Beggar turns violent

Rustenburg –

An employee of Johan & Hanna

Garden Services was attacked by a beggar on the corner of

Beyers Naude Drive and Unie Street on Tuesday 23 August.

On 10 June this year, *Platinum Weekly* reported about “the man at the four-way stop” next to Bodenstein Park, just before the Visitor’s Information Centre, who harassed motorists who refused to give him money. Seems like he changed locations and that his harassment is now turning violent. It was confirmed by several eyewitnesses that it was indeed the same beggar.

Johan Strydom and his employees were waiting at the red light and the beggar was standing next to his vehicle. He didn’t engage with the man and tried to avoid making any eye contact. According to Strydom, he was startled when one of the employees on the back of the bakkie suddenly jumped into the bakkie and said that he had been attacked by the beggar. “He had a cut just above his left temple where the man stabbed him with a sharp object,” Strydom said.

Luckily the injury was not serious.

After placing a warning on social media, Strydom received other reports of people who were allegedly also attacked by the very same man. Motorist are warned to rather steer clear of this man, who has developed a reputation among local motorists. Make sure your windows are closed and your doors are locked if you have no other choice but to stop next to him.

Anyone who has been attacked by the man is also urged to open a case at SAPS.

Family hides in bedroom while attackers threaten to shoot them through the door

Rustenburg – Residents living on a well-known and prominent guest farm in Rhenosterfontein near Rustenburg, were attacked in their home during the evening of Friday 19 August.

According to reports, the residents were sleeping when the dogs started barking. The mother of two went to investigate, and found two armed men wearing balaclavas in the kitchen. She managed to run back to her bedroom and locked the door to distance herself and her children from the intruders. The attackers threatened to shoot them through the door. The woman immediately called for help. Rustenburg Landelike Diens (Rebel) and Buffelspoort Sekuriteit was mobilised and rushed to the scene. Upon arrival, the premises was secured, and a search was launched for the intruders. Further investigations revealed that the alarm’s siren had been disconnected and that the security gate and door had been forced open. Buffelspoort Sekuriteit’s tracking dogs were called to track the suspects and the Rebel radio group assisted in the search.

The police were contacted, and a case of house robbery was opened. Police spokesperson captain Aaffie Botma said that the suspects managed to get away with the victims’ laptop and camera and that no arrests have been made.

Thank you to everyone who assisted with the search and thanks to ER24 and Rustenburg police for their quick response and assistance.

INVITATION FOR PUBLIC COMMENTS TO REPEAL THE TRESPASS ACT, NO. 6 OF 1959

SA – On 12 August 2022 the Department of Justice and Constitutional Development issued a notice in the Government Gazette, inviting public comments on the proposed Unlawful Entry on Premises Bill, 2022 (the Bill).

The main purpose of the Bill is:

- To repeal and replace the *Trespass Act, No. 6 of 1959*, and
- To prohibit unlawful entry on premises.

Justice minister Ronald Lamola says the *Trespass Act, No. 6 of 1959* has lost its relevance in the South African constitutional democracy. His department seeks to repeal the law and replace it with the proposed *Unlawful Entry on Premises Bill, 2022* (the Bill).

The proposed Bill is a document consisting of seven pages, which is available on the following website:

<https://www.justice.gov.za/legislation/invitations/20220812-InviteToComment-UnlawfulEnteringOnPremisesBill.pdf>

The proposed Bill can be summarised as follows:

- An intruder who unlawfully enters a private property or premises commits the offense of unlawful entry;
- Property owners or lawful occupiers need to give notice indicating that entry is prohibited by either putting up a clear sign or giving an oral warning to the intruder;
- Any intruder caught on a property or in premises without the explicit consent of the owner or lawful occupier is presumed to be trespassing;
- Owners or lawful occupiers may be assisted by

- the police to remove intruders or trespassers;
- Intruders may defend against the unlawful entry charge if there is a reasonable belief that they are entitled to legally enter the property or premises;
- It is presumed that lawful access to the property or premises is granted if access to a door or gate is not prohibited, for example by leaving the door or gate open or unlocked;
- Intruders found guilty of unlawful entry could face a fine or imprisonment up to two years, or both.

The *Trespass Act, No. 6 of 1959* is a document consisting of two pages, which is available on the following website:

<https://www.gov.za/documents/trespass-act-20-mar-1963-0000>

The following amendments were made to the Act:

- Sections 1 to 3 amended by Extension of Security of Tenure Act 62 of 1997
- Section 2 amended by Criminal Law Amendment Act 59 of 1983

The proposed 7-page bill to replace the 2-page bill which has lost its relevance describes in detail what a person should do when a trespasser enters his property, be it the building called home, a farm or a business premises.

Several terms were also changed for example: ...unless he has lawful reason to enter... was replaced by ...the person charged reasonably believed that they had title to or an interest in the premises... and ...there is a presumption that access for lawful purposes...

Parliament is the national legislature (law-making

body) of South Africa. As such, one of its major functions is to pass new laws, to amend existing laws, and to repeal old laws. Both houses of Parliament – the National Assembly and the National Council of Provinces (NCOP) – play a role in this process. Once it is signed by the President, it becomes an Act of Parliament and a law of the land.

