurrency which means it exists digitally or virtually. Instead of being physical money carried around and exchanged in the real world, payments exist purely as digital entries to an online database describing specific transactions.
Wynand Pieterse

No, I know about Bitcoin but I'm not really sure about how it works. I would definitely like to find out more about Bitcoin.

PSALM 26

A Prayer for Divine Scrutiny and Redemption
A Psalm of David.

26 Vindicate me, O Lord,
For I have walked in my integrity.
I have also trusted in the Lord; I shall not slip.
2 Examine me, O Lord, and prove me; Try my mind
and my heart.
3 For Your loving kindness is before my eyes, And I
have walked in Your truth.
4 I have not sat with idolatrous mortals, Nor will I go
in with hypocrites.
5 I have hated the assembly of evildoers, And will
not sit with the wicked.
6 I will wash my hands in innocence; So I will go
about Your altar, O Lord,
7 That I may proclaim with the voice of
thanksgiving, And tell of all Your wondrous works.
8 Lord, I have loved the habitation of Your house,
And the place where Your glory dwells.
9 Do not gather my soul with sinners, Nor my life
with bloodthirsty men,
10 In whose hands is a sinister
scheme, And whose right hand is
full of bribes.
11 But as for me, I will walk
in my integrity; Redeem
me and be merciful
to me.
12 My foot stands
in an even place; In the
congregations I will bless
the Lord.

Olifantsnek/ Rustenburg – Join in the fun fundraiser for the Engelbrecht-family on Saturday 2 July. They lost their livelihood when a fire broke out in their barn on 27 May. The barn was filled with fodder to sell during the winter. [Read more about this in Platinum Weekly's front page article of 3 May.] The highlight of the fundraiser is the colour fun run that kicks off at Olifantsnek's petrol station at 7am. You can choose between a 2km, 5km or 8km walk or run. The best part is that it's filled with colour and the R150 entree fee covers the powder also. It's going to be a fun day for the whole family with stalls and entertainment for young and old. You can help by participating in the colour run, sponsoring prizes or water, or volunteering as a marshal for the run. Tickets are available at WA Wessels Attorneys at 200 Joubert Street or Olifantsnek's fuel station. **For more information contact Jalene Barnard on 064 122 6234 or send an email to accounts@questtrb.co.za.** If you are able to contribute financially, payments can be made into the WA Wessels attorneys trust account.

Calling on all knife enthusiasts!

Rustenburg – The Rustenburg Knife Show will take place from Friday 24 June to Sunday 26 June at the Waterfall Mall Centre Court. Custom knives, forged or cut from steel, made from high quality materials and as unique as the makers who craft them, will be on show. If you would like to get into the trade yourself, be sure to make a turn at the stalls of the various suppliers. Here you will find steel, materials for handles, leather items and sanding belts just to mention a few. Hand crafted Viking shields will also be on show as a unique collector's item. Considering the hours required to make a knife by hand, these knives cannot be mass-produced, and each item is completely unique. Whether you are a collector, a knife enthusiast or just need a good biltong knife, there are some great benefits to owning a custom-made knife.
For more information on the Rustenburg Knife Show, contact Dawid Fourie on 082 556 1648.

Impala is hoping to dominate lineouts and scrums.

Each inch matters!

Rustenburg – Impala Rugby Club coach Joel Scherman believes dominating lineouts and scrums will assist his team to achieve victory in their upcoming league match against Naka Bulls.

Impala – who will travel to Pretoria to play against Bulls on Saturday 25 June 2022 – are out to stop a run of losses that has now stretched to five consecutive matches. All of Impala’s three teams will be in action against Naka Bulls, who are very difficult to beat when they are playing in front of their home supporters.

The Bulls lead the current log standings and Scherman and his charges are well aware that the match will be another difficult one.

“We have been training really well but we do not know a lot about our opponents because we last played them before the Covid-19 pandemic,” Scherman told *Platinum Weekly*. “In my view, if we manage to dominate the lineouts and the scrums, we will stand a very good chance of winning, although this will not be an easy task to achieve,” he added.

