How does the Outdoor Advertising By-Law of 2019 affect you?

Are you the owner of an outdoor sign as per the Rustenburg Local Municipality Outdoor Advertising by-law? Apparently, most of us are. What's more, if the proposed Unlawful Entry on Premises Bill 2022 comes into effect, it is your responsibility to prohibit trespassers from entering your property, by putting up a security sign or signs.

In August 2019, the Rustenburg Local Municipality placed a quarter page advert in local newspapers to notify members of the public of the reviewed Rustenburg Local Municipality Outdoor Advertising By-Law of 2019. The notice read: 'It is therefore incumbent on all the outdoor advertising companies, individual owners of outdoor

signs and government departments to approach the municipality to make the necessary applications for the respective signs to be aligned to the By-Law. This exercise must be complied with from the date of publication of this Notice until Thursday 31 October 2019.'

How does the Outdoor Advertising By-Law of 2019 affect you?

Are you the owner of an outdoor sign as per the Rustenburg Local Municipality Outdoor Advertising by-law? Apparently, most of us are. What's more, if the proposed Unlawful Entry on Premises Bill 2022 comes into effect, it is your responsibility to prohibit trespassers from entering your property, by putting up a security sign or signs.

In August 2019, the Rustenburg Local Municipality placed a quarter page advert in local newspapers to notify members of the public of the reviewed Rustenburg Local Municipality Outdoor Advertising By-Law of 2019. This exercise must be complied with from the date of publication of this Notice until Thursday 31 October 2019.'

The outdoor advertising by-law referred to was published in the Provincial Gazette in June 2019 and it was also posted on the municipality's website in 2020.

Extracts of the by-law read as follows: 'Class 8: Other Signs. This sign class makes provision for signs which cannot be classified under any of the other main sign classes.' ... 'Schedule C: FEES, TARIFFS AND FINES.... Security signs (i) Administration fee R360.00 (ii) Annual display fee per sign R575.00'

Platinum Weekly asked the communications manager of the Rustenburg Local Municipality Thapelo Matebesi about the fee for the security signs. Says Matebesi: "This is done to protect owners of the signs. If they have not submitted their signs to the municipality with a fee, then they are not protected from intruders or when law enforcement officers remove illegal signs." According to Matebesi, the policy was promulgated in 2019 and it is due for a review in 2013.

Now the bummer... The *Platinum Weekly*

spoke to no less than 40 people to find out if they knew about the fees that have to be paid for these signs. The responses were anything from "Jy praat k_k"... to ..."Awa". Upon sharing the by-law with several people to see for themselves, the remark was made: "All things considered, surely the owner of the property or the person renting the property would be responsible for paying the fees."

We also spoke to two of the largest security firms in South Africa. One of them thanked us for the information and said that this is the first time they heard about it. The other security company replied: "We heard the rumours regarding this by-law, but we did not respond in any way. We will not be able to pay these fees." Quotes are anonymous as none of the people we spoke to were aware of the by-law... and are currently not complying to the by-law.

Be a responsible citizen and play an active role in the affairs of your community and your country. Speak up and ignite positive change.

CAROLINE'S BODY FOUND ON R24

Rustenburg – The body of the 31-year-old Caroline Werner was found next to the road on the R24 near the Dinie Estates Road on Wednesday 21 September. Police spokesperson sergeant Ofentse Mokgadi confirmed that a murder case is being investigated and that no arrests have been made yet. Anyone with information about the case should please contact warrant officer Karel Khumalo on 082 773 0590. We extend our heartfelt condolences to the friends and family of Caroline.

SPCA BAKKIE ALMOST HIJACKED

Rustenburg – Trainee inspector of the Rustenburg Society for the Prevention of Cruelty to Animals (SPCA) Khomotso Msiza was almost highjacked on Monday 26 September.

At around 20:45, Msiza was traveling in the SPCA's Toyota bakkie, on his way to collect two stray kittens that someone picked up. He stopped at an intersection about two blocks away from the SPCA's premises when he noticed a grey Volkswagen Polo following him. Airing on the side of caution, he made sure that all the doors were locked and he stayed vigilant.

As Msiza approached the next stop, one of the people traveling in the Polo suddenly stood at his passenger side pulling on the door. In the rear-view mirror he saw another man getting out and walking towards his door. Thinking on his feet, he sped off.

"I was scared, and everything happened so fast. I still don't know how I managed to get out of there. It was a really traumatising incident. I even have nightmares of the guys," Msiza said.

What made the incident even worse was the fact that Msiza already had an emotionally draining day, responding to a report of dogs being piled into a vehicle that he chased after - all the way to Krugersdorp but to no avail, he couldn't find them. He also rescued chickens that were transported in horrible conditions.

SPCA manager Marisa Kruger said: "When we heard about the incident, we told him to drive straight home and to get some rest. We are grateful that he is safe."

The Rustenburg SPCA management and the committee has decided that, going forward, their inspectors and field officers will only collect unwanted animals during the day. They will only act on emergencies after hours, where animals are in serious danger or being hurt – as they can't allow their staff to be put at risk.

SUSPECTED FARM MURDERERS APPEAR BEFORE COURT

Rustenburg – Frans Venter was brutally murdered on his farm in Modderfontein, outside Rustenburg, on the morning of Wednesday 21 September.

Initial information received indicated that the 68-year-old Venter was home with two workers, a gardener and domestic worker. Four suspects overpowered the gardener. He screamed and was tied up with an electrical cable. The suspects then targeted the domestic worker, and also tied her up.

The suspects then gained entry into the house and severely assaulted Venter and stabbed him to death. They went on to ransack the house and stole various items before fleeing the scene on foot.

One of the workers managed to escape and ran to a neighbour for help. Neighbouring farmers and the police were immediately alerted. The quick response from neighbouring farmers, security company officials, a private helicopter and the police led to the arrest of two suspects.

Sibos Msiza Maphoza (29) and Nokosinathi Sibanda (27) appeared before the Rustenburg Magistrates' Court on 23 September on charges of murder and house robbery. The matter was postponed to 30 September for the bail hearing. Two of the suspects are still at large.

Truck hijacking on the increase

SA – In a press release issued by Mike Bolhuis, Specialist Investigators into Serious Violent & Serious Economic Crimes, it reads: 'During the first quarter of 2022, figures declared by the SAPS showed that truck hijackings increased by a staggering 31.4%'. Circumstances are ripe for truck hijackings to increase even more. Economic instability, the increasing price of fuel, and many other factors increase drivers' risk extraordinarily.

According to Mike, there are six main methods that truck hijack syndicates use in SA:

1) Fake 'stop and go' setups
Hijackers erect fictitious barricades and use police officer clothing. As the trap seems authentic, the driver complies, causing the truck to come to a complete stop. The hijackers then forcefully remove the driver from the automobile before stealing the vehicle and its contents.

2) Vehicle sabotage
The hijacker will tamper with the truck's equipment, such as the brake lights, tyres, or vehicle sensors. In this manner, it will be simple for the hijackers to seize control of the truck because when the driver notices a problem, the driver will automatically stop to investigate it.

