Rustenburg -
On Wednesday
morning
11 October 2023,
a business
neighbouring a
liquor storage
yard, faced a
tipsy turmoil as
stacks of beer
crates, towering
approximately two
storeys high in the
adjacent yard, lost
their balance.

The crates
crashed onto
their carports,
unleashing a flood
of frothy liquor.
Luckily, no one
was injured in the
beer avalanche,
though questions
about safety
measures at the
storage yard are
now bubbling to
the surface.

Insurance
companies brace
for frothy claims
as investigations
into the spillage
and damages are
bound to pour in.
Bottoms up—or
down—to a close
call!

The towering crates of
beer came crashing down.

BOTTOMS DOWN...

Tree-felling travesty [Letter to the Editor]

Driving past Hartley's Pub & Restaurant on the Donkerhoek road, I noticed that a bunch of what seemed to be indigenous trees had been chopped down. It was a shocker seeing that once green spot, bare.

Does anyone know what's going on? There's been no info, no announcements, nothing. We're left scratching our heads, wondering why our lovely green corner has turned into a stump graveyard. If anyone has information on this, could you please share it with the rest of us? We're all for progress and development, but not at the expense of our green spaces, right? It would be a relief to know there's a good reason behind this.

#Stumped!

Platinum Weekly reached out to the Rustenburg Local Municipality for comment and received the following response: "Would like to request the reporters of this incident to get hold of our call centre which is well placed to address their concerns. They may provide the full description of the place and other necessary details to help elicit a positive response".

Additionally, Platinum Weekly also reached out to the Department of Environmental Affairs but had received no feedback at the time of going to print.

STEALING CHRISTMAS CHEER

1 A Loerie Street was the source of the neighbourhood's Christmas sparkle

Rustenburg - For many years, Charmaine and Mervin Coetzee at 1 A Loerie Street were the source of the neighbourhood's Christmas sparkle. Their home, adorned with meticulously painted bulbs and intricately wired lights, drew crowds from near and far every festive season. However, this Yuletide, a shadow of gloom replaces the usual brilliant spectacle.

In the previous festive season, thieves descended upon this sanctuary of Christmas joy. "It was on the second night when we noticed some lights were missing," recalls Charmaine. By the dawn of 30 December 2022, a heartbreak scene unveiled. Lights severed, cherished decorations vandalised, and the two beloved snowmen stolen.

The stolen décor was partly recovered at a nearby preschool, leading to the brief arrest of the culprits. However, the damage was done. Every piece, crafted with immense dedication by the Coetzees, told a story of Christmas past and embodied the spirit of the season. The theft not only dimmed the lights but also the hearts of those who found joy in this annual display.

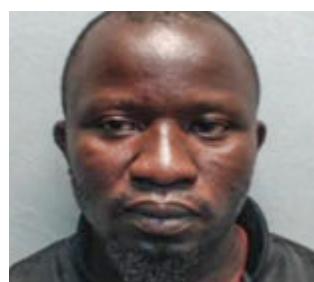

"It will take about two years to recover," said Charmaine, her voice echoing the sadness of a tradition interrupted. The neighbourhood too will feel the absence of the enchanting display that turned 1 A Loerie Street into a beacon of Christmas cheer.

But hope, as intrinsic to Christmas as the lights themselves, is not lost. The Coetzees vow to return, brighter and more splendid, for the 2024 Christmas season.

