NEIGHBOURHOOD WATCH MEMBERS TARGETED

**Derby** – The Derby Buurtwag and Policing Forum (PF) has become a force to be reckoned with. *Platinum Weekly* has been featuring its relentless efforts in the fight against crime over the past year. One of the PF members was lured out of his house and stabbed in the early hours of Tuesday 17 January 2023. He was asleep when he heard someone call him and went outside to investigate. One of his attackers started talking to him as a distraction while the other came from behind and stabbed him with a knife in the shoulder blade. The attackers then fled the scene. He was taken to hospital for treatment. According to Derby Buurtwag's Peet Els, they suspect that it might be 'nyaope' users who attacked the PF member. "We often receive threats because the criminals feel threatened by us. We have already received information on whom their next target is going to be," Els added. In the *Platinum Weekly* issue of 29 January 2022, we reported several crime-related incidents that took place in Derby in the span of a week. Crime continued to escalate with incidents of breaking and entering, theft, and even a courier being held at gunpoint. During August 2022 criminals were running rampant and neighbourhood watch members spent night after night driving up and down, responding to numerous criminal activities. Since the introduction of the PF, who patrol the Derby streets on bicycles, crime started to decrease and according to Els, during December they had no serious incidents to respond to. "We are starting to get the upper hand and the criminals don't like it. We won't back down in keeping our community safe," Els added.

A member of the Derby Policing Forum (PF) was lured out of his house and stabbed in the shoulder blade.

MAN SHOT ON SMALLHOLDING BY CABLE THIEVES?

**Mooinooi/ Elandskraal** – Sarel Minnaar was shot on his smallholding outside Elandskraal in Mooinooi on Thursday 12 January 2023. Sarel and his wife were patrolling their smallholding in their bakkie with their dog after they noticed a suspicious vehicle. They managed to locate the vehicle and suspected that someone was trying to steal copper cables. Sarel immediately called for backup, and just as the neighbourhood watch confirmed their dispatch, bullets started to rain down on Minnaar and his wife. "Several of the suspects started shooting at us and I could see that at least one of them knew what he was doing," Minnaar said in an interview with *Platinum Weekly*. Minnaar was hit in the shoulder, but luckily his wife didn't sustain any injuries. His dog was injured by a piece of glass which shattered from their bakkie's

window, which was hit by a stray bullet. Minnaar went to hospital for treatment, but the cowboy and his dog are currently recovering at home—with the bullet still lodged in his shoulder. "We found a clear bullet hole in the headrest where my wife was sitting," said Minnaar, "I believe that a higher power was protecting us, and it's only by grace that we are still alive. My bakkie is full of holes, I'm full of holes, and my dog was injured, but we are all alive and for that I am grateful." Magalies East Radio Group's Ben Potgieter said that they received the call for help at around 21:00 and responded to the scene, but the culprits managed to flee the scene through the back roads in a white Hyundai bakkie. Minnaar said that they had to deal with yet another cable theft incident since the shooting confrontation. Brits police spokesperson Maria Nkabinde

confirmed that a case of attempted murder has been opened at the Mooinooi police station and that no arrests have yet been made. **Anyone with information about the incident should please contact investigating officer detective sergeant Tshepo Majola at 082 416 3598.**

TRAIL OF

TO MURDER

MASTER YOUR MINDSET!

**Rustenburg** – Matrics of 2022 have been sitting on the edge of their seats, awaiting their results - released on Thursday 19 January 2023.

For some, passing was a sure thing, while many find themselves in limbo, not knowing how to handle not passing their matric.

It is important to know that getting your matric is not the be-all end-all. You must be prepared to keep on gaining knowledge and empowering yourself if you want to be at the steer of your destiny. It is just as important to know your options if you did not pass your Grade 12 finals. Often it is a chance to try again and do better.

Firstly, investigate and find out if you qualify for supplementary exams, if you don't, you should still be able to redo Grade 12 (in most situations). It might not be an easy task to do a whole year over, but it sure is a worthy one!

There are also technical and vocational education and training colleges that can assist you to gain a qualification. Having a certificate from a TVET college—or any other accredited college—can help you to get employment or to get into a university of technology.

Whatever you do, don't give up! It is important to understand that your life's path is unique; if you keep faith in yourself, put in the effort, and accept that stumbling blocks are learning opportunities, you will get to where you need to be.

DROP IN FESTIVE ROAD FATALITIES

**North West** – There were less than 100 road fatalities in the North West Province roads during the festive season, according to statistics released by the Department of Transport minister Fikile Mbalula on Tuesday 17 January 2023.

Mbalula announced that the North West province had achieved a 21% drop in road fatalities.

**“North West fatalities dropped from 119 to 94, resulting in a 21% reduction,”** Mbalula said.

All other South African provinces, aside from Gauteng—which recorded a 5.5% increase—recorded a reduction in fatalities. “I must commend our traffic officers, police officers and all members of the emergency and rescue services who sacrificed their time away from their loved ones to ensure that you and I reach our destinations safely,” Mbalula said.

He called upon motorists to be careful while driving on the roads. “To motorists out there, exercise care and patience when on the road. Be patient at the various law enforcement interventions and remember that these officers are out there doing a thankless task, exposed to the elements, just to ensure our safety,” Mbalula said.

Minister of transport Fikile Mbalula said the decrease in road fatalities was the result of more visible policing by law enforcement agents.

**Koster** – A decomposing body discovered on a plot in Doornlaagte on Wednesday 21 December 2022 has landed five men, who were arrested on murder charges, in court.

Stefan Nel (54), Donovan Martin (20), Mustafa Albertryn (39), Wayne Schroeder (52) and Adam Barnard (24) appeared before the Koster Magistrates' Court on Monday 9 January 2023.