Despite the mental and emotional setback that comes with losing five league matches, Scherman said the team will not rest until they bounce back to winning ways.

LOCAL CHESS CHAMPIONS READIES FOR BATTLE

Rustenburg – Grenville High School will host the Bojanala Chess Federation Clash of Schools on Saturday 23 July. The Clash of Schools tournament is a temporary alternative to the Bojanala Schools Chess League.

It's a one-day tournament, divided into two leagues being, Premier and Development. Schools will therefore not be expected to visit other schools in home-and-away matches, as is standard in a sporting league. All school matches will be rated by Chess SA.

Schools have already started boasting with their top players. In the build-up to the tournament,

Bojanala Chess Federation will showcase these young talents:

Meridian Rustenburg

Meridian's Diteboho Mofokeng played a couple of chess games in 2017 and only picked up a pawn again in 2022. The 16-year-old started this year with a Chess SA rating of 587. He is a 1,037-rated player now! He is clearly a newbie to be reckoned with.

Assembly of God Christian School (AOC)

The 10-year-old Blessing Tshetlhe will lead AOC into battle in true David versus Goliath style. His peers say he has the sling. Just bring on the giants!

Laerskool Proteapark

Parkies is currently the defending champions of the Bojanala Primary School chess league. They come with different layers of champions.

Their defender of the young ones is Nathan van Staden. Nathan is arguably Bojanala's best u/10 player. It does not stop with Nathan though as opponents will still need to work their way up through some top-notch players like Louis Green, Heinrich Marx and only then do you get to Parkies' top senior player, Leroux 'The Boss' Byliefeldt. Leroux has in recent months been beating some senior school players with ease. Proteapark are definite favourites to win the Clash of Schools junior sections.

Lebone II College of the Royal Bafokeng

Lebone College, known as the 'Blue Army' in school chess, is the biggest chess school in Bojanala. Not only do they have numbers, but they have enough quality to boast with. Their senior player, Thatego

Lefyedi is currently playing in the World School Chess Championships 2022. They also have Motheo Pettele in their team. Motheo represented South Africa in the 2021 Africa Schools Individual Chess Championships.

Laerskool Rustenburg

Larries is very proud of the man who will lead their team. He's the pride of Larries and a *trotse* Larrie named Douglas Morkel. Douglas' number of honour badges just confirm that he performs exceptionally in everything he participates in. With a rating north of 1,000, chess is no different for him.

Curriebeker 2022

Die twee semifinale die afgelope naweek sorg vir die grootste verrassing in die geskiedenis van die Curriebeker ou grote...

Die Griekwas was eerste aan die beurt en klop die Bulle nogal op Fort Loftus 30-19 om vir die eerste keer in 52 jaar weer in die eindstryd van die Curriebeker te speel.

Die ander groot verrassing was die Pumas wat die Cheetahs in Bloemfontein loop klop het met 38-35. Dit is dan dié ysters in pienk wat vir die eerste keer ooit in 'n Curriebeker finaal gaan uitdra!

Die groter unies braak gal want hulle moes met hulle "B" spanne speel, maar wat wou, die Bulle span wat teen die Griekwas gespeel het, is twee keer duurder! Plaas die sogenaamde grotes liewers daaraan dink dat dit vir die Pumas en Griekwas so spesiaal is om met trots en passie vir hulle eie unies te kan speel teen 'n baie kleiner salaris tjek. Lekker suur druive of wat ou grote?

Die finaal vir die 2022 Curriebeker is dan Saterdag 25 Junie om 17:00 in Kimberley. 'n Dag van 'n stukkie *rugga* geskiedenis.

Nag ou grote...

United Rugby Championship

Stormers vs Bulls

In Kaapstad word ook 'n stukkie *rugga*-geskiedenis gemaak met die eerste eindstryd van die nuwe URC reeks met twee Suid-Afrikaanse spanne wat in die finaal uitdra.