Has this process not become just as irrelevant as the act it now wishes to replace? Should the process not be widened in the design stages of the proposed act. So that the man on the street can understand the formation of the law and so that more role-players and legal experts in the field have the opportunity to contribute... rather than give a law to be commented on which is riddled with loopholes and open for personal interpretation.

You can read through the proposed bill and give your inputs to the director general, or you can sit on the shoreline and watch the ship pass by. It is up to you. You must ask yourself: 'Is this law doable, or would it just work on paper?'

What are the practical implications to the detail that is given in this proposed law of how a situation with an intruder should be handled?

Let's say you opened your gate with the remote, and at the time your daughter opened the front door of the house. An intruder made use of the opportunity to gain access to your property and your house. So, following the new proposed act... the intruder might presume he/she had access because the access was not prohibited (open gate... open door).

Would the natural behaviour of the intruder/s be to

listen as you speak to the intruder/s, informing them that they are not welcome and should leave? Would it be natural for you to then turn your back on the intruder, while they patiently wait for you to speak to the police, which might take a long time, as it is sometimes difficult to get through to the police?

Taking into account that the police struggle with limited resources, and that they might only be able to contact you back the following day, because they did not have available vehicle or personnel...

Would the SAPS officer be responsible for deciding if there is any legal 'presumption' before removing the intruder from your house?

What if the family of your ex-husband decides to rock up on your farm and removes the signage which you have placed on the gate? You phone SAPS, but because they cannot respond immediately, the family of your ex-husband, offloads their mobile home and start planting some veggies... What would SAPS do if they get to your place? Would SAPS remove them or would SAPS wait for a court order?

At the end of the day - according to the Constitution of South Africa - which is the highest law of the land, everyone has the right to protect their property and themselves.

The public is invited to send comments to:

- The Director-General: Justice and Constitutional Development, Private Bag X 81, Pretoria, 0001. Marked for the attention of Ms A Botha; or
- E-mail comments to AIBotha@justice.gov.za; or
- Send a fax to 012 406 4632 – Sanews.gov.za

Comments must be submitted to Ms A Botha on or before 16 September 2022. Further information can be obtained from Ms A Botha at 012 406 4762.

The most hijacked and stolen vehicles are...

SA – In a press release by Mike Bolhuis, Specialist Investigators into Serious Violent & Serious Economic Crimes on 4 August 2022, he warns wars Toyota owners of a crime wave focused specifically on Toyota SUVs, bakkies, Land Cruiser SUVs and bakkies.

According to the latest information received, syndicates have massive orders out for the

procurement, hijacking, and theft of Land Cruiser LDV (bakkies), Toyota Hilux, Prado, Land Cruiser and Fortuner vehicles.

These vehicles are earmarked for cross border illegal trade, specifically to and in Mozambique. Expect hijacking and theft from public areas, such as parking lots, open roads, and residential homes to increase dramatically.

DECEASED CYCLIST YET TO BE IDENTIFIED

Zeerust – The police have requested for assistance to locate the family of a man who died on Friday 12 August 2022 after being hit by a truck along the R49 road. The incident occurred at the Mahikeng-Lehurutshe T-junction at around 20:00.

The man has not yet been identified and the police in Zeerust are still trying to locate his family.

Said police spokesperson captain Aafje Botma: "The deceased was wearing a black shirt, red trouser and he was riding a white bicycle. The police have asked around at nearby farms but the deceased has not yet been identified. The deceased is still at a provincial mortuary."

Anyone with information that might assist in identifying the man is requested to contact sergeant Opelo Rantao on 079 686 4795.

CPF TEAMWORK LEADS TO ARREST

Rustenburg – Thanks to the vigilant and brave efforts of Community Policing Forum (CPF) sector 2 deputy chairperson Danie Eastes and his 16-year-old son Danie Eastes junior, two criminals were brought to book on Friday 19 August.

Eastes and his son went to Square SPAR when they noticed two men acting suspiciously. Eastes junior warned his father about the two men, so they decided to keep an eye out.

Low and behold, one of the suspects grabbed a man's phone and ran away. They jumped into a car and fled the scene. The Eastes' was luckily ready to react and followed the suspects.

Backup was called in and members from the CPF sector 1, 2 and 3 and community member Danie Appelgryn responded. Once Eastes had enough backup the suspects were eventually apprehended at the BP fuel station on the R24. The cell phone was recovered, wrapped in foil in the side compartment of the car.

According to Rustenburg police spokesperson sergeant Ofentse Mokgadi the men were arrested and appeared before the Rustenburg Magistrates' Court on Monday 23 August.

"The Rustenburg Police would like to commend the CPF members for their swift action. Their actions ensured that the criminals were taken off the streets and we are grateful for their assistance in the fight against crime," sergeant Mokgadi said.

He also encouraged other members of the public to join the CPF and get involved to keep their communities safe.

ALL CATTLE MOVEMENT SUSPENDED

SA – The decision has been made to suspend all cattle movement in the country, except for the movement of cattle to registered abattoirs for slaughter.