The case of the five, who are facing charges of murder, defeating the ends of justice, and possession of unlicensed firearms, was postponed to 30 January for a formal bail application. Police believe the five, who were arrested on 21 December 2022, are responsible for the murder of Klaas Mosimanyana Jobonotho. Jobonotho (32) was last seen in Koster and was reported missing between 16 and 21 December 2022.

Police became suspicious when, during their investigations, they were prevented from entering a plot in Doornlaagte by some of the suspects.

“The police managed to gain entry and discovered traces of blood on the floor and on a sleeping bag,” said National Prosecuting Authority (NPA) regional spokesperson for the North West Henry Mamothame said.

“More trails of blood led the police to a storeroom where they found a decomposed body, with hands tied and indications of severe beating. Two firearms and ammunition were also recovered,” he added.

A post-mortem being conducted on the body, as part of the investigations, is likely to shed more light on how the victim died.

All five suspects will remain in police custody until their next appearance in court.

Building rubble was dumped in front of Smurfieland Kleuterskool over the festive period.

## Grade 8s go camping!

**Rustenburg** – Your first year of high school is a terrifying but exciting time. Making friends and getting to know your peers a bit better is a great way to ease this transition.

Grenville High School's Grade 8s had a bonding experience when they attended a camp from Friday 13 January 2023 to Sunday 15 January 2023. It was a great opportunity for them to make new friends, learn valuable teamwork skills, life skills, conquer some fears, and practice for the upcoming Grade 8 concert. The learners really enjoyed the camp which was not only fun but also informative.

The school would like to thank the staff of Sediba Kwele for hosting the learners and making it a memorable weekend.

Grenville's Grade 8 learners had quite a bit of fun during the camp.

### Did you stay up until past midnight for the New Year?

Some people hold the tradition of staying awake until after midnight to greet the new year. On the other hand, others see it as just another day, so why stay awake?

Yes, I stayed awake for the new year. It was a great feeling!

**Moetieyane Seane**

Yes, I stayed awake for the new year. My family and I have a tradition of ushering out the old year and welcoming the new year in prayer and celebration.

**Olebogeng Tsikwe**

Yes, as a family we always enjoy waiting for the new year. It's a great experience for everyone and lots of fun.

**Marelize Meyer**

No, I didn't stay awake to welcome the new year as other people did. I decided to sleep earlier because I was busy cleaning the yard and painting the house weeks prior to New Year's Eve; so I was very fatigued! **Freddy Phogoane**

### PSALM 125

The Lord the Strength of His People  
A Song of Ascents.

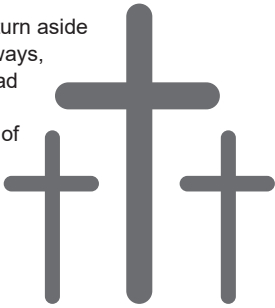

125 Those who trust in the Lord  
Are like Mount Zion,  
Which cannot be moved, but abides forever.  
2 As the mountains surround Jerusalem,  
So the Lord surrounds His people  
From this time forth and forever.

3 For the scepter of wickedness shall not rest  
On the land allotted to the righteous,  
Lest the righteous reach out their hands to iniquity.

4 Do good, O Lord, to those who are good,  
And to those who are upright in their hearts.

5 As for such as turn aside  
to their crooked ways,  
The Lord shall lead  
them away  
With the workers of iniquity.

Peace be upon  
Israel!

### Do you kill spiders?

Spiders play a very important role in our ecosystem. They catch bugs like flies and mosquitos, and because of this, many people consider them to be welcome visitors to a home. But for others, it can be quite a nerve-racking experience to have an eight-legged creepy crawly around. Make yourself heard by sending an email to news@platinumweekly.co.za or send us a WhatsApp at 081 579 7000 with the following information before 17:00 on Monday 23 January 2023:

- Yes, I kill spiders.
- No, I don't kill spiders.
- The reason for your answer.
- A recent photo of yourself—so we can publish your pic with your answer.
- Your contact details.
- Please also indicate in which town/ city you stay.

The results of the votes will be published in our next issue. **P.S. You can also give your opinion by commenting on our Facebook post.**

**Phokeng/ Rustenburg** – Royal Bafokeng Sports (RBS) has once again demonstrated its ability to produce talented basketball players and coaches. Through their partnership with the National Basketball Association (NBA) Africa, RBS has unearthed a player and coach who were selected to take part in the Women's NBA

Academy camp in Senegal between 5-8 December 2022. They had a blast! Talented 15-year-old player Reatlegile Taukobong and basketball coach Boitshoko Tau travelled from South Africa to the NBA Academy in Saly, which is a beach resort area in the Petite Côte region of Senegal. Taukobong described the experience of taking part in the camp as life changing. "I was very excited to be there. The pressure for me to do well was there, but I was driven by the desire to improve myself. For 2023 I am going to keep moving forward with the aim of growing in the sport. My dream is to get a basketball scholarship that will enable me to play in the United States of America." NBA women's coordinator Elri Liebenberg congratulates Tau and Taukobong on their success and the pride that it has brought to the NBA "Coach Tau was one of four coaches selected from the continent of Africa while Rea was one of 24 players from Africa chosen to be part of the camp," says Liebenberg, "This is a significant achievement for us because only the top talented players from the continent were selected. This opportunity gave both the coach and player a chance to learn from the Women's National Basketball Association's (WNBA) coaches and players. Coach Tau has brought back the skills she learned and will apply them to her team and teach other RBS coaches. Rea has a very bright future ahead of her and we are all very proud of their achievements."