3) 'Broken down car' scams
Hijackers will often pose as innocent victims of a car fault or breakdown and try to flag down a passing truck for help. When the truck driver pulls over to lend a hand, the hijackers will subdue the driver and make off with the vehicle and cargo.

4) Forced stop tactics
This occurs when a group of hijackers tries to stop a truck in motion by either using a vehicle or a number of vehicles to push the truck off the road or by having a car rush in front of the truck and then slam on its brakes. The truck's driver will attempt to prevent a collision by coming to a complete stop or

deviating from the road, allowing the hijackers to flank the truck and eject the driver.

5) Diversion tactics
This is when a group of hijackers purposefully block a road with obstacles or debris, requiring the driver to stop completely or to reroute. Another technique involves the hijackers pretending to be a window cleaner, hawker, or beggar when the truck is stopped at an intersection before drawing a firearm. They will intimidate the truck driver or smash the window once they are close enough to grab and yank them from the cab.

6) Hitch-hiking schemes
The hijacker will pose as a hitchhiker wanting a lift and will try to flag down a passing truck for a lift. However, once

they have gotten into the truck, they will proceed to subdue the driver by means of force, usually by holding them at gunpoint and directing them to the predetermined destination. This is where the official theft can occur – out of sight and with total control.

Good luck to our human calculator

[Letter to the editor]

Rustenburg – I have a newspaper basket where I keep old newspapers. I took one out of the basket to peel veggies on - on Tuesday 27 September).

My eye caught a headline of a *Platinum Weekly* article – *Stiaan, the human calculator*. I again enjoyed reading about Stiaan Scheepers's incredible brain and him competing in the Junior Mental Calculation World Cup in Germany. I then realised the publication was dated 18 October 2019.

I was curious about how this 10-year-old was doing as he would now be 13. His mother's number was in the article and something prompted me to phone her. I was almost in disbelief when she answered my call. When I explained why I was phoning, she said that she got goosebumps! Stiaan was once again flying off to Germany to compete... THE VERY SAME DAY I PHONED! Then it was my turn to get goosebumps!

When I phoned, they were literally at the airport to meet his schoolteacher, Hantie van Niekerk, who came to see him off. All

this on the very same day I randomly chose to read a *Platinum Weekly* newspaper of three years ago.

God's hands are over our lives. The Scheepers's family now live in Bloemfontein, but Stiaan's grandparents live in Derby. We've planned to meet up next time they visit their family. Stiaan's mother Elmarie, asked me to keep Stiaan in my prayers for his exams on 2 October. I will do so. I'm so thankful I caught up with this brilliant young boy and wish him all the best of luck!

Pam van Heerden

What is Stiaan up to?

Platinum Weekly also reached out to Elmarie to find out what Stiaan has been up to. Stiaan has been an A+ student from the age of three. He learnt to do mental calculation with the use of a Japanese Soroban (abacus) and can calculate complicated mathematical equations in seconds. The Scheepers family, who is originally from Rustenburg, moved to Bloemfontein in December 2021.

He will once again be competing in the

Junior Mental Calculation World Cup in the 12- to 14-year-olds division. The competition requires participants to solve complex math problems in their head – no paper and no calculator. You are also only allowed to correct your answer once. In one of the sections, the learners will be given a date and have to work out which day of the week it was... let's say 2 August 1976 – do you know the math?

The official competition starts on 2 October but on 1 October, all participants will be attending advanced mental math classes presented by some of the most brilliant mathematicians in the world.

Stiaan is currently coached by a lady named Tariro who works at the head office of A+ student, but Elette Coetzee and her husband Gerrie Coetzee flew to Germany with Stiaan. Elette has already helped with Stiaan's preparation for Germany in the past and has also been with him and other students in Japan, Malaysia, Korea etc. Stiaan currently attends all his classes online and it takes a lot of hours and self-discipline to work on his own. Luckily Stiaan is a hard worker by nature, and he is very eager to learn.

Gerrie and Elette Coetzee with Stiaan Scheepers on their way to Germany!

Sharing the love

Rustenburg – Lighthouse Children's Home is a non-profit organisation based in Rustenburg. They offer a haven of safety to vulnerable children and the dedicated staff currently cares for 60 children, placed in their care.

To thank them for their selfless dedication to ensure that the children can feel safe and loved, the staff received a box of Krispy Kreme donuts on 23 September from an anonymous supporter.

Like any other community programme, they need the help of the community to raise these kids.

To get involved or for more information, contact Elsa Doubell on 083 493 5911. You can also drop off donations at 64A Kruger Street, Rustenburg.

Rustenburg – The SAVF delivers welfare-related services, foster care, and childcare services to communities across South Africa. They run a variety of developmental programmes and job creation initiatives, encouraging poverty reduction, protecting the elderly and disabled, and developing strong, united families that improve our society as a whole.

The Rustenburg SAVF workers were rewarded with a box of Krispy Kreme donuts on Friday 16 September (from an anonymous supporter), as a token of gratitude for their outstanding service of giving hope to those with social challenges. For more information, please visit the SAVF offices at 212A Kruger Street, Rustenburg, or contact them at 014 592 8568.

REC is still open for enrollments until End of October.

Visit our website www.rec.co.za for more information.

REC Schools and Academies once again outperformed their rivals on the Soccer field this year as they triumphed in all age categories!

The RULFA League (Rustenburg Local Football Association) introduced the new age categories at the beginning of 2022 to include Under 13, Under 15 and Under 17 teams to compliment the existing Under 19 and 21 Leagues. The RULFA League is affiliated with SAFA and all matches have SAFA registered referees present. REC ended the season, which started in February and concluded in September this year, at the top of each log and the closest rivals were left far behind. REC has had soccer matches almost every weekend this entire year including during school holidays! Our SAB League Matches will also conclude soon and REC is leading the pack in this league as well.

Congratulations Mr Phila Ncube and the boys for this great achievement!

Rustenburg – The Mrs. Rustenburg pageant has become a tradition in Rustenburg over the years. They were also negatively affected by the Covid-19 regulations, but the pageant is back on the map. After taking a pause from the spotlight, they are now looking to crown the next Mrs. Rustenburg. The Mrs. Rustenburg title includes responsibilities that are rooted in giving back to the community. It has grown to be

Entry fees are R250, and the closing date is 20 December 2022. The semi-finals will take place on 14 January 2023, with the ultimate Mrs. Rustenburg being chosen on Saturday 18 March 2023. Contestants will be expected to be involved in community service, gain sponsors, and raise funds for charity. They will also be required to participate in teambuilding exercises and outreach projects.

Are you the next Mrs Rustenburg? Enter now!

much more than just a beauty pageant, but rather a means to elevate and celebrate women. Those who selflessly seek to initiate positive change, who are dedicated to their families and their communities, and a role model are invited to enter. You don't have to be a catwalk expert to win, you must just have the right attitude! Married, divorced, or widowed women aged 18 to 50 can enter.

