## RUSTENBURG POLICE RESPOND TO VIDEO CIRCULATING ON SOCIAL MEDIA

A viral video sparks debate over police action on alleged drug activity near Rustenburg police station. Check out the video on Platinum Weekly's Facebook page.

**Rustenburg** – The Rustenburg police have addressed a viral video circulating widely on social media platforms, particularly TikTok, which accuses them of inaction regarding alleged drug peddling at a block of flats near the police station. The flats are reportedly occupied predominantly by Nigerian foreign nationals. Brigadier Sabata Mokgwabone expressed concern over the allegations, emphasising that while the police are constitutionally tasked with preventing, combating, and investigating crime, they cannot achieve this alone. He stated, "There's nothing wrong with exposing criminal activities, but it is vital to share such information with the police so appropriate action can be taken. This applies not only in Rustenburg but across all communities." Brigadier Mokgwabone highlighted that

numerous drug-related operations have been conducted at the flats and nearby streets, leading to arrests of suspects, including foreign nationals, and the confiscation of drugs. Many of these operations were intelligence-driven, demonstrating the police's commitment to tackling drug-related crimes. Community members are encouraged to engage with relevant authorities regarding issues like property acquisition, payment of rates and services, and the legal status of tenants. Police are addressing violations of the Immigration Act and drug dealing weekly through high-density operations like Operation Shanela. The police urge anyone with information about criminal activities to contact the South African Police Service (SAPS) Crime Stop number at 08600 10111 or share tip-offs via the MySAPS App.

# FIVE ARMED FARM ATTACKERS ARRESTED

**Koster** – In a violent farm robbery near Koster, five suspects have been apprehended and are now in custody. Brigadier Sabata Mokgwabone confirmed the arrests, stating, “Five accused persons were remanded in custody following a brief appearance before the Koster Periodical Court on Friday 10 January, for house robbery.” The suspects, identified as Lungelo Mavuso (25), Thabiso Ngwenya (27), Siboniso Magagula (30), Christopher Mothibe (48), and Punuka Van Rooyen (51), will return to court on Thursday, 16 January 2025, for legal aid arrangements. Their arrest came just hours after the robbery, thanks to a swift and coordinated effort by law enforcement and local farmers. The robbery unfolded in the early hours of the

morning when two armed men stormed the farmhouse, one wielding a firearm and the other a panga. The farm owner was attacked and threatened as the intruders demanded money. Despite their aggression, they failed to obtain cash but instead stole personal items, including a wedding ring, a wristwatch, and a Samsung cellphone.

Outside the house, two farm employees were held at gunpoint by one of the suspects. They managed to escape and raise the alarm.

The suspects fled the scene in the victim's Isuzu bakkie, but their getaway was short-lived. The vehicle became stuck in the mud just a kilometre from the farmhouse, forcing the attackers to abandon it and join accomplices in a waiting Suzuki Ertiga. The community's response was

immediate and resolute. Neighbouring farmers and police mobilised quickly, creating a net that the suspects couldn't escape. The getaway car was intercepted, and the suspects attempted to flee on foot. But their efforts were in vain. All five were arrested. The Suzuki Ertiga was also impounded as part of the investigation.

Preliminary investigations revealed that Mothibe and Van Rooyen are residents of Koster, while the other three suspects hail from Piet Retief in Mpumalanga.

Acting provincial police commissioner major general Patrick Asaneng commended the bravery and determination of all involved. "This success underscores the importance of rural safety initiatives in combating crime," he said.

JOHN 8

Jesus the Light of the World

8 But Jesus went to the Mount of Olives.  
2 Now early in the morning He came again into the temple, and all the people came to Him; and He sat down and taught them. 3 Then the scribes and Pharisees brought to Him a woman caught in adultery. And when they had set her in the midst, 4 they said to Him, "Teacher, this woman was caught in adultery, in the very act. 5 Now Moses, in the law, commanded us that such should be stoned. But what do You say?" 6 This they said, testing Him, that they might have something of which to accuse Him. But Jesus stooped down and wrote on the ground with His finger, as though He did not hear.  
7 So when they continued asking Him, He raised Himself up and said to them, "He who is without sin among you, let him throw a stone at her first."

A Christmas Miracle for the Booyesen Family

The Booyesen family at the airport, moments before their life-changing journey to Australia. From left: Hayley, Diana, Jayden, and JJ.