This drastic measure is expected to be very short term to halt the spread of foot and mouth disease (FMD) and catch up on vaccinations. According to this decision, no cattle may be moved for sales, shows, lobola or any other purpose. Cattle may also not be moved into or out of feedlots except when taken directly to slaughter facilities. All exports are also halted. The only species currently affected by the suspension is cattle. This will not affect sheep,

goats, and pigs. All movements of all cloven-hooved animals should, however, be undertaken with caution.

Most new FMD outbreaks are being caused by mechanical transmission through inanimate objects.

Fire guts panel-beating shop

Rustenburg – The roof of a panel-beating shop on the corner of Bosch and Zending Streets in Rustenburg was razed to the ground by a fire on Sunday 21 August. The cause of the fire is not yet known. Luckily nobody was injured in the fire. Firefighters from the Rustenburg Local Municipality, Royal Bafokeng Administration and Anglo American Platinum helped at the scene and eventually managed to douse the flames. “The fire could have been started accidentally at around 17:30 by people who were busy welding in the area,” an eyewitness told

Platinum Weekly. RLM spokesperson Thapelo Matebesi said a fire and emergency services team was immediately dispatched to the scene after the municipality was alerted about the incident at around 6pm. “The fire started spreading towards a neighbouring scrapyards,” Matebesi said. “We were able to bring the fire under control before it reached the neighbouring building which stores highly flammable liquids; including petrol and paraffin. The three teams worked until the early hours of Monday morning to put out the flames.”

The roof of the warehouse collapsed as a result of the fire.

Smoke from the fire attracted the attention of members of the community and workers of nearby businesses..

A SEA OF RED... COSATU protest high cost of living

Rustenburg – Members of the Congress of South African Trade Unions (COSATU) painted the streets of Rustenburg red with a protest on Wednesday 24 August. The march was held to voice the concerns of workers with the high cost of living, unemployment, gender-based violence, corruption in municipalities as well as the inability of Eskom to supply power on a consistent basis. Said COSATU provincial secretary for North West Kopano Konopi: “The activities in the province are part of the national activities of the shutdown where COSATU have called on all their workers and the communities to come out in numbers and raise their dissatisfaction with the rising cost of living

which continues to affect the livelihoods of the workers and their families.” He added: “The activities are again prompted by the undermining of collective bargaining by employers both in the public and private sector who continue to renege from signed agreements.” Konopi also denounced “the inability of the state to decisively deal with corruption which robs our people of basic services.” The COSATU members, who started marching from Beneden Drive, proceeded onto Oliver Tambo, Beyers Naude and Fatima Bhayat streets. A memorandum of demands was handed over to a representative of the North West provincial government.

The COSATU protestors chanted slogans during the protest, and began their march at the main taxi rank in the CBD.

IMPALA RUSTENBURG CHAMPIONS GENDER DIVERSITY

Rustenburg – Impala Rustenburg is a champion of gender diversity, both internally and in its local communities, with a firm belief that gender equality has the power to positively influence transformation in our society at large. “As an employer of choice and one of the largest employers in the North West province, Impala Rustenburg views gender transformation not just as a legal and moral obligation, but rather as a necessary change that strengthens our business through the diversity of perspectives offered by an inclusive team. Our gender equality committee places an extraordinary focus on unlocking the value inherent in diversity, which enables us to be a catalyst for change inside and outside of our business and our industry, influencing society at large,” comments Mark Munroe, CE of Impala Rustenburg. The organisation’s gender equality policies can be seen in practice within Impala Rustenburg’s operations, and beyond that, in its community initiatives, enterprise and supplier development programmes, bursaries, internships and youth development

initiatives. Externally, great emphasis is placed on ensuring a gender-diverse representation of companies that benefit from various procurement opportunities and from Impala’s Enterprise and Supplier Development Programme. At a youth development level, Impala’s many programmes are designed to ensure that young women are given priority and, in 2021, Impala introduced a new addition to its bursary programme – the special Future Woman in Mining Bursary which is awarded to the top achieving girl from local mine community schools. This year, 11 of the 18 bursaries were awarded to young women. Internally, women occupy senior leadership positions throughout the organisation – including those traditionally occupied by males. Women are highly valued within Impala for their leadership qualities, skills and perspectives. Impala’s women leaders are undoubtedly role models to young women entering the industry. **Impala press release extracts**

BGO caters for learners with autism

Rustenburg – Rustenburg Skool vir Buitengewone Onderwys (BGO) has established a centre that caters for learners suffering from Autism Spectrum Disorder (ASD).

ASD is a developmental disorder of variable severity that makes it difficult for learners to interact and communicate. ASD is also characterised by restricted or repetitive patterns of thought and behaviour. It is against such a background that BGO decided to set up facilities that also cater for the special needs of learners affected by ASD. Departmental head at BGO Colleen Robbertse said the two autistic classrooms that are part of the centre have been given the thumbs up by the Rustenburg Department of Education.

Outside the classrooms, learners are able to enjoy games in an open but controlled space that allows them to enjoy the outdoor fresh air.

“One of the autistic classes we have is for seniors while the other one is for juniors. We have six learners in each class, and we also have some learners who are on a waiting list,” Robbertse said.

“Our educators are all very dedicated and well trained because autistic learners differ a lot from one another. Every learner needs to be trained according to their strengths and weaknesses.”

One of two classrooms at Rustenburg Skool vir Buitengewone Onderwys is equipped to cater for learners with autism.