All these activities will count towards taking the crown and the title. This is a pageant for the community, and everyone can get involved either by supporting the contestants or by sponsoring prizes for the event.

Impala Rustenburg invests in small business development hub

From left: DMRE regional manager Phumudzo Nethwadi; Impala Rustenburg chief executive Mark Munroe, and RBA managing director Dr Kebalepile Mokgethi – opening Impala Rustenburg’s new Economic Inclusion Centre on 23 September.

Rustenburg – Impala Rustenburg has invested R8,6 million into developing an Economic Inclusion Centre (EIC) that will serve as a small business hub for mine-community small, medium and micro enterprises (SMMEs). “Through the EIC and other initiatives, such as our Enterprise and Supplier Development (ESD) programme, Impala Rustenburg aims to assist mine-community SMMEs to formalise their businesses and grow them into sustainable enterprises. The EIC was built to provide SMMEs with a hub from which they can access information and guidance, as well as essential business services,” says Mark Munroe, chief executive (CE) of Impala Rustenburg.

The EIC services will be launched in a phased approach over the coming months, and will include:

- **Enterprise development:** The EIC will provide SMMEs with business advice and support, as well as information on request for information (RFI) documents and upcoming tender opportunities. The centre will host short courses on tendering and pricing, providing small business owners with information to assist them to tender more competitively. It will also be used to host Impala’s formal ESD programme workshops, designed to equip SMMEs with an understanding of the fundamentals of entrepreneurship, compliance and governance, financial management and marketing.
- **Supplier development:** Suppliers to Impala will have access to mentoring, as

well as and technical and business support at the business centre, to enable them to deliver on their contractual obligations.

- **Market access:** The EIC will provide SMMEs with a hub from which to access assistance and guidance on the vendor application process, as well as accessing the market at Impala Rustenburg.
- **Funding mechanisms:** Through Impala Rustenburg’s relationships with financial institutions such as Absa and CEFA, assistance will be offered to suppliers who meet the lending requirements to access funding.
- **Shared facilities:** SMMEs located in Impala Rustenburg’s mine communities will have access to business facilities at the hub, including shared office space, boardrooms, computer workstations with internet access, and printing and scanning facilities.

The process of constructing the EIC also benefited local mine communities, with 34 local contract workers employed for six months. The project was headed by Tumilid Trading Enterprise, a 100% black-and women-owned business operated by Lydia Sekano, who is a graduate of Impala Rustenburg’s 12-month ESD programme.

Impala Rustenburg encourages those who would like to use the facility and the services available at the EIC to book an appointment, by emailing eic.rustenburg@implats.co.za.

Boston’s annual teacher’s forum a resounding success

Boston City Campus and Business College staff were on hand to answer any questions by teachers from invited schools.

Rustenburg – Boston City Campus and Business College in Rustenburg successfully hosted their annual teacher’s forum on Friday 23 September. The forum – which was first held in 2019 but was postponed for the next two years because of the Covid-19 pandemic – created an ideal platform for educators to be exposed to modern learning methods at this tertiary institution. The exposure and knowledge gained also enabled the educators to align their teaching methods with the requirements of the college. Said Boston City Campus and Business College branch manager Sikholiwe Mashele: “I’m very happy with the huge turnout. However, some teachers were not able to attend because they were involved in the marking of examinations.” Mashele explained why the college is an ideal tertiary institution for those who have

completed their high school education. “Our methods of teaching is very flexible and caters for those who might want to study at the campus or those who would like to study from home. We have free Wi-Fi, and this is ideal and convenient for students as they do not have to worry about money to buy airtime.” Sales representative Israel Mafologela also gave a presentation in which he explained the advantages of studying at Boston and why this tertiary institution is highly rated. The college also presented bursaries to JN Nstime Secondary School and Meriti Secondary School as a way of encouraging outstanding students from the two schools to work hard towards achieving their academic goals. Both schools will present a bursary to their most outstanding learner, who will then choose the course they would like to pursue at the college.

From left: JM Nstime Secondary School educator Merriam Mokotedi, Boston City Campus and Business College branch manager Sikholiwe Mashele, JN Nstime educators Peter Nkholha and Gladness Moaisi, proudly displaying the bursary presented to the school.

WHAT'S Cooking?

Rustenburg – The staff at Dormehl Phalane Rustenburg knows that working a full-time job and spending quality time with your family is not always easy.

That's why having a recipe on hand that is delicious, quick, and easy to make can prove to be invaluable. They shared this recipe for rolls that take only 30 minutes to make, leaving you with more time to spend with loved ones. Freshly made bread rolls are always a winner at a braai, for lunch and even to serve as a side at dinner.

Dormehl Phalane Property Group specialises in residential, commercial, industrial, and agricultural property and real estate. For more information, contact them at 014 594 2402.

If you want your recipe featured in the *Platinum Weekly* newspaper (free of charge), contact **Danika Minnaar** on 081 579 7000 or email **editorial@platinumweekly.co.za**.

Quick and easy rolls

The winning team at Dormehl Phalane Rustenburg.

30-Minute rolls

Ingredients:

- 1 cup plus 2 tablespoons warm water
- 1/3 cup oil
- 2 tablespoons active dry yeast
- 1/4 cup sugar
- 1/2 teaspoon salt
- 1 egg
- 3½ cups flour (either bread flour or all-purpose, either will work)

Instructions:

1. Preheat the oven to 200°C.
2. Combine the warm water, oil, yeast, and sugar.
3. Allow the mixture to rest for 15 minutes.
4. Mix 2 cups of the flour, the salt, and the egg into the yeast mixture.
5. Add the remaining 1½ cups flour, half a cup at a time.
6. Shape dough into 12 balls and place in a 9cm x 13cm pan.
7. Let the dough rest for 10 minutes.
8. Bake for 10 minutes or until tops are golden brown.

Have your say / Sê jou sê

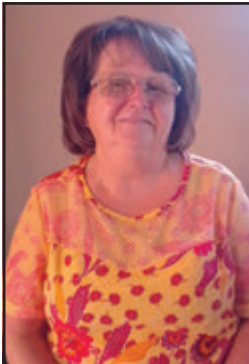

Do you or can you consider home schooling for your children?

No one cares about your children as much as you do, which makes home schooling an attractive option. On the other hand, teachers at schools are trained and qualified professionals and children can benefit from socialising with their peers. Which is better?... home schooling or traditional schools? And if you say home schooling – is that a real and practical option?

No. I won't consider home schooling for my children because they need to interact with other children so that their social skills develop fully. Being around others helps them to test their decisions against those of others. Home schooling does not provide for this.

Palesa Mokate

No. I don't think that home schooling is the answer because it prevents children from mingling with other kids. They will also not be able to participate in sports with the other children. A school-based programme is always the best and home schooling makes children become introverted.

POLL

Do you take care of your mental health?