Die Kapenaars was op dié dag net te sterk vir die manne van die Noorde ou grote. Dit was 'n baie

gelykop stryd met die Bulle meer prominent in die eerste helfte, maar die Stormers was die beste span in die tweede helfte. Dit was maar 'n tipiese eindstryd, spannend en baie skoppe op die nat veld.

Die eindtelling van 18-13 is 'n getroue weergawe van die *game* ou grote. Rustyd was die telling 7-3 in die Bulle se guns na Harold Vorster in die tweede minuut van die eerste helfte oorgeval het vir 'n puik drie met Chris Smith wat verdoel.

Evan Roos val in die 4de minuut van die tweede helfte oor vir die Stormers met Libbok wat verdoel en die telling is 10 elk. 'n Geelkaart aan Cornal Hendricks verswak die Bulle se verdediging en die plaasvervanger van die Stormers, Andre-Hugo Venter val in die 56ste minuut oor vir sy drie met Libbok wat die doelskop mis. In die 64ste minuut klits Chris Smit 'n strafdoel oor vir die Bulle met 'n telling van 15-13.

In die 75ste minuut klits Manie Libbok 'n skepskop oor. En siedaar... die eindtelling is 18-13 in die guns van die tuispan.

Vir die Stormers was Deon Fourie 'n doring in die vlees van die Bulle en wen op kritieke tye balle in die los om die Bulle se aanvalle te stuit. Fourie het in sy 100ste *game* vir die WP gespeel en was ook welverdiend aangewys as speler van die eindstryd. Fourie is ook opgeroep as deel van die Bok Groep vir die toetsreeks teen Wallis in Julie.

Super Rugby Pacific 2022

Op Eden Park in Auckland klop die Crusaders die Blues 21-7 om die gesogte trofee vir die elfde keer te verower. Die span van Scott Robertson was klinies en was op die dag net een te veel vir die

moedige Blues.

Ook daar was daar bietjie *rugga* geskiedenis. Die Crusaders was aangevoer deur Scott Barrett en die Blues se *cappie* was boetie Beaden Barrett. 'n Gros van die spelers wat in die eindstryd gespeel het, is ingesluit in die All Blacks se groep vir hul tuis toetsreeks teen Ierland in Julie. Die Kiwi's kan 'n baie gedugte toets span later aanwys om teen die Iere wraak te neem vir die loesing verlede jaar in Dublin.

Nag maats doer onder...

Internasionale Rugga Chunks

Die internasionale arena het die afgelope naweek geopen met Engeland wat teen 'n Barbarian span op Twickenham te staan gekom het. O aarde ou Eddie, wat nou? Die Barbarians met net veertien spelers in die tweede helfte klop die bleekbene 52-21! En dit op die vooraand van die Engelse se komende toer na Australië in Julie.

Nog so bietjie Engelse nuus... Die Premier Liga in Engeland se finaal is ook gespeel die afgelope naweek met die Leicester Tigers wat Saracens verras om met 15-13 die trofee te verower. Jasper Wiese was kookwater vir die Tigers en is aangewys as speler van die wedstryd. Wiese en sy SA spanmaat, Hanro Liebenberg, word ook elkeen beloon met 'n drie elk vir die wenspan.

Wiese se spel op agsteman moet verblydend wees vir die Bok keurders met Duanne Vermeulen op die krukkelys.

Nag ou grote...

Sundowns, Chiefs prepare for new season

SA – Kaizer Chiefs and Mamelodi Sundowns have been busy on the transfer market as they look to bolster their teams before the start of the 2022/23 season.

News from the Sundowns camp points to the arrival of an Ethiopian international. Sundowns already have Gaston Sirino (Uruguay), Divine Lunga (Zimbabwe), Peter Shalulile (Namibia), Pavol Safranko (Slovakia), and Erwin Saavedra (Bolivia) on their books. This means they have exhausted their allocation of five foreign players (as allowed in the PSL rules) for their squad. There are talks that Lunga – who has been in the country for five years – could now be registered as a local player in preparation for the arrival of the new signing.