Rustenburg Skool vir Buitengewone Onderwys educator Mercedes Kleynhans shows some of the teaching methods that help learners with autism.

The festivities and music continued late into the night!

REC Schools and Academies CELEBRATED 30 YEARS OF EXCELLENCE!

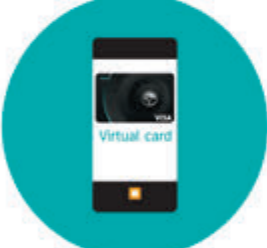

“On Wednesday 10 August 2022 REC Schools celebrated their 30-year Anniversary! The Primary school entertained with beautifully choreographed song and dance on the school's sport field. The Primary school learners then presented an Olive tree to Mrs Peens, owner and founder of REC in 1992 as gesture of longevity and a celebration for the years to come. The tree was planted at the entrance of the school and will provide welcome shade to REC learners in the years to come.

The high school learners participated in a mass Drumming session and spirits were high when finally all 180 Djembe drums played a rhythm in unison as the heartbeat of REC reverberated around the mountains of Olifantsnek! The 30-year celebrations continued until Friday night at Casa Bella with a formal Gala event. Attendees included many REC alumni, representatives of

the Dept Education, former teachers, and principals of the school. Guests were received with a Harvest table and violin music. During the formal event a presentation with photos of the early years of REC back in 1993 were displayed. After dinner and speeches of former head boys and girls, a Fire Dance display preceded! The flames of the fire dancers were not yet cold when professional Ballroom dancers opened the dance floor to the sounds of Classical music. Many memories were shared and many a tear was shed on 3 decades of history!

Congratulations and a heartfelt thank you to every student, parent and educator of REC that has contributed towards the success of REC through the years. May your paths be blessed with fortune and good health and may you never cease to learn and grow in your spirits!”

FNB helps nearly 3.4 million customers offset the recent fuel hike with an extra R2 per litre back in eBucks at Engen, regardless of reward level.

Compulsory EAP registration deadline

SA – As of Monday 8 August 2022 (statutory deadline), unregistered Environmental Assessment Practitioners (EAPs) may not hold primary responsibility for the planning, management, coordination, or review of environmental impact assessments (EIAs) and environmental management programmes (EMPrs). Several extensions were previously granted by the minister of Department of Forestry, Fisheries and the Environment (DFFE) to allow more professionals in the Environmental Sector to register as Professional Registered EAPs or Candidate EAPs. The Environmental Assessment Practitioners Association of South Africa (EAPASA) would like to inform practicing Environmental Practitioners of the following:

- As from the 8 August 2022, if anyone is found practicing without being registered, the person is engaging in fraudulent or illegal practices and legal action will be taken against them.
- Unregistered EAPs may not make use of the Reg. EAP (EAPASA) or Cand. EAP (EAPASA) on their email signature. Furthermore, unregistered EAPs should refrain from using the term Environmental Practitioner since this title can only be allocated by EAPASA through their professional registration body status by SAQA.
- If an application is in draft on the registration system, an applicant is not yet registered with the Registration Authority and therefore should not mislead people by inferring that they are registered.
- Registered EAPs and candidate EAPs who continue to practice after 8 August 2022 without being in Good Standing with EAPASA, may face disciplinary action. A registered EAP in Good Standing should have their Annual Registration Certificate renewed for each cycle.

Please take note that the following transitional provision has been included under Regulation 21 of the section 24H Registration Authority Regulations and states that; "If a situation, arises where tasks contemplated in regulation 14 have been initiated or reports or documents have been submitted to the relevant authority for decision-making prior to the coming into effect of regulation 14 of these Regulations, the person performing such tasks may dispense of his or her responsibilities without complying with regulation 14 of these Regulations."

EAPASA is committed in ensuring the advancement of the practice and quality of environmental assessment in South Africa.

EAPASA press release extracts, 10 August 2022

More than just a beauty pageant

Rustenburg – Pitso Adam Shomang established a beauty pageant for children with special needs from areas around Rustenburg. This glamorous event will take place at the Rustenburg Civic Centre on Saturday 24 September.

"I noticed that children with special needs don't always have the opportunity to participate in beauty pageants, and wanted to give them this experience and exposure," Shomang said. Shomang suffers from an epileptic disorder which affects his speech and body movements. Shomang is the owner of a non-government organisation called Chef PI Kell's Disability Foundation. The organisation works with children with disabilities in disadvantaged communities. Through his organisation, he invited learners from Rustenburg Skool vir Buitengewone Onderwys in Rustenburg, Iteko Special School in Tlhabane, Kutlwanong School for the Deaf in Phokeng, Temogo Special School in Mogwase and

Reoleboge Special School in Moruleng, to participate and get an opportunity to strut their stuff on the catwalk. They will be dressed to impress in traditional attire and competing for the title. He hopes that by creating this platform where they can showcase their talents, their self-esteem will be boosted.

Kutlwanong School for the Deaf educator Lerato Kalegi said: "Our school is happy to be part of the beauty pageant. It will boost the morale of our kids. They will know that they are not forgotten. September is deaf awareness month. Society should be aware that deaf people do exist, and that anyone can learn sign language to communicate with them."