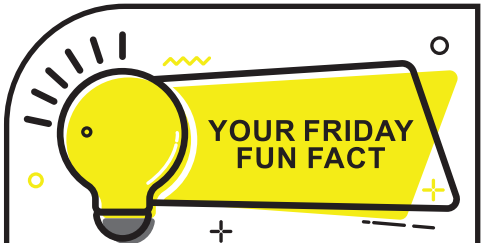

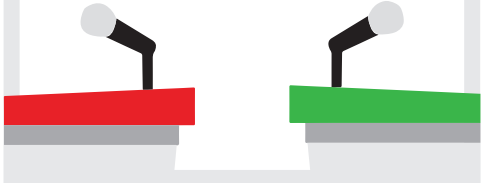

Mental health includes our emotional, psychological, and social well-being. It affects how we think, feel, and act. When we are stressed, anxious, or feeling down... it's important to take a step back, breathe or talk to someone. Do you take care of your mental health or just brush it off as a difficult day and try again tomorrow?

Make yourself heard by sending an email to news@platinumweekly.co.za or a WhatsApp to 081 579 7000 with the following information before 17:00 on Tuesday 4 October:

- Yes, I take care of my mental health.
- No, I don't take care of my mental health.
- The reason for your answer.
- A recent photo of yourself – that we can publish with your answer.
- Your contact details.

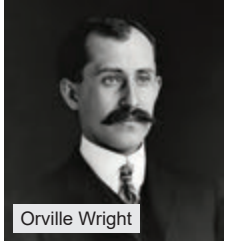

The results of the votes will be published in our next issue.

PS – You can also give your opinion by commenting on our Facebook post.

Did you know?

Aviation pioneers Wilbur and Orville Wright's first flight with a powered, sustained, and controlled airplane took place in 1903. Because their father feared losing both sons in an airplane accident, they promised that they will never fly together. There was only one exception on 25 May 1910 when they took a six-minute flight together.

SOULFOOD

PSALM 70

Prayer for Relief from Adversaries
To the Chief Musician. A Psalm of David.
To bring to remembrance.

70 Make haste, O God, to deliver me!
Make haste to help me, O Lord!

2 Let them be ashamed and confounded
Who seek my life;
Let them be turned back and confused
Who desire my hurt.
3 Let them be turned back because of their
shame,
Who say, "Aha, aha!"

4 Let all those who seek You rejoice and be
glad in You;
And let those who love Your
salvation say continually,
"Let God be magnified!"

5 But I am poor and
needy;
Make haste to me,
O God!
You are my
help and my
deliverer;
O Lord, do not
delay.

Die talentvolle Hoërskool Rustenburg koor het weer 'n uitmuntende musiekvideo vrygestel.

Rustenburg – Suid-Afrikaners gons oor die bekende Rustie-koor se weergawe van *Living Years* deur Mike + the Mechanics. Die bekende koor van Hoërskool Rustenburg (RHS) het op Donderdag, 22 September, hul weergawe van Mike + the Mechanics treffer vrygestel. En dit is nie die eerste musiekvideo wat die Rustie-koor vrystel waaroor Suid-Afrikaners gons nie!

In 2019 stel Hoërskool Rustenburg se koor vir die eerste keer hulle weergawe van Queen se *Bohemian Rhapsody* vry en in 2020 sing hulle *Fix You* van Cold Play.

Die koororganiseerders, Madeleen Koch en Lize Meyer sê: “Die idee agter dié liedjie was om mense te herinner dat tyd kosbaar is, dat môre nie ‘n gegewe is nie, en dat ons die tyd moet uitkoop met geliefdes.” Die lied is verwerk en vervaardig deur Ralf Schmitt, die wêreldbekende koormeester van die Ndlovu Youth Choir. Madeleen sê: “Ons is bevoorreg met Ralf, dit was sy idee om *Living Years* te doen. Hy maak jaar na jaar *magic* saam met ons en die kinders is mal oor hom. Dit was ‘n groot voorreg om die projek saam

met hom aan te pak.” Die video is tans beskikbaar op al Hoërskool Rustenburg se amptelike sosiale mediaplatforms naamlik: Facebook, YouTube, Instagram en TikTok. Die video is reeds besig om soos ‘n veldbrand te versprei.

“Daar is elke jaar baie druk wanneer dit kom by die koorvideo. Dit is moeilik, want jy kan nie appels met pere vergelyk nie. Elke jaar is daar ‘n ander groep stemme met ‘n ander liedjie. Vir ons gaan dit nie oor die ‘views’ nie. Ons doen dit want ons is lief vir die kinders en die kuns van sang,” voeg Lize by.

Volgens Madeleen is só ‘n projek slegs moontlik met spanwerk en finansiële, fisiese, en emosionele ondersteuning van koorouers, personeellede, leerders en plaaslike besighede. Madeleen sê ook: “Die ondersteuning wat die koor ontvang het, is genade onbeskryflik groot. Ons harte is dankbaar vir al die ondersteuning van regoor die wêreld. Musiek het die vermoë om harte saam te snoer, alles wat negatief is op te los en harte oral aan te raak. As ons dít in die gemeenskap kan regkry, het ons geslaag in ons doel.”

RHS hou Bosveldhokkie-toernooi

Agter van links: Mario Enos, Marius van der Berg, Rilee van Dalen, en Josh Brown. Voor van links: Schalk Otto, Ethan Scheepers, en Rudo Dednam.

Rustenburg – Hoërskool Rustenburg (RHS) het op Dinsdag 20 September hul jaarlikse Ses-vir-ses Bosveldhokkietoernooi gehuisves. Die bosveldhokkietoernooi is ‘n toernooi waar RHS die omliggende laerskole nou vir ‘n rondomtalie hokkietoernooi. Die astro word in vier kwarte verdeel en elke wedstryd is slegs agt minute lank. Daar is net ses spelers per span én daar is geen doelwagter op die veld nie!

Hoërskool Rustenburg krieketspeler Dewald du Plessis tydens hul wedstryd teen Hoërskool Lichtenburg – hy kolf ook 104.

RHS DOK UITSTEKENDE KRIEKET OP

Rustenburg – Hoërskool Rustenburg se krieketspelers het ‘n besige dag op die veld gehad op Saterdag 24 September.

RHS se eerste span krieketspelers wen Hoërskool Lichtenburg met 143 lopies. Die tweede span speel teen Hoërskool Brits se eerste span en wen met drie paaltjies. Die o/15A-span speel teen Hoër Volksskool Potchefstroom in die semi-finaal en verloor met vyf paaltjies. Die o/15C-span speel teen Hoërskool Brits se o/15A-span en verloor met drie paaltjies.

TEACHING KIDS ABOUT SAFETY

Rustenburg – Members of the Rustenburg Bojanala District Police paid a visit to the youngsters at Rustenburg Skool vir Buitengewone Onderwys on Thursday 22 September.

The Explosives Unit members warned the learners about the dangers of explosives. Sergeant Swart gave a presentation that was not only educational, but very entertaining! He demonstrated Ansu’s (his K9 companion) obedience and showed the kids how she operates and reacts to narcotics. Captain Elsabé Augoustides warned children against abduction and kidnapping, getting lost in shopping complexes and general safety.