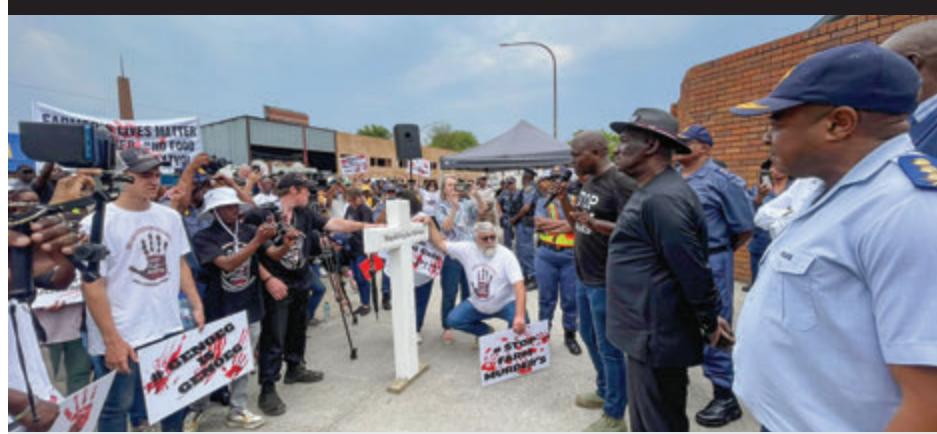

The stolen snowmen.

TWO RECAPTURED, SIX STILL AT LARGE!

Mogwase - On Tuesday 10 October 2023, an escape unfolded at the Mogwase Magistrates' Court when eight detainees awaiting trial overpowered a security member and fled the holding cells. The escapees pushed the burglar door open and scattered in different directions after the officer had unlocked the cell door. However, a few minutes later, two of the detainees, Lebogang Mokotleng (27) and Tshepang Raselemane (25), were swiftly rearrested at the Mogwase Taxi Rank. Mokotleng is charged with robbery with a firearm, attempted murder, and unlawful possession of a firearm and ammunition. Raselemane faces similar charges, including possession of suspected stolen property. The other six detainees, all facing serious charges including murder and robbery with a firearm, remain at large. Photo of Keitumetse Lekolomi was not supplied. The police have urged the public not to attempt to apprehend these dangerous individuals but to contact lieutenant colonel Shimane Kubyadi on 082 856 1087 or the Crime Stop number on 08600 10111. Information can also be provided anonymously via the MySAPS App.

A PLEA FOR FOCUSED POLICING ON #FARMKILLINGS

The activists expressed their readiness to collaborate with the police in addressing farm attacks.

Brits - minister of Police, general Bheki Cele, and North West provincial commissioner lieutenant general Sello Kwena, along with the management of the Brits policing precinct, received a memorandum of demands on Tuesday 10 October 2023 from the Brits Stock Farmers Association community. They called on Minister Cele and SAPS to shift their policing focus and resources to #FarmKillings. The activists said that they are willing to work with the police to tackle farm attacks. In response, minister Cele reminded the association that the safety and security of rural farming communities remains a priority for SAPS. The National Rural Safety Strategy (NRSS) at rural police stations continues to address rural safety as an integrated day-to-day policing approach. It ensures a multidisciplinary approach between SAPS and all stakeholders concerned to improve the safety and security of all persons living and working on farms. Between 1 April and June 2023, 14 people were killed on farms. The NRSS, in place amongst other things, emphasises the involvement of community structures such as the CPF, working together with the SAPS for better results and sharing of resources, especially as many rural stations are dealing with personnel and resource challenges.

THIRTEEN ZAMA ZAMAS ARRESTED

Rustenburg - On Wednesday 4 October 2023, thirteen suspects, aged between 18 and 27 and alleged to be Zama Zamas, were arrested by Sibanye Protection Services near the Rustenburg Municipality landfill dumping site while emerging from an opencast incline.

It is said that Sibanye Protection Services were on a routine patrol early in the morning when they noticed the incline, and the suspects. "They kept observation while calling for backup. The suspects started resurfacing from underground, one by one, with nothing in hand. They were immediately arrested and handed to the Rustenburg police. They were all charged with contravening the Health and Safety Mine Act and trespassing," said police spokesperson sergeant Ofentse Mokgadi.

During preliminary investigations, it was discovered that all the suspects were foreign nationals from Mozambique, and a charge of illegal immigration was added. The suspects appeared before the Rustenburg Magistrates' Court on 6 October where their case was postponed to 1 November.