The community is invited to show their support by purchasing the tickets at R80 for kids, R120 for adults and R250 for VIP tickets. For more information contact Shomang on 079 577 2400.

Yes, I think I can win the lotto. Sometimes I dream of numbers and enter those!

Themba Musengi

No. The lotto is the same as gambling. Sometimes you will win, and this will encourage you to play or spend more money. However, you tend to spend more money than the amount that you win.

NEW KING JAMES VERSION (NKJV)

SOULFOOD

PSALM 52

The End of the Wicked and the Peace of the Godly

To the Chief Musician.

52 Why do you boast in evil, O mighty man? The goodness of God endures continually.

2 Your tongue devises destruction, Like a sharp razor, working deceitfully.

3 You love evil more than good, Lying rather than speaking righteousness. Selah

4 You love all devouring words, You deceitful tongue.

5 God shall likewise destroy you forever; He shall take you away, and pluck you out of your dwelling place, And uproot you from the land of the living. Selah

6 The righteous also shall see and fear, And shall laugh at him, saying,

7 "Here is the man who did not make God his strength, But trusted in the abundance of his riches, And strengthened himself in his wickedness."

8 But I am like a green olive tree in the house of God; I trust in the mercy of God forever and ever.

9 I will praise You forever, Because You have done it; And in the presence of Your saints

I will wait on Your name, for it is good.

POLL

Do you think a four-day workweek will work in South Africa?

Several countries have piloted the four-day workweek. Employees will still get paid the same, but only work for four days a week... but with the same workload. The aim is to have happier and more committed employees as they are less likely to be stressed or take sick leave as they have plenty of time to rest and recover. What do you think? Make yourself heard by sending an email to news@platinumweekly.co.za or a WhatsApp to 081 579 7000 with the following information before 17:00 on Tuesday 30 August:

Yes, I think a four-day workweek can work in South Africa.

No, I don't think a four-day workweek can work in South Africa.

The reason for your answer.

A recent photo of yourself (optional) – that we can publish with your answer.

Your contact details.

If you don't want your answers to be in the newspaper, just reply to the question: YES/ NO. The results of the votes will be published in our next issue.

PS – You can also give your opinion by commenting on our Facebook post.

YOUR FRIDAY FUN FACT

Did you know?

According to Greek mythology, Prometheus (one of the titans) was punished by having an eagle eat his liver day after day. The liver would regrow at night, leaving Prometheus at the bird's mercy. Turns out... this is not so farfetched as liver can regrow itself in three weeks.

PLEASE DONATE SANITARY TOWELS

Marikana – Phumelela Youth Empowerment is an organisation based in Marikana. Their vision is to empower young people to take charge of their lives. For most teenage girls, not being able to afford sanitary towels, affects their self-esteem. This can be uncomfortable and lead to health issues.

To make it easier for these girls, Phumelela Youth Empowerment would like to request the assistance of the community to donate sanitary pads.

"It will make a significant impact in the

lives of schoolgirls. We are looking for companies to partner with us because sanitary pads are a continuously used item. We never have enough," said co-founder and director Kiki Rachuene. They are also in need of school shoes for the youngsters in the community.

For more information on how you can assist, contact Rachuene on 071 226 6852 or Masego Molefe on 076 107 4363 or you can also email kikirachuene@gmail.com.

Women’s Day social ride a success!

Rustenburg –About 100 cyclists took to Kgaswane Nature Reserve on Tuesday 9 August to enjoy a Women’s Day social ride.

The ride was organised by the Rustenburg Cycling Club (RCC) as part of an initiative to celebrate Women’s Day. Men, women, the young as well as the old took part in the social ride and enjoyed the scenic and mountainous views at the reserve.

The RCC is very grateful to Kgaswane, Land Rover, Avura, Voltex and Ola for the waterpoints, refreshments and food.

The Women's Day social ride was held at Kgaswane Nature Reserve.

Football action in Ramokoka

Mogwase – The community of Ramokoka will be treated to some sporting action during the Moses Kotane Masters Football League games on Sunday 4 September 2022.

Danny Moreo, a member of the committee running the affairs of the league, said two football grounds will be used for the matches.

“There are only three games left until the season comes to an end and the matches will be very exciting because all the teams competing will be eager to win,” Moreo said.

Currently, Mokgalwana Football Club are the log leaders and will be looking to maintain their position at the top with another victory.

Can Rustenburg Ladies remain log leaders?

Rustenburg – Rustenburg Ladies Football Club are now back at the top of the Stream B North West Sasol Women’s Football League log.

They returned to the summit of the log standings through a 9-1 victory over Madibe Ladies on Saturday 20 August. However, with just three matches left before the end of the season, Rustenburg Ladies are not yet assured of winning the league.

While they have managed 30 points from 13 matches, both Royal Queens and North West University (NWU) Tawana are on 28 points from 12 and 10 matches respectively.

Trans Baviaans cycling thrill

Rustenburg – Rustenburg Cycling Club (RCC) members and their friends enjoyed competing in the Trans Baviaans race on Saturday 20 August.