Impala reflects on just-ended season

Rustenburg – Impala Rugby Club held a meeting on Tuesday 27 September to reflect on the successes and challenges of their just-ended season.

Impala coach Joel Scherman said players would be informed of the date they will be expected to report for training ahead of the new season. For now, however, they will not be involved in any games and will take a well-deserved break.

Despite a spirited performance in the competitive World Sports Betting Carlton League, Impala could not maintain their place in that tier. They will now be playing in the Blue Bulls Rugby Union (BBRU) for the 2023 season.

Moses Kotane Masters League concludes

Moruleng – Mokgalwaneng Masters are the champions of the Moses Kotane Masters Soccer League after emerging victorious over five other teams during matches played on Sunday 21 August.

Danny Moreo, a member of the committee running the league matches, said Moruleng Stadium was a buzz of excitement during the matches. “Overall, the turnout was very impressive and those who attended enjoyed themselves. A big well done to Mokgalwaneng, who are the winners for this season,” Moreo said.

Erfenisdag by Ellies

Mooiooi – Laerskool Elandsdraal het op Vrydag 23 September Erfenisdag gevier as deel van hul persoonlike en sosiale welsynsprojekte. Die projekte is gelei deur juffrou Gerda Moolman.

Die Graad 4's moes 'n kultuur kies en daarvolgens aantrek.

Die Graad 7's spreek belangrike omgewingskwessies aan.

Die Graad 5's beeld die belangrikheid van waterbesparing uit.

PLATINUM MASTERS SEEK ANOTHER WIN

Rustenburg – Who will stop Platinum Masters from winning the Bojanala Masters Football League with 18 teams competing? After 23 matches, Platinum Masters are still on top of the log with 58 points. They are eight points ahead of the Million Dollar Masters, who have also played the same number of matches. Platinum Masters has lost only one match so far and have emerged as favourites to go all the way and win the league title. On Sunday 2 October, Platinum Masters will face Global Masters at Robega (kick-off is at 12:00) and a victory could see them extending their lead at the top of the log. Robega will host four other matches. Luka Masters play Million Dollar Masters from 15:00 while Thekwane Masters will face Boitekong Masters from 13:30. Tlhabane Masters will face CR7 Masters from 10:30 and KN Masters will play against Basotho Masters from 9:00. Rasimone will host the other four matches to complete the fixtures for week 24 of the league.

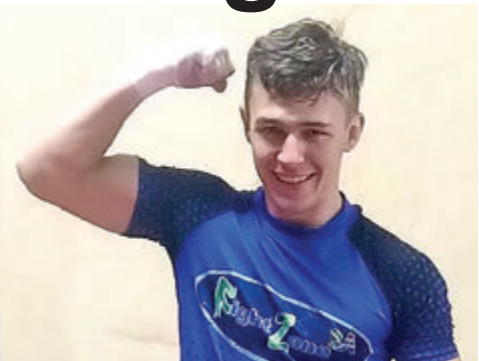

Platinum Masters will face Global Masters in Robega in the Bojanala Masters Football League.

Emrick wins again!

Rustenburg – FightZone SA Mixed Martial Arts (MMA) athlete Emrick Hermann competed in the fourth Gauteng Grass Roots tournament in Randburg on Saturday 24 September. He beat his opponent in the second round with submission, gaining good experience in the cage. Emerick is also now the new head-coach at FightZone SA. He began his martial arts career at the age of six and with many winning titles behind his name, he will be passing on his knowledge and skills to other aspiring MMA fighters. For more information contact him on 076 058 2309.

Spesiale krone vir BGO

Rustenburg – Die Rustenburg Skool vir Buitengewone Onderwys (BGO) is ongelooflik trots op hul leersers wat aan die 'Heritage Day Beauty Pageant for Children with Special Needs' deelgeneem het op Saterdag 24 September. Die kompetisie is 'n platform waar kinders met gestremdhede hul talente kan ten toon stel en hul selfbeeld 'n hupstoot kan gee. Damian Breedt is gekroon as die wenner van die kompetisie en Zanelle Griezel het die derde prinses kroon gevat.

CAN PIRATES HANDLE THE HEAT?

SA – The MTN8 Cup is in the exciting semi-final stage with four teams fighting for a place in the final – in of one of the most prestigious soccer competitions in South Africa. Defending champions Mamelodi Sundowns, Orlando Pirates, Kaizer Chiefs, and AmaZulu are the four remaining teams. There is no doubt that the Pirates versus Sundowns will be a major drawcard and soccer fans will be eager to see if the 'Bucs' will be able to fend off the 'Brazilians', who have been in good form in the league. Sundowns has already demonstrated their capability of wining by registering a comfortable 2-0 victory over SuperSport United in the quarterfinals.

Pirates, on the other hand, struggled for their 2-1 win over Royal AM in their quarterfinal match. However, past encounters between Sundowns and Pirates show that results can go either way and are not necessarily determined by the current form of the teams.

MTN8 first leg semi-final fixtures

Saturday 1 October

Orlando Pirates vs Mamelodi Sundowns (kick-off at Orlando Stadium at 15:30).

Sunday 2 October

Kaizer Chiefs vs AmaZulu (kick-off at FNB Stadium at 15:30).

MIDGET MADNESS AT PLATINUM RACEWAY

Rustenburg – Platinum Raceway will be hosting their Midget Madness races at the Rustenburg Show Grounds on Saturday 1 October.

The programme includes mini flexis, rookies, stockrods, 1660, 2.1l, midgets and hotrods. The first race will kick off at 17:00 and tickets are R60 per person, R30 for kids, and kids under 6 years old can enter for free. Driver entries are R200.

For more info, contact Marietjie Bye on 081 258 8644 or Henry Venter on 083 452 9979.

Rugby Championships 2022

Die All Blacks verower die titel in 2022 met 'n reuse oorwinning van 40-14 oor die Aussies op Eden Park. Net so terloops... Die Aussies kon in die laaste twintig jaar nie wen teen die All Blacks op Eden Park nie.

Die AB's eindig eerste op die *log* met 19 punte, en die Bokke tweede met 18 punte. Die Bokke was onder groot druk met hulle *game* en moes met meer as 39 punte teen die Pumas wen en 'n bonuspunt behaal, om eerste te kon eindig. Die Bokke wen 38-21 en staan dan die trofee af aan die All Blacks.

Die jaareinde toer is om die draai en die Bokke se eerste toets is op 5 November teen Ierland. Nienaber en kie sal moet raakvat met hulle spankeuses vir die toer vol uitdagings met toetse teen die Franse, Italië en Engeland.

Tot later dan ou groene...

United Rugby Championship

Die afgelope naweek het die SA vlag hoog gewapper met al vier spanne wat oorwinnings behaal het.

Die Leeus verras vriend en vyand en klop die Ospreys 28-27 op hulle tuisveld. Die Bulle

moes hard veg teen Edinburgh en wen 33-31 na 'n strafskop deur meneer betroubaar, Morné Steyn, in die doodsnikke.