The Bojanala Platinum Sub-district 2 commissioner, brigadier Mamotsamai Ntoagae, thanked Sibanye Protection Services for the arrests and their contribution to the fight against illegal mining.

The chicken, or the egg?

SA - With the avian influenza at large and eggs at a low, many have debated whether there will be chicken on the table this Christmas. However, Izaak Breitenbach, CEO of the South African Poultry Association, says South Africa is a big country that produces in the region of 21.5 million broiler birds per week. "I would expect the highly pathogenic avian influenza to impact the supply of chicken meat to the industry, but I do not think we will run out of chicken meat coming up to Christmas".

North West MEC for Agriculture and Rural Development consults farmers affected by fires

Mohono said the consultative process was an attempt by the government to bring about a solution-driven approach to fires that are experienced by farmers in the two districts.

North West - Following a series of veld fires that affected farming areas in the North West province, the North West MEC for Agriculture and Rural Development, Desbo Mohono has called on stakeholders in the agriculture sector to work together with the Department to prevent disaster brought about by veld fires. MEC Mohono has concluded the consultative process with the farmers affected by veld fires.

The process, which started on Tuesday 3 October and ended on Wednesday 4 October 2023, was for farmers in the Dr Ruth Segomotsi Mompati and Bojanala Platinum Districts, respectively, as these are areas that have been hardly hit by the raging veld fires.

A lot of farming areas have been affected, resulting in a significant reduction of grazing as well as damage to on-farm infrastructure. The Fire Protection Association of South Africa has recorded at least 243 incidents of veld fires at the Dr Ruth Segomotsi Mompati alone, where many livestock died, and some farmers and assistants were injured.

Mohono said the consultative process was an attempt by the government to bring about a solution-driven approach to fires that are experienced by farmers in the two districts.

"We are aware of the unfortunate recurring incidents of veld fires that have severely affected many farmers across our province. We are doing this consultation to see how best we can help each other. Government has limited resources to carry the remedial process alone. It is therefore imperative that farmers come on board as we try to develop solutions that will not only assist now but are bound to impact positively in a long term," Mohono announced.

Mohono said that there needs to be preparation ahead of dry seasons, especially in areas that have been affected before. "Annually veld fires result in disastrous losses of natural grazing, animals, and infrastructure, and in some instances loss of human lives. We need thorough preparation so that as the season that is prone to veld fire starts, we are able to respond accordingly," added Mohono.

Although the Provincial Disaster Management Centre acknowledged that a recommendation has been made to the National Government to declare both Kagiso Molopo and Bojanala Platinum Districts disaster areas, Mohono said the provincial government and all relevant stakeholders in the province should be prepared to curb veld fires going forward. "We need to be very cautious in our farming areas and motivate everyone around to do

so. Farm inhabitants and motorists must continue acting wisely when dealing with open fires and when operating machinery or smoking. These fires start small, but they cause a lot of damage," Mohono further pleaded.

After the rapport gathered from the consultative process, and whilst awaiting the National Government state of disaster declaration request, Mohono will engage internally in the department to determine available resources that will relieve the affected farmers. The department would also engage further and facilitate the firefighting training process.

The farmers in both Districts have welcomed MEC's assertion that a multisectoral approach is key to curbing veld fires. Mr Mosimanegape Gaasenwe, a farmer in Kagisano Molopo said that although they are desperate for an immediate intervention thorough work needs to be done for farmers not to have the same experience in the future. He said they are willing to work with the government to find long-lasting solutions to incidents of veld fires.

The Department has already delivered firefighting skid units to farmers in the Kagisano-Molopo Local Municipality as part of its effort to combat veld fires. **Department of Agriculture and Rural Development, press release, 6 October 2023.**

A part of the Kgaswane mountain range once again took flame on Thursday 5 October. For several weeks, Platinum Weekly has reported on fires started due to ignorance and negligence of the fire ban, which stands until the first 21 mm rainfall has been received.