The gruelling race is a 230km mountain bike marathon which sees competitors cycling from Willowmore to Jeffrey’s Bay. The competition was held for a second time after the rainy and cold weather conditions complicated matters for those who were part of the first race on 13 August. However, the weather conditions were much better this time around and all the cyclists who competed, managed to finish the race.

Astra Erasmus and Mike Agathagatau also competed for the Zimbos team.

Hennie and Penny Fourie (of team Shortstep) enjoyed competing on their tandem bike.

Sharron O'Reilly and Johan van der Merwe were part of the Zimbos team.

Impala, who lost 69-12 to University of Pretoria (Tuks) in their previous match on 20 August, are hoping to finish strongly by winning their remaining league matches of the season. A victory against Bulls – who are the log leaders in the World Sports Betting Carlton Cup – is possible

if the players manage to combine well and keep possession of the ball throughout most periods of the match. Coach Joel Scherman has often stressed the need for players to maintain their fitness levels throughout the matches. The club will once again be counting on support from their fans as they look for their third win of the season.

Rustie-Rugby deur na die finaal

RHS se o/15A rugbyspan.

Rustenburg – Na Saterdag 20 Augustus se kragmetings, het twee van die vier Hoërskool Rustenburg (RHS) rugbyspanne gewys dat dié bome nie kan breek nie! Die o/14A en o/15A spanne het beslis hul skool trots gemaak met hul uitstekende wenne. RHS is ook in besonder trots op die o/16A-rugbyspan wat hul heel beste gegee het tot die eindfluitjie geblaas het! Die eerste rugbyspan, wat ongelukkig 'n weg semi-finaal gespeel het, het ook

die stryd verloor, maar nie vir 'n oomblik opgegee nie. Ons Rustie-rugby is aan die brand en hul spog steeds met al vier van hul spanne wat in 'n semi-finaal gespeel het! **Die uitslae is as volg:**

- o/14A wen Hoërskool Kempton Park 31-13
- o/15A wen Hoërskool Transvalia 13-5
- o/16A verloor teen Hoërskool Nelspruit 12-13
- Eerste span verloor teen Hoërskool Middelburg Hoër met 0-52.

Its Wafa Wafa action again!

SA – The vibe at the football stadiums, something that football supporters were robbed of during Covid-19, is back! This excitement is almost tangible and is probably what makes this year's MTN8 quarterfinals very special. Like the name of the competition suggests, the eight best teams from the 2021/22 season (according to how they finished on the final log standings) will compete against each other in a knockout format. Kaizer Chiefs, who are among those vying for the trophy, have now gone seven years without winning any silverware and much of

the speculations and predictions could reflect on whether they will finally come good this time around. Chiefs are the most successful team in the history of the MTN8 and their 15 titles since the tournament's inception remain the benchmark. However, Chiefs have not won this cup competition since 2014 and all eyes will be on whether or not they can go beyond the quarterfinals.

- MTN 8 fixtures**

- Cape Town City vs Amazulu (Athlone Stadium), kick-off at 15:00
 - Royal AM vs Orlando Pirates (Chatsworth Stadium), kick-off at 18:00

2022 RUGBY KAMPIOENSKAPPE

Eerskomende naweek word die tweede ronde van die reeks beslis... Suid-Afrika speel in Adelaide teen Australië om 07:30 op Saterdag. Nienaber en kie het weer verras met die span keuses. Joseph Dweba, Ox Nché en Duane Vermeulen begin die *game* met Faf wat op skrummie terugkeer en Warrick Gelant wat op regter vleuel gaan diens doen. Die bank is nou 'n 5-3 split met Elton Jantjies, Frans Steyn en Jaden Hendrikse vir die *backs*. Jasper Wiese is verrassend uitgelaat. Nienaber en kie dink dalk die Wallabies gaan 'n *walk in the park* wees... So terloops, die Springbokke kon sedert 2013 nie 'n oorwinning vermag oor die Wallabies in Australië nie.

In die Aussie kamp is dit ook nou nie juis maanskyn en rose nie. Die hulpafrigter Matt Taylor is die pad gestee. Die veteraan en legende Loarie Fisher van die Brumbies is aangestel om te red wat te redde is en sal van groot waarde wees vir Dave Rennie. James O'Connor is ook van die rol geskraap en Bernard Foley sal op 10 weer moet dikteer.

In die Kiwi geledere het die storms ietwat gaan lê en Ian Foster behou sy pos tot 2023. Die All Blacks kom teen Pumas in Christchurch om 09:45 te staan. Michael Cheika se span gaan dit beslis nie maklik maak vir die All Blacks nie.

Op tuisbodem het die Leeus agterspeler, Tiaan Swanepoel, die kollig gehaal met sy allemintige wêreldrekord. Tiaan het die stelskop rekord tot 70m gerek! Wonder of Fransie Steyn dit daar gaan los... *lol!* Die vorige rekord was 65.5m. Dan het Cheslin Kolbe 'n R11 miljoen aanbod van die Stormers van die hand gewys. Volgens Kolbe speel die veiligheid van sy gesin 'n groot rol en hulle gaan nie kanse waag in SA nie.

Ai, dit is jammer ou grote...

Die Blitse se eerste *game* is 27 Augustus om 18:20 teen die VSA in Pool B. NZ en Kanada is die ander twee spanne.

PLATINUM WEEKLY

“Let’s take a ride!”