Die Stormers was net te sterk vir die outjies van Connacht op die Danie Craven Stadion en wen gemaklik 38-15. Die Haaie laat glip amper 'n oorwinning in Italië deur hulle vinne maar byt vas en klop Zebre 42-37.

Ander uitslae:

- Glasgow Warriors 52-24 Cardiff
- Leinster 42-10 Benetton
- Scarlets 39-55 Ulster
- Dragons 23-17 Munster

Bepalings:

Vrydag 30 September

- Bulls 18:30 Connacht
- Cardiff 20:35 Lions
- Ulster 20:35 Leinster

Saterdag 1 Oktober

- Stormers 14:00 Edinburgh
- Ospreys 16:05 Glasgow Warriors
- Munster 18:05 Zebre
- Benetton 18:15 Scarlets
- Dragons 20:35 Sharks

Stukkie goeie nuus!

Nigel Owens, gewese nommer een *ref* in toets *ruggas* is aangestel om van die patetiese *ref's* (tans in die URC) te leer hoe om 'n fluitjie op die regte manier te gebruik en ook definitief die kaart-spel handjies in toom te hou. Hopelik kan sir Owens ook die huidige fluitjie blasers in die toetsarena onder hande neem. Maar reëls is reëls ou grote, en tot die kopdokter in Brakpan raak nou al rumoerig.

Nag ou grote...

Christo and Suzette pedal to the podium

Christo and Suzette van Staden finished third overall in the Karoo to Coast tandem group.

Rustenburg – On Saturday 24 September, two members of the Rustenburg Cycling Club (RCC) tested their endurance in the Karoo to Coast mountain bike challenge. The gruelling, yet enjoyable ride is a 100km race that takes competitors from Uniondale to Knysna via the Prince Alfred's Pass. Well done to Christo and Suzette van Staden for not only completing the challenge but doing so in an impressive time of 5 hours and 33 minutes. The result saw the pair finishing third overall in the tandem group.

Adriaan Young, MC Smit, Sybrandt Byleveldt, Tiano Combrink, Lorenzo Snyers, Adriaan Liebenberg, Zulu Khumalo, Johan Retief, Hennie Terblanche, Coenraad Coetzer, Hendrico van Heerden, en Marius Coetzee.

RHS rugby bring die bekere huis toe

Rustenburg – Nie elke Noordwes-skool kan sê dat hulle direk teen die groot skole kompeteer nie. Die Hoërskool Rustenburg (RHS) se sewes rugbyspelers het die afgelope naweek op Vrydag 23 September en Saterdag 24 September aan die Noordvaal 7's-toernooi te Hoërskool Menlopark deelgeneem. Die Rustie o/17A-span wen die Bowel-beker en die o/15A-span wen die Shield-beker.

Die uitslae is as volg:

o/15A-span

- RHS vs. Hoërskool Zwartkop: 26-12
- RHS vs. Hoërskool Garsfontein: 12-22
- RHS vs. Hoërskool Merensky: 12-10

Kwart-finaal:

- RHS vs. Hoërskool Tom Naudé: 12-19

Semi-finaal:

- RHS vs. Hoër Tegniese Skool Middelburg: 29-7

Finaal

- RHS vs. Hoërskool Merensky: 12-7

o/17A-span

- RHS vs. Hoërskool Secunda: 17-19
- RHS vs. Hoërskool Garsfontein: 0-45
- RHS vs. Hoërskool Ellisras: 12-10

Kwart-finaal:

- RHS vs. Hoërskool Waterkloof: 19-12

Semi-finaal:

- RHS vs. Hoërskool Transvalia: 26-21

Finaal:

- RHS vs. Hoërskool Menlopark: 20-12

NORTH WEST

Produced by SANRAL

SANRAL is the lead agency on key projects for the rehabilitation, strengthening and resurfacing of the N12 and N504, and continues its mandate of transformation through the appointment of SMMEs, with a focus on those owned by youth and by women.

Message from the Acting CEO

The North West province hosts some of South Africa's top tourist attractions, and our national roads play a major role in making sure that tourists and locals can easily navigate their way from one destination to another.

The N12, which runs through the towns of Potchefstroom, Klerksdorp and Wolmaransstad, is an important artery that connects the province to Gauteng, the Northern Cape and ultimately Cape Town.

Parts of this road are under the control of the province, but plans are underway for their transfer to SANRAL's jurisdiction. This will enable one road authority to take responsibility for the entire route, leading to better and seamless management of this route.

When President Cyril Ramaphosa visited the capital Mahikeng a few months ago, he gave an undertaking that the N12 would be fixed as a priority, and SANRAL has been hard at work to make sure that we deliver on this promise.

The Minister of Transport Fikile Mbalula, under whose guidance SANRAL works, also visited the province recently to assess our progress. We expect the repairs and upgrades to be completed soon.

The Minister recently launched the nationwide Operation Vala Zonke campaign to rid the entire country of potholes, and as a result we expect to see much improved roads very soon. Play your part by downloading the SANRAL Pothole app from the Google Playstore or Apple app store, which you can use to let us know the exact location of any potholes that need fixing.

Once the work has been completed, the pothole challenges will be gone and we will address the challenge of drainage, leaving a much newer, safer road for citizens to enjoy.

In this publication, we reflect on the Minister's visit and ask some residents for their opinions.

SANRAL continues to engage with various stakeholders about all the projects we are planning in the province – whether they be routine road maintenance or road infrastructure projects. Stakeholder engagement is one of the key pillars of SANRAL. We believe that we should not only be working for communities, but also with them. We give some details about the projects we have in the province and explain the rationale behind our stakeholder engagements.

On all our projects we are driven by transformation and localisation objectives, and we try to ensure that at least 30% of all contracts spend is allocated to local communities. We also try to ensure that small, medium and micro enterprises (SMMEs) – especially companies owned by youth, women, the disabled and military veterans – benefit from our projects. As a state-owned company, we must assist government with the transformation of our economy.

We take a look at one of the SMMEs that have benefitted from working with SANRAL as well as at the role played by our Stakeholder Development Desk in making sure that the lines of communication between us and our stakeholders remain open.

We hope you find the contents of this publication useful and informative.

LEHLOHONOLO MEMEZA
SANRAL ACTING CEO

The road network in North West province, which traverses approximately 2,600km, is generally in good condition.

The N4 in the province, connecting Pretoria and Gaborone in Botswana, is managed by Bakwena under a concession arrangement. Various sections of the N4 are currently being turned into dual carriageways in response to increased traffic volumes.

Some sections of the network are close to the end of their design life and require major works to be carried out. SANRAL has identified several projects which it will be embarking on to improve these identified sections.

SANRAL has recently completed some major works on the R511 in Madibeng Municipality, as detailed in this publication. Also, some reseal projects have been completed on various sections of the N12 between Gauteng and the Northern Cape province.

SANRAL will be implementing new projects on the N14 to improve the riding quality. There are also major upgrade projects planned, including work on the R52, N018, R024, R501 and R504. These projects represent SANRAL's investment into the province to the order of several billions of rands. SANRAL envisages that these projects will create many jobs and provide much needed opportunities for small, medium and micro enterprises (SMMEs).