Uniting traditional and modern healthcare in South Africa

Rustenburg - Job Shimankana Tabane Hospital (JST) urges Traditional Health Practitioners (THP), modern health professionals, and members of the public to unite in improving health care services. Traditional Medicine Day is commemorated annually in August; however, JST Hospital wishes to extend this observation as it significantly affects how healthcare service is rendered daily. The hospital also aims to educate the public and all associated stakeholders regarding the envisaged collaboration beyond the set commemorative period. Traditional medicine refers to the use of natural plants and remedies developed through generations of people and cultural beliefs. Traditional Health Practitioner and member of JST hospital board, Ms Malebo Nkomo says, "the DOH together with some of the THPs have partnered and forged a collective relationship to render healthcare services to increase life expectancy. There is still a huge gap regarding the referral system and accommodation of both modern and traditional medicine by different health practitioners. Patients/clients should be accommodated in both methods of healthcare or treatment without judgement." After the AL-AMATA declaration in 1979, a relationship was forged between the THPs and DOHs. They work hand in hand at various levels such as national, provincial, and local. It is at various institutions where traditional medicine is

not well understood, and the buy-in is still lacking. Different platforms have been created to interact and share knowledge and challenges experienced to maximise patient/client care. "Where there is an outbreak of diseases, many interactions take place for education and training, and consultations on how to fight such outbreaks from both sides. Communicable diseases, pandemics, early childhood diseases, and reproductive health are the main topics of engagement among traditional health practitioners and the department of health. So far, the relationship is good, yet still has much space for improvement," Nkomo concluded. JST Chief Dietician and board member, Mr Vukosi Msimeki says, "It is concerning that members of the public do not fully comprehend this relationship. This leads to patients/clients not disclosing other medicines being taken when consulting. It is critical that this relationship is improved, educating, and informing both Traditional Health Practitioners and modern Health Professionals, including the public, that a relationship is being formed so that it is easier for patients/clients to disclose their treatment received from either side. "It is also concerning that there is no proper regulation yet, hence some THPs practise without being registered and/or approved. This contributes to the discreditation of traditional health practitioners as they may be practising without proper training or understanding,

JST Chief Dietician Vukosi Msimeki (left) and THP Malebo Nkomo.

thus making it difficult to forge a harmonious relationship with the modern health practitioners. Some of the conditions or problems linked to the use of traditional medicines seen at the clinics or hospitals include diarrhoea, dehydration, renal and liver injuries, which may be fatal, especially to malnourished children," he concluded. To mitigate this, registration processes are underway so that there are practice numbers for traditional health practitioners for regulation, monitoring, and accountability. MEC for Health, Madoda Sambatha wittingly urged the THPs to register with the DOH as well as recognised professional bodies to obtain accreditation certificates of recognition in delivering healthcare services to patients.

JST press release, October, 2023.

Would you swim in the ocean?

The enigmatic deep, a dance of light and shadow, calm and storm. Would you embrace the ocean's serene splendour and untamed power with a daring swim? Dive in or stay ashore—what's your choice?

No. I enjoy swimming but will never do it in an open water source like a lake or ocean. Who knows what may be lurking underneath?

Farirayi Kahwemba

Yes, I would. I love the waves and the sea; I enjoy playing and swimming in the waves.

PROVERBS 25

Further Wise Sayings of Solomon

25 These also are proverbs of Solomon which the men of Hezekiah king of Judah copied:

2 It is the glory of God to conceal a matter, But the glory of kings is to search out a matter.

3 As the heavens for height and the earth for depth,

So the heart of kings is unsearchable.

4 Take away the dross from silver,

And it will go to the silversmith for jewelry.

5 Take away the wicked from before the king,

And his throne will be established in righteousness.