Rustenburg – Making as many members of the community as possible aware of the mental and physical benefits of outdoor exercise, is a major priority for Rustenburg Cycling Club (RCC)’s new chairperson Justin Brown.

Brown – who was appointed to his position by the RCC in May this year – feels many people living in and around the Platinum-city are missing out on the outdoor thrills and adventure the sport offers. “My duties as RCC chairman include arranging events, promoting safe and social rides as well as promoting cycling development in the Rustenburg area,” Brown told *Platinum Weekly*.

Apart from good exercise, Brown explained why cycling has a very special place in his heart: “There is also the social aspect to it because you interact with friends while also enjoying the outdoors.”

The 40-year-old Brown, who rode his first bicycle at the age of six, grew up participating in many sporting codes at Halfway House Primary School as well

as Bekker High School. “At school, I participated in athletics, rugby, hockey and cricket. After I left school, I also enjoyed off-road dirt biking and bodybuilding from 2001 to 2014.”

Brown added: “I was looking for safe group rides when I joined the RCC in 2020, and I found exactly that!”

Outside cycling and his duties at the RCC, Brown has not lost his love for bodybuilding. Somehow, Brown – who is also a sales manager at Yale Lifting Solutions (a company that manufactures and supplies chain blocks, lever hoists, jacks, electric hoists and is also involved in the testing and inspection of lifting equipment) – has managed to create time for all his sporting activities.

“I am involved with the Southern Africa Strongman as the technical director. I am also still involved in assisting and developing bodybuilders. I have selected athletes that I help to prepare for their competitions in terms of the proper diet and other aspects related to bodybuilding,” Brown explained.

ACCENTUATE YOUR Eyes

Take your lashes to luxurious lengths...

FULLER LASHES:

Add extra length, volume and definition by nourishing your lashes with a mascara primer. Apply 2-3 layers of mascara starting from the root of the lashes and slightly wiggling your brush from side to side in an upwards direction towards the tip of the lashes. Allow for a 30-second dry-time in between, to achieve the full and volumised look you desire.

BOLD EYELINER:

Gel liners: are creamy and easy to manipulate to create the best cat eye look.

Liquid liners: create looks that require delicacy and precision.

Pencils: create the perfect subtle, natural, soft, smudged or smokey look.

Pout PERFECTION

Transform your look with lustrous lips and statement colours...

Create a smooth canvas for your lipstick with a lip exfoliator and nourishing lip primer. Use a lip liner to define, reshape and perfect the contours of the lips. For a precise and mess-free application, place the lipstick in the middle of your lips and coat your lips, working outward towards the corners.

For an elegant yet striking look, go for statement colours like nude, deep browns, burgundy and plum shades.

LONGER LASTING Foundation

For an illuminated, flawless and long-lasting complexion...

Prep and prime: First, apply a primer to create a silky-smooth, poreless canvas for your makeup to adhere to, allowing it to stay on all day without it fading, smudging or creasing.

Foundation application: Using any application method, from a foundation brush to a blending sponge or your fingertips - apply your foundation starting at the centre of your face and blending outwards.

Powder: Gently apply powder to your face to lock in the foundation.

Set: Spritz a setting spray over your look in the form of a "T" to put emphasis on your "T" panel to increase longevity of your makeup look and prevent fading and smudging.

See page 6

HIGHLIGHT AND Glow

For a subtle glow and a touch of glamour...

Glow up: Apply a highlighter or bronzer on features you want to enhance such as the top of your cheekbones, your cupid's bow for the cutest pout, the inner corners of your eyes and along the bridge of your nose.

Brows THAT WOW

For perfectly defined, shaped and full brows...

1. Use a spoolie brush to tame stray hairs by brushing them in the direction of your natural hair growth
2. Shape or enhance your brows using tweezers
Tip: Follow your natural brow shape to avoid over plucking
3. Use any desired brow products such as pencils, gels, pomades and even powders to fill and even out your brows
4. Use a clear or tinted brow gel for thicker, smoother and smudge-proof brows.

DREAMY Tools

Perfect this look with these must-have tools...

It is no secret that a beauty blender can completely change your makeup routine. Beauty blenders are a versatile cosmetic sponges that can be used to blend practically anything in your makeup pouch from foundations, to BB creams to concealers.
Tip: In order to get the most out of your sponge, follow the 3 basic steps of wet, squeeze and apply to the sponge. Wet before each use, squeeze until damp & apply your product.

An eyelash curler is your secret to getting a DIY lash lift resulting in the illusion of bigger and brighter eyes. An inexpensive and portable item with powerful impact should make the cut of "must-haves" in your makeup bag.

and oversized pores.

BB Creams

Sheer and light, with
hydrating benefits,
to subtly even out
the skin tone by
blurring imperfections
on the skin.
Can be applied using
fingertips, a brush,
or makeup sponge.

Mousse

A creamier, thicker consistency that gives
a full and even coverage and flawless finish,
perfect for those with dry or mature skin.

BEAUTIFUL LASHES

are just a blink away!

"For best application results, use an eyelash applicator tool
such as tweezers"

Step 1:
Prepare your supplies before hand.

Step 2:
Measure the strip against your eyelid and
trim off any excess.