**Rustenburg** – For the Booyesen family from Rustenburg, North West Province, South Africa, Christmas 2024 will forever be etched in their hearts as a season of extraordinary blessings. This young couple, with two children — a son in primary school and a toddler daughter — found themselves embarking on a journey that many South Africans dream of but few dare to undertake. Their story is one of courage, sacrifice, and the incredible power of human kindness. Like many families facing limited opportunities in South Africa, they decided to immigrate to Australia in search of a brighter future. The road to this decision was not easy. After a year of relentless job applications and meticulous paperwork, JJ, a skilled professional, finally secured a job offer. But the challenges were far from over. The family had to navigate a whirlwind of preparations — finalising passports, packing belongings, and selling their home. The sale of their house, however, was delayed, leaving them financially stretched. With only a modest amount saved, they could afford their flights but knew they would have to live sparingly until JJ's first pay check arrived. Due to exorbitant shipping costs, they left behind most of their household belongings, packing only essential items into a few suitcases. The reality of leaving their homeland, especially on Christmas Eve, weighed heavily on their hearts. The farewell to loved ones, particularly Diana's mother, was heart-wrenching. In preparation for their new life, Diana joined a Facebook group for South Africans living in Australia, seeking advice on navigating public transport upon arrival. Little did they know, this simple inquiry would lead to an outpouring of

generosity. A family from the group offered to pick them up from the airport. Initially cautious, they hesitated, wondering if this could be a scam. But their fears melted away when two vehicles arrived at the airport, ready to transport them and their luggage. These strangers, now new friends, greeted them with warmth and drove them to their new home on Christmas Day. The surprises didn't end there. During casual conversations in the Facebook group, Diana had mentioned their plan to "camp" in their new house for the first month due to financial constraints. Without any request for help, group members rallied together in an extraordinary show of kindness. When the family arrived at their new house, they were overwhelmed to find it fully furnished. Beds with linen, a fridge, a microwave, cutlery, cookware, a washing machine, and even a television awaited them. The living room was beautifully arranged with a comfortable lounge suite, and beautifully wrapped gifts for the children. The kitchen fridge was stocked with an abundance of food, ensuring the family could enjoy hearty meals in their new home. Their young daughter, Hayley, wide-eyed with wonder, exclaimed, "I didn't know Christmas

Father also knew about Australia. He's so smart!" Her innocent words brought tears to Diana's eyes, an emotional reminder of how small acts of kindness can create unforgettable magic. The family's gratitude was boundless. One of the women who had helped furnish their home simply said, "Sometimes it's better to bless someone than to be blessed. But we know you will be blessed for this wonderful thing you've done for this family." Back in South Africa, Diana's mother shared her mixed emotions. "I was so stressed and full of anxiety when they left," she admitted. "But I know this is for a better future for my children and grandchildren." Upon hearing about the extraordinary kindness her family had received, she was moved to tears. "You can clearly see God's hand working here," she said, finding solace in the love and support her family experienced. This heartwarming story of a Christmas miracle serves as a powerful reminder of the strength of community, even among strangers, and the boundless capacity for human compassion. For the Booyesen family, their new beginning in Australia is not just a story of hope but a testament to the kindness that can light the way in the darkest of times.

"Yes, I consider myself incredibly fortunate to have a role that perfectly aligns with both my abilities and passions. What truly makes my job ideal is the profound sense of fulfilment I experience, knowing that I am making a positive impact on the lives of others." **Lesedi Mampone, Rustenburg**

"No, I don't believe in the concept of 'dream jobs.' Instead, I believe in 'dream salaries.' That said, I do think there are roles that are better suited to certain individuals based on their strengths and interests." **Jessica van der Westhuizen, Rustenburg**

FUN FACT

Did you know?

Did you know the term "shot of whiskey" might have roots in the Wild West? Legend has it, when cowboys were short on cash, they'd trade bullets for a drink. A single bullet, often worth about the same as a whiskey pour, became an acceptable form of payment in some saloons. While historians debate the truth of this tale, it's a fun reminder of the rugged ingenuity of frontier life. Whether fact or myth, next time you sip a shot, imagine the clink of a bullet hitting the bar!

Halalisan Vilakazi, a standout player from ORBIT College FC, skilfully challenged a Leruma United FC opponent during their intense match in the Motsepe Foundation Championship.

# ORBIT College FC kicks off 2025 with a victory!

**Rustenburg** – ORBIT FET College Football Club (FC) began their 2025 campaign in the Motsepe Foundation Championship with a hard-fought 1-0 victory over Leruma United FC. The match took place on Saturday 11 January 2025 at the Lucas Masterpieces Moripe Stadium in Atteridgeville.

ORBIT College FC's team manager, Percy Ntshabele, reflected on the match, saying, "Coming to this game, we knew it was going to be difficult as we were playing a team in position 15. The boys played well despite the rain and slippery surface.

It was our very first game of the new year, and although we created many chances to score, we failed to capitalise on most of them. However, we managed to secure a crucial goal through Thulani Jingana in the 58th minute of the second half, and that was enough to earn us the three important points we needed."

The victory places ORBIT College FC in a strong position as they gear up for their next challenge. They will face Black Leopards FC at Thohoyandou Stadium on Saturday 18 January 2025 at 15:30.