6 Do not exalt yourself in the presence of the king,

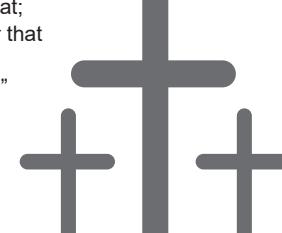

And do not stand in the

place of the great;

7 For it is better that he say to you, "Come up here,"

Than that you should be put lower in the presence of the prince,

Whom your eyes have seen.

DON'T DUMP YOUR BABY

– there are other options available

Rustenburg – Most women are ecstatic when they find out that they are going to be a mum. Unfortunately, this exciting time can also be very scary for expecting mothers. Sometimes, women find themselves alone, underage, ashamed, or without the necessary support structures in place to help them care for their babies. Under difficult circumstances, they might believe they have no alternative but to abandon their babies. Sadly, this often means that babies are wrapped in plastic, left in the veld, or dumped in dustbins like trash.

The social workers at Child and Family Welfare are always willing to work with expecting mothers and families who feel they can't take on the responsibility of a child. "Women need to know that there are alternatives available to them. They can reach out to a social worker who will discuss the different options with them through counselling," said Rustenburg Child Welfare social worker, Deidre Janse van Rensburg. "A social worker will also give you the necessary support during your pregnancy. If you inform a social worker that you intend to put your baby up for adoption, the social worker will assist you without any judgement."

Should you be unable to care for your baby, please go to a hospital to give birth. This will not only give your baby a chance at life but will also be beneficial to your health. By using the correct channels, the baby will receive an ID number, which will help with the adoption process where the mother has 60 days to change her mind. Mothers who abandon their babies without seeking assistance will be charged with concealment

of birth, where a DNA test is done to locate the mother who will face criminal charges if caught.

"I have been doing this for many years and my heart breaks every time I hear of a dumped baby," says Môrester Kinderhuis director Helen Lotz, who currently provides a safe place for abandoned children. "Even if a baby is born at home and you decide not to keep it, you can still go to the hospital and speak to a social worker," Lotz added. There are instances where women give birth at home, and the baby is stillborn. This can cause a woman to start panicking. If a baby is stillborn, a doctor needs to be contacted to declare the infant's death. If it's classified as an unnatural death, the police also need to be informed. If you did nothing wrong, there is nothing to fear as this is a normal and necessary procedure.

If you come across an abandoned baby, the first thing to do is to immediately contact the police. They will obtain the required documents from the Department of Social Development to ensure that the baby can be taken to a place of safety.

Whatever your circumstances, no matter how afraid you are, and whatever reasons you may have for not keeping your baby, please do the right thing and follow the right procedures to ensure that the life of the child is protected. Safe and legal alternatives are always available.

If you do not have someone to confide in, and you want to learn more about the available options, contact Rustenburg Child Welfare on 014 537 2014/2072.

Birding hotspots in Rustenburg

BirdLife Rustenburg members at Rockwall Dam.

Rustenburg - Rustenburg boasts a number of excellent birding sites. Some of the best water bird sites are Rockwall and Kroondal Dams – and then Kgaswane always offers some very interesting birds. Recently, Swee Waxbills, Bokmakierie, Little Bee-eaters, a Grey Tit-Flycatcher, and Orange-breasted Waxbills were seen in the reserve. Charles Foot, BirdLife Rustenburg chairman, will highlight some of these spots at the October monthly meeting. This will take place on Monday, 16 October 2023, at Methodist Church on the corner of Brink and Schuurman Streets and starts at 18:30. All members and non-members are welcome - non-members pay R30.00 per person.

The annual BirdLife Rustenburg weekend outing takes place from 19 – 22 October, and a number of the members are going to Mtunzini in KwaZulu Natal. They hope to see some special birds such as Spotted Ground-Thrush, Green Barbet, Green Malkoha, and Palm-nut Vulture, amongst others. The members who are not going on the Mtunzini outing can join the Kroondal Dam outing on Saturday, 21 October. Please contact Charles for more information. Feel free to contact Charles Foot (073 452 3874) should you wish to learn more about BirdLife Rustenburg and would like to attend the events.