TIP - You can use this excess later
to stack up the lash strip at your
eyes' outer corner for extra va va voom.

Step 3:
Apply your lash glue strategically, emphasising the corners.

TIP - Allow 30 seconds for the glue to become
tacky before applying your lash - this allows for
the lash to adhere immediately.

Step 4:
Look downwards into a mirror and not straight ahead.
Placing your lash on at a perpendicular angle provides for clearer
vision to place the artificial lash as close to your natural lash as possible.

Step 5:
Use your eyeliner to camouflage the strip band on top.
Blend your natural lashes into the artificial lashes using your mascara.

YOUR SKIN CONCERN, OUR EXPERTISE!

01 ACNE, SPOTS & BLEMISHES

Acne is a skin condition that occurs when your hair follicles become plugged with oil and dead skin cells. It causes whiteheads, blackheads or pimples. Acne is most common amongst teenagers, although it can affect people of all ages. Acne usually appears on the face, forehead, chest, upper back and shoulders, as these areas have the most oil (sebaceous) glands.

02 PIGMENTATION

Pigmentation or brown spots as they're more commonly known, are caused by your skin's arch nemesis, a.k.a. the sun. Pigmentation occurs due to an increase in the number of pigment – producing cells in the skin or the pigment substance they produce (melanin). The most effective way to prevent pigmentation from occurring in the first place is applying sunblock regularly.

04 ROSACEA (REDNESS)

Rosacea is a condition with redness of the facial skin, easy flushing and sometimes acne – like breakouts. Rosacea symptoms are triggered by environmental exposure, hormones and sensitivity to tropical or oral products. Rosacea causes inflammatory lesions and thickening of the underlying connective tissue of the face, which may appear in lines or patterns, known as the butterfly effect.

03 FINE LINES & WRINKLES

Fine lines are small, shallow creases that form on thin, delicate skin. They are often associated with repetitive movements, like frowning, smiling and laughing. Often seen around the eyes and mouth.

Wrinkles Think of wrinkles as untreated fine lines. Wrinkles can form anywhere on your face, neck, chest and hands because they're largely caused by muscles contracting under your skin.

ANTIOXIDANTS

THE DISCOLOURATION SAVIOUR

Vitamins and minerals, like green tea extract and turmeric that protect your skin against free radicals, UV damage and pollution, antioxidants illuminate the skin and strengthen its ability to repair itself.

RETINOL

THE WRINKLE FIGHTER

A potent powerhouse ingredient, it improves the look of fine lines and wrinkles while boosting collagen production for smooth, firm, and supple skin. Gentler alternatives are hydroxypinacolone retinoate & bakuchiol.

HYALURONIC ACID

THE HYDRATION HERO

A powerful humectant that locks moisture into the skin, keeping it healthy and deeply hydrated while enhancing skin texture for a dewy and glowing complexion.

PEPTIDES & CERAMIDES

THE BARRIER PROTECTORS

The ultimate superhero ingredients - peptides and ceramides strengthen and protect the skin barrier. Helping to reduce uneven skin tone and restore moisture.

YOUR GUIDE TO ESSENTIAL SKIN INGREDIENTS

BHA/AHA

THE EPIC EXFOLIATORS

Exfoliating acids that aid in removing dead skin cells from the surface of the skin. They help to unclog pores for an evenly pigmented complexion and an overall youthful appearance.

VITAMIN C

THE DULLNESS WARRIOR

A brightening, visibly firming antioxidant that balances uneven skin tones, improves the look of dark marks and brightens dull skin, revealing new radiance.

BENEFITS OF A
STEAMER

Pamper yourself with an at-home spa experience that
boosts the overall health of your skin. Facial steamers help
soften and soothe skin, stimulate blood circulation in the
face, naturally remove toxins through sweat, improve

PAYOT PARIS

PAYOT treatments are brand specific and use a methodology that is entirely their own. Renowned for their 42-step signature treatment, PAYOT facials are based on sculpting movements, effective active ingredients and sensory textures. In selected salons only.

FACIAL TREATMENTS USING LASER & MAGNET THERAPY

- **Anti-Ageing Facials** are designed to firm, diminish wrinkles and restore luminosity. A priority for every woman, even as an early start to help put the brakes on the ageing process.
- **Hydration Facials** replenish and restore moisture balance to renew natural radiance. Another great option for everybody, especially to counteract the toll of post-winter dryness.
- **Deep Cleansing and Anti-Acne Facials** deep cleanse, reduce inflammation and control bacterial activity to soothe, clear and brighten complexion. A deep cleanse is important if busyness has knocked skincare into a distant corner. Teenage treatments also available in our salons.
- **De-Pigmentation** Common to many women, these facials help reduce uneven skin tone, scar tissue and areas of pigmentation.

- **Flash Hydratant - 45min:**
Created for all skin types, this is an express treatment that moisturises, hydrates and plumps the skin.
- **Éclat Essential - 60min:**
A radiance-boosting treatment for dull skin.
- **Liss Absolu - 75min:**
A technical smoothing treatment for wrinkles and fine lines that includes a highly concentrated peel and plumping mask
- **Lift Absolu - 75min:**
A firming and lifting treatment that includes a tightening hydrogel mask.