Chiefs, on the other hand, have acquired former Orlando Pirates midfielder Yusuf Maart from Sekhukhune United. This will strengthen the Chiefs, who have also signed Ashley du Preez, Zitha Kwinika, Kamohelo Mahlatsi, Dillon Solomons and Siyethemba Sithebe.

Maart joins the Soweto giants on a three-year contract. Maart had a brilliant season at Sekhukhune United, where he featured in 28 games – scoring three goals and assisting with two.

STICKING TO THE GAME PLAN

Rustenburg – After playing a few games for the Impala Rugby Club's first team, Andy Huysamen is settling in well and proving why coach Joel Scherman has a lot of faith in his capabilities. Huysamen – who recently moved from Cape Town to Rustenburg – is part of Scherman's plans to bolster the team with as many good players as possible in anticipation of the prestigious Gold Cup later this year. The 29-year-old bulky player, who started playing the sport at the tender age of six, attended Elswood Primary School in Cape Town where he made a name for himself as a hooker. "I loved the sport from the word go. Later on, I switched positions from hooker to flank," Huysamen told *Platinum Weekly*.

At high school, Huysamen was faced with a dilemma. He qualified for both the Western Province rugby and cricket teams. "I eventually chose rugby because of my small stature. And I've never looked back." Huysamen later also played for the u/19 provincial team.

Equally comfortable while playing at flyhalf (10) or inside centre (12), Huysamen is passionate about helping Impala Rugby Club to become a more competitive and aggressive outfit.

"I enjoy my time here in Rustenburg. Hopefully, I will be able to secure a job soon. However, for now, I am focused on delivering quality rugby and to perform to the best of my ability. I also want to help the younger players and I believe if we manage to stick to our game plan, we can be a better team," he said.

#1 Clean

When doing an at-home manicure, start off by preparing and cleaning your nails to get the best results. Use nail polish remover, cotton pads, cotton balls and cotton buds to clean nails and the nail bed. A hand spa machine can be used to turn nail and hand preparation into a luxurious and relaxing experience.

#4 Nourish

As the winter months approach we know it's time to increase our hand cream routine to avoid that irritating feeling of dry skin. But these days we also find ourselves using hand sanitizers that can have the unfortunate side effect of drying out our skin. This highlights how important it is to keep our hands moisturised every day, especially if we know we're going to a mall or a public place. Always keep a hand moisturising cream on hand, in your handbag or in your drawer at work.

FACE MASKS

SHEET MASKS deliver an instant burst of hydration to your skin, giving longer lasting results. Use two- three times a week to repair, awaken and quench thirsty skin. There's no need to rinse off product, instead gently pat the leftover serum into your skin until it's fully absorbed.

CLAY MASKS gently exfoliate and deeply cleanse by drawing out impurities and absorbing oil from your skin to prevent breakouts. Use once or twice a week to brighten dull skin, unclog pores and prevent breakouts.

PEEL - OFF MASKS come in handy when you need to unclog pores, control shine, and remove dead skin cells, dirt and blackheads. They exfoliate while nourishing the skin to reveal a smooth gorgeous glow.

CREAM MASKS soothe and hydrate your skin with ingredients that restore your skin's natural radiance. They're gentle enough to use as an overnight treatment, working their magic while you sleep.

MILLION COMFORTS

HELP KEEP MILLIONS OF GIRLS IN SCHOOL

Simply purchase any pack of sanitary pads from participating brands in-store, online or via the Dis-Chem App

Studies show that girls between 12 and 18 who live in poverty are deprived of about 20% of their high school education because they cannot afford feminine hygiene products and are too embarrassed to go to school during menstruation. Last year over 220 000 girls did not miss a day of school, because you donated over 10 686 458 sanitary towels to #MillionComforts.

HELP US CARE FOR EVEN MORE GIRLS THIS YEAR