WHAT'S Cooking?

Charmaine Coetzer with her delicious Vietnamese egg coffee.

Freshly prepared Cà phê trứng

Egg Coffee (Vietnamese) Cà Phê trứng

Rustenburg – Charmaine Coetzer traveled to Vietnam in May and attended a cooking class where she learned a unique coffee recipe. The Vietnamese are health-conscious and typically enjoy this coffee only once a week, usually on a Sunday.

Ingredients:

- 4 Egg yolks
- 4 Teaspoons of sugar
- 3 Teaspoons of honey
- 3 Cups of strongly prepared coffee filled only halfway
- A pinch of salt

Method:

1. Combine all the ingredients and whisk together for about 5 minutes at a moderate speed until light and almost white.
2. Pour it over the half cups of coffee
3. Sprinkle a little cocoa on top and enjoy!

If you would like to have your recipe featured in the *Platinum Weekly* newspaper (free of charge), contact Cayla Gerber at 081 579 7000 or email editorial@platinumweekly.co.za.

Rugby Wêreldbeker 2023

Die mees senuweeslopende deel van die 2023-rugbyskouspel het nou aangebreek. Vir sommige spanne is dit dalk makliker as gevolg van die lotings vanjaar. Ook is daar 'n hele paar beslissings deur wedstrydbeampies wat skokkend was en 'n span of twee beroof het van 'n plek in die top agt.

Die grootste nuus van die 2023-toernooi behoort egter aan Australië. Eddie Jones en sy Wallabies was skokkend swak en het vir die eerstekeer ooit teen Fidji verloor. Hulle het dit opgevolg met 'n rekordneerlaag teen Wallis, en vir die eerstekeer ooit in Aussie-geschiedenis het hulle nie 'n kwartfinale in die Wêreldbeker gehaal nie. Eina!

Dan is daar die Franse aardskudding...die ernstige wangbeenbesering van die Franse kaptein en skrumskakel, Antoine Dupont, wat hy opgedoen het in die wedstryd teen Namibië op 21 September toe Johan Deysel hom raakgery het. Dupont het 'n operasie ondergaan, herstel en is fiks verlaat om in 'n kwartfinale teen Suid-Afrika te speel. Dupont word nie verniet as die beste speler op planeet aarde beskou nie en is die spil waarom die Franse searsenal draai. Die mannetjie is beslis dapper!

Die tyd vir praatjies is nou verby, ou grote. Slegs vier spanne kan deurdring na die semi-finale, en die pot is behoorlik aan die kook, en twee van die tospanne in 2023 sal hulle tassies moet pak.

Ons hoop dat rugby sal seëvier en dat die wedstrydbeampies op hulle allerbeste eerlik en objektief sal wees.

Uitslae:

Donderdag 5 Oktober

- Nieu-Seeland 73-0 Uruguay

Vrydag 6 Oktober

- Frankryk 60-7 Italië

Saterdag 7 Oktober

- Wallis 43-19 Georgië
- Engelands 18-17 Samoa
- Ierland 36-14 Skotland

Sondag 8 Oktober

- Japan 27-39 Argentinië
- Fidji 23-24 Portugal

Bepalings:

Saterdag 14 Oktober

- Wallis 17:00 Argentinië (Skeidsregter - Jaco Peyer)
- Ierland 21:00 Nieu-Seeland (Skeidsregter - Wayne Barnes)

Sondag 15 Oktober

- Engelands 17:00 Fidji (Skeidsregter - Mathieu Raynal)
- Frankryk 21:00 Suid-Afrika (Skeidsregter - Ben O'Keeffe)

15 Oktober gaan 'n blou Maandag wees... Definitief 'n lang dag vir duisende Rugga liefhebbers...nag ou grote!

Be a part of Christ's light!