SANRAL continues to partner with its concession partners for the delivery of infrastructure in the province. Various initiatives have been implemented through this partnership, which have resulted in the training of SMMEs.

The agency also recently partnered with the provincial Department of Public Works and Roads for the delivery of necessary interventions on the N12 in Potchefstroom, Klerksdorp and Wolmaransstad. The required maintenance interventions have by and large been completed, and have delivered a good-quality road to motorists traversing the province.

We will continue to deliver good-quality road infrastructure in the province, which our stakeholders can enjoy and be proud of for decades to come.

Message from the Regional Manager

PROGRESS HLAHLA
SANRAL NORTHERN REGION, REGIONAL MANAGER

SANRAL responds to the challenge of potholes on the N12

The South African National Roads Agency SOC Limited (SANRAL) has deployed construction teams and specialists to start work on the N12 national road in North West province.

The N12 transverses three towns – Potchefstroom, Klerksdorp and Wolmaransstad – in Dr Kenneth Kaunda District Municipality. The road, which is referred to as ‘The Treasure Route’, also connects to Gauteng, the Northern Cape and, ultimately, to Cape Town in the Western Cape.

In March the Minister of Transport Fikile Mbalula asked the roads agency to act rapidly to address the challenge of potholes and the parts of the N12 which are in an undesirable state.

After the Minister’s call, the roads agency mobilised a rapid-response team to deal with the identified issues on the network. SANRAL also mobilised the routine road maintenance teams and existing contractors in the vicinity of the N12 to assist.

Although the identified parts of the network fall under the jurisdiction of the North West provincial government, the roads agency was appointed as an agent to carry out the required repair work. SANRAL embraced this role, since it has an even greater mandate and responsibility to deliver quality roads for the benefit of all citizens, and to promote the free and safe movement of goods and people.

Work on restoration of selected pavement areas followed by asphalt commenced on 11 April 2022. The asphalt was completed on 27 July 2022 for Wolmaraanstad and 29 July 2022 for Potchefstroom and Klerksdorp.

Budget allocations and total spend to date are as follows:		
Town	Allocated Budget	Actual spend to date
Potchefstroom	R11.99 million	R 9.04 million (by 18 August 2022)
Klerksdorp	R23.01 million	R 17.90 million (by 18 August 2022)
Wolmaransstad	R27,34 million	R 25.70 million (by 10 August 2022)

Minister Mbalula encouraged SANRAL, the provincial government and the community to work together during the roll-out of the project, and acknowledged that there is still more work to be done.

Once the work has been completed, the pothole challenges will be gone and the challenge of drainage will be addressed, leaving a much newer, safer road for the citizens to enjoy and be proud of.

Periodic maintenance footprint across the province

Routine road maintenance

Maintenance of roads is an ongoing process, and the only consistent activity within the SANRAL road network that is critical in creating jobs for local communities and subcontracting opportunities for targeted businesses on an ongoing basis.

There are a few routine road maintenance (RRM) projects currently underway in the North West province, including those outlined below:

Stakeholder engagements lead to a consensus for the improvement of N12

During the Presidential Imbizo, soon after the State of the Nation Address (SONA) in February, President Cyril Ramaphosa, accompanied by Transport Minister Fikile Mbalula, interacted with communities in North West, to oversee the implementation of the District Development Model. This model integrates planning and budgeting across all three spheres of government. The imbizo provided a critical platform to ensure that citizens were heard and involved in development.

At the heart of some of the concerns expressed by locals was the deteriorating state of road infrastructure in the province and the lack of job opportunities for young people. In his response Minister Mbalula singled out Maquassi Hills Local Municipality, whose main tarred road had literally been swept away by floods. An agreement was reached with the Premier that SANRAL would take over rehabilitation of the roads in some parts of North West, which in turn would result in the creation of jobs for locals.

Rehabilitation of the National Road N12 which transverses three towns – Potchefstroom, Klerksdorp and Wolmaransstad – under Dr Kenneth Kaunda District Municipality was identified as a key project to tackle some of the issues raised. The road is key to the transportation of goods and services between the Northern Cape, North West and Gauteng, to Emalahleni in Mpumalanga.

Before the start of the project, the SANRAL stakeholder team led by Ms Jullecsia Saul initiated stakeholder engagement sessions with all key stakeholders affected by the project, to find suitable working solutions to the benefit of all. Some of the issues and insights from the stakeholder engagements and social facilitation included the following:

- There is a need to empower, upskill and capacitate emerging contractors from both a technical as well as a business skills perspective. Areas of concern include, but are not limited to, pricing, etc.
- Localisation in procurement processes is an area of interest for multiple stakeholders; however, capability and capacity are equally key to enhancing the applicability of the localisation principle.
- There is a perception that outsiders are constantly being brought in by the main contractor to do subcontracting

work that SMMEs in the area can deliver on. It is important to note the extent to which this project has accommodated CIBD grading below level 3 and joint ventures.

- Women and youth SMMEs have expressed feeling excluded from SANRAL/TRAC work and that the technical requirements further exclude them from participating. They have stated that the tender documents are not user-friendly. It is key to note that this project included some women-owned SMMEs.

The accommodation of women-owned SMMEs was in line with SANRAL's Transformation Policy, which sets clearly defined targets for the participation of Black contractors, professionals and suppliers in all projects commissioned by the roads agency. Through this policy, SANRAL strives to ensure that the communities receive job opportunities and that SMMEs receive subcontracting opportunities through its projects, which will continue to benefit them through routine

road maintenance long after construction has stopped.

After the engagements SANRAL managed to roll out several packages along the N12, and qualifying stakeholders were encouraged to take part in the project. These projects have brought positive economic benefits for the communities of Dr Kenneth Kaunda District Municipality, particularly SMMEs:

- Wolmaransstad – two emerging contractors have benefitted from the project and 26 local people gained employment.
- Klerksdorp – one emerging contractor benefitted from the project and 12 people gained employment.
- Potchefstroom – one emerging contractor benefitted from the project and 29 people gained employment.

Improved and safer access roads and reduced travel times will also stimulate further economic growth through this project.

ONE GOOD DECISION CAN KEEP YOU SAFE.

Some pedestrians risk their lives by crossing busy highways. This is unsafe and puts other road users in danger as well. SANRAL has erected pedestrian bridges to make it easier for you to cross the highway. Walking to a bridge may take a bit longer, but it could be the difference between life and death. Just one good decision is all it takes to keep us all safe on our roads.

Reg. No. 1998/009584/30 An agency of the Department of Transport.

Reconstruction of R511 completed

The South African National Roads Agency SOC Limited (SANRAL) has successfully completed reconstruction on the National Road R511.

The project, valued at R171,092,258.77 (including VAT) was for partial reconstruction of the R511 section 3 from D2720 (km 10.6) to Beestekraal (km 36.2) in Madibeng Municipality in North West province.