NG Protea Park's *Liggies vir Lewe*-Fees is an annual highlight on the church's calendar. During the festival, the church illustrates Christ's life through a wonderful display of lights! The theme of this year's festival is 'Starry Night'. In Van Gogh's famous painting, the lights in the houses shine brightly, but the church has no light. This year, NG Protea Park wants to add deeper meaning to the Christmas season by shrouding the church with a brilliant display of lights.

Each year, the church has helped many organisations with funds and donations, and with the festival, it aims to make a difference once again.

The festival's programme:

- Sunday 3 December: *Adam Tas*, will be performing, and the festival's lights will be turned on at approximately 20:00.
- Monday 4 December: *Bee-Bee die By en Heuning* will once again pay a visit, and kids are invited to dress up in their favourite bee costumes!
- Tuesday 5 December: *Skemer* takes the stage.
- Wednesday 6 December: The festival will draw to an end with beautiful Christmas carols. The motorbike club will also be involved this year with a special stationery collection initiative.

The funds raised during the *Adam Tas* performance will be donated to Spes Bona, a residential facility that provides a safe place for people with various disabilities who have nowhere else to turn to. Additionally, the stationery collected will be donated to David Brink Primary School's new Grade ones. Various food stalls will be available, which means that families can enjoy their dinner along with the entertainment and lights! The church would like to encourage community members to get involved with this year's festival, as everyone's help is needed to make it a success.

You can do this by:

- Donating meat and products to make *sosaties*.
- Donating pancake ingredients.
- Donating Christmas lights.
- Cash donations will help to cover various costs.
- Providing sponsorship for the artists who will be performing; companies will receive exposure, before, during, and after, by sponsoring an artist.
- Get involved by helping with the festival's arrangements; you can help with sales, *braaing* *sosaties*, baking pancakes, and so much more!
- Help with advertising the festival, especially by word of mouth.

God is the light that shines eternally through His church and His people. You are invited to be a part of Christ's light and to shine with your community!

For inquiries, please contact Christel Herbst on 082 785 2439, or email ngpparkkomm@mweb.co.za.

WEEKLY

A rising star

Rustenburg - In an interview on Friday, 9 October 2023, *Platinum Weekly* caught up with Reatlegile Taukobong, a Grade 10 learner at Fields College and a basketball talent to be reckoned with.

Reatlegile, known affectionately as 'Rea', has quickly risen to become one of Africa's most promising young female basketball players. With unwavering support from her family, dedicated coaches, and the Royal Bafokeng Sports programme, her career has been propelled in an exciting direction. Rea's journey has taken her to various corners of the globe, making stops in Senegal, Atlanta USA, and most recently, Rwanda. Throughout these travels, Rea has consistently represented her country and the entire continent with exceptional skill and grace.

Recently, Rea represented the Royal Bafokeng Jr.NBA at the FIBA Africa Regional Youth Camp for Girls in Kigali, Rwanda from 26 to 28 September 2023. A significant highlight of Rea's time in Rwanda was her selection as an all-star player among other talented girls from across Africa. This select group is now part of a newly formed all-star team,

opening doors to exciting international opportunities.

Speaking about her journey, Rea emphasised how international exposure has heightened her basketball IQ, enabling her to make better decisions while playing. She believes that her extensive training and the inspiration she draws from watching great basketball games have been pivotal in her development.

One aspect of her journey that Rea cherishes deeply is the ability to connect with people from around the world through the universal language of basketball. She expressed gratitude for her teammates and coach, acknowledging that her success is a product of collective effort and

shared learning experiences. Reatlegile Taukobong's story is not only one of personal triumph but also a testament to the boundless potential that can be unlocked when talent, dedication, and opportunity converge. As she continues to dazzle on the basketball court, the world eagerly awaits the next chapter in this remarkable journey. Rea Taukobong is a shining star who is sure to inspire many more young athletes to reach for the skies.