The contract, undertaken by NZK Footprint Engineers CC, was initially planned to take 18 months, starting on 14 January 2019, and was to be completed by 31 July 2020. However, it was slightly delayed due to community unrest and the contractor's financial challenges, which SANRAL managed to resolve through constant stakeholder engagement. This assisted in ensuring successful completion of the project on 28 May 2022.

The scope of work for the project included:

- Strengthening of pavement layers and construction of a new base course along the entire route
- Reconstruction of sections of selected layers
- Reshaping of open side drains
- Construction of new subsoil drains
- Construction of new culverts
- Lengthening of minor culverts
- Repairs of culvert inlets and outlets
- Replacing of existing fencing
- New guardrails at major culverts
- Resurfacing with seal and asphalt at selected areas
- Road widening for temporary traffic accommodation
- Road widening for permanent works
- Building of a retaining wall for road layers at localised sections

In addition, some of the old road signs were dismantled and replaced, and new speed restriction signs were erected. Some of the temporary works on the project included maintenance and repair of the existing carriageway for traffic accommodation.

As part of its Transformation Policy and commitment to the Government's policies, such as adherence to the Reconstruction and Development Programme, SANRAL included in the contract that the main contractor provide work opportunities for local communities and training for small, medium and micro enterprises (SMMEs) to ensure maximum participation in subcontracting opportunities. Training given to locals included training in the operation of TLBs (tractor loader backhoes) for 20 candidates, excavator operation for 20 candidates, training Code 10 drivers for 62 candidates, and student experiential training for two candidates (see below for details).

No.	Training type	Candidates	Wards	Status	Start – end date
1	Excavator	20	1, 14, 40	Complete	11 November 19 – 22 November 2019
2	TLB	20	1, 14, 40	Complete	11 November 19 – 22 November 2019
	Driver's Code 10	20	40	Complete	11 November 19 – December 2020
3	Driver's Code 10	20	1	Complete	11 November 19 – December 2020
4	Driver's Code 10	26	14	Complete	11 November 19 – December 2020
5	Student experiential training	2	1, 4	Complete	May 2019 – October 2021

R511 Section 3m - Road Construction

The total budget set aside for targeted enterprises was R29,464,914.17. About R5,892,982.83 was spent on women-owned companies, and a similar amount was spent on youth-owned companies.

For work opportunities, the contractor was obliged to spend 6% (about R8,926,552.63) of the contract value on local labour which had to include youth and women. At least 2,144 local labourers were employed on the project. The total number of women employed was 778 as well as 1,424 youth under the age of 35.

FAQs

SANRAL commits to eradicate potholes on SA roads

Potholes have remained a problem and have posed a danger to road users throughout the country. When the Minister of Transport, Fikile Mbalula, visited the N12 national road in Wolmaransstad in the North West earlier this year, following up on the Presidential Imbizo in that province in March, he was made aware of the severity of the pothole problem in the province. The bad roads, caused mainly by potholes, are one of the major hindrances to economic growth in that province.

In June, Minister Mbalula expressed his department's commitment to repair potholes on South Africa's roads and has appointed the South African National Roads Agency SOC Limited (SANRAL) as the implementing agency to assist provinces and municipalities to eradicate potholes on their road networks.

The government has since initiated the 'Vala Zonke – Fixing Potholes Together' campaign to address the

issue of potholes on selected roads for struggling municipalities across the country. The campaign was launched by Minister Mbalula on the 8th of August 2022 at the R57 in Sasolburg, Vanderbijlpark, Emfuleni Local Municipality in Gauteng Province. Similar launches were held simultaneously in other provinces, such as the Eastern Cape and the Northern Cape, which were attended by provincial Premiers and MECs.

1. WHY IS THIS ONLY BEING ADDRESSED NOW?

Government has heard the cry of road users and business when it comes to the true impact of potholes on their safety and motor vehicle operating costs. As a government we had to respond to this cry as it is our responsibility to make sure that services are delivered to our people.

2. HOW WILL COMMUNITIES BENEFIT?

There will be increased safety and less motor vehicle operating costs. From the programme itself jobs will be created and there will be business opportunities for those involved in the roads construction sector.

3. ARE SERVICES BEING DUPLICATED SINCE PROVINCIAL AND MUNICIPAL ROADS DEPARTMENTS HAVE BUDGETS AND MANDATES?

Services are not being duplicated, but this is a collaborative effort. SANRAL has been tasked to be the leading implementing agency but working together with the others spheres of government. If anything, there will be improved efficiency in the use of government resources.

4. WHO IS PAYING FOR THIS? ARE WE TAKING FROM THE MUNICIPAL BUDGET?

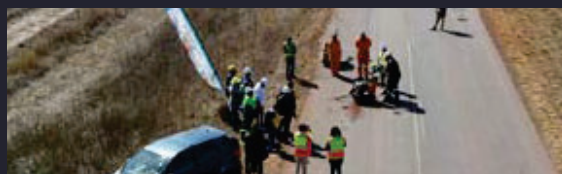

Provinces have a share in the provincial road maintenance grant. Some of the money will be sourced from that grant. When it comes to local government, the National Department of Transport is engaging with the South African Local Government Association (SALGA) on how the project will be cascaded and funded at local government level. But it must be understood that, at the end of the day, South Africa has one fiscus as it is not a federal state.

5. HOW IS THIS GOING TO BE ROLLED OUT?

The national launch on the 8th of August was accompanied by provincial launches where political principals joined contractors for purposes of fixing the potholes. Members of the public will be encouraged to report potholes using an App. Those reports will then be assigned to teams across the provinces who will go out to fix the reported potholes.

6. WHAT IS THE DURATION OF THIS PROJECT?

The first cycle will run for six months, after which there will be an evaluation. The next cycle will kick in thereafter and how long it lasts will depend on the number of potholes that, through the App and government's own data collection processes, would have been reported and fixed. It must be emphasised though that potholes are a symptom and not the underlying problem. The long-term solution will be to ensure preventative maintenance across all road networks.

7. IS SANRAL DOING THE PROCUREMENT, OR WILL THAT BE LEFT TO MUNICIPAL AND PROVINCIAL GOVERNMENT?

As the leading implementation agency SANRAL will do the procurement but this will not be in isolation from processes already underway in the provinces. As alluded to above, this is a collaborative effort.

8. CONSIDERING THE RECENT FINDINGS OF THE ZONDO COMMISSION INTO STATE CAPTURE, WHICH REVEALED THE GRAVE MISUSE OF PUBLIC FUNDS, HOW WILL YOU PREVENT CORRUPTION?

We have anti-corruption lines across government and these, among others, will be used to report corruption. Also, there will be a verification process to ensure that the reported potholes do indeed exist before funds are deployed.

9. WHY HAS SANRAL BEEN GIVEN THIS RESPONSIBILITY? DOES IT SPEAK TO A FAILURE AT LOCAL AND PROVINCIAL GOVERNMENT?

SANRAL has a relatively good road network and it is believed that some of its best practices can be shared with other spheres of government. Where there is a skills challenge, SANRAL will assist with the transfer of skills to other spheres of government.
