BROTHERS ARRESTED FOR ROBBERIES AND KIDNAPPINGS

Brits/ Hartbeespoort Dam – A crime intelligence-driven operation led by the Brits Trio Task Team has resulted in the arrest of three brothers — Nyiko Sithole (26), Bennett Sithole (24), and Derrick Sithole (27) — who face charges ranging from house robbery and kidnapping to possession of suspected stolen goods. Captain Mpho Manyoba reported that the brothers were arrested individually between Tuesday 7 January and Wednesday 8 January 2025, in Winterveldt and Garankuwa. Nyiko was apprehended after his fingerprints linked him to house robbery and kidnapping cases in Hartbeespoort Dam from November 2024. During his arrest, police seized several suspected stolen items. Further investigation led to the arrests of his brothers. Bennett was implicated by Nyiko and traced to Garankuwa, where he was arrested. Bennett, in turn, implicated his younger brother Derrick, who was arrested on 8 January 2025. A search at Derrick's home in Soshanguve uncovered a Chevrolet Utility bakkie and other stolen items.

The investigation also led authorities to Morgan Mphela (51), who had bought a suspected stolen Isuzu bakkie from the brothers, intending to chop it for parts. Mphela was charged with possession of suspected stolen goods. The Sithole brothers are set to make their third appearance in the Brits Magistrates' Court on Wednesday 22 January 2025, following initial appearances on Friday 10 January, and Wednesday 15 January 2025. Mphela will appear separately in the Garankuwa Magistrates' Court. The acting provincial commissioner of North West, major general Patrick Asaneng, commended the members of the Trio Task Team for their dedication, which led to the arrests and the recovery of stolen property.

CRASH HIGHLIGHTS DANGERS OF PEAK HOUR TRAFFIC ON N4

Rustenburg – On Friday 17 January 2025, a collision occurred on the N4 near the Helen Joseph off-ramp when two vehicles collided. Fortunately, no injuries were reported, and all involved escaped unharmed. This stretch of the N4 is notorious for heavy traffic, particularly during morning peak hours. Motorists are urged to exercise caution, especially near the blind bend over the mountain. Additionally, many pedestrians dangerously cross the highway at this location, increasing the risk of accidents.

Many drivers tend to accelerate to 120km/h, only to face sudden traffic congestion just after the blind rise. These conditions often necessitate abrupt stops, further heightening the danger.

JustMed24's director, Marchant Jacobs, warned: to avoid incidents like this, motorists are advised to:

- Maintain a safe following distance.
- Reduce speed, particularly near blind rises and bends.
- Be vigilant for pedestrians who may attempt to cross the highway.

JustMed24 press release extracts

A collision on the N4. Thankfully, no injuries were reported.

FESTIVE SEASON ROAD STATS: 1,502 LIVES LOST ACROSS SA

SA – As the 2024/25 festive season comes to a close, the Ministry of Transport has shared preliminary statistics that highlight a concerning trend in road safety across South Africa. Addressing the nation on Monday 20 January 2025, Transport Minister Barbara Creecy emphasised that while efforts have been made to improve road safety, the statistics reveal that much more needs to be done to reduce the carnage on our roads.

The festive season, traditionally a time of travel and family gatherings, saw 1,502 deaths from 1,234 fatal crashes across the country. This represents a 5.3% increase in fatalities compared to the previous year. Tragically, North West Province recorded 100 fatalities from 87 fatal crashes, marking a worrying increase in road deaths in the region.

The statistics show that human behaviour remains the primary cause of road accidents, with 87% of crashes attributed to factors such as speeding, drunken driving, reckless overtaking, and pedestrian negligence.

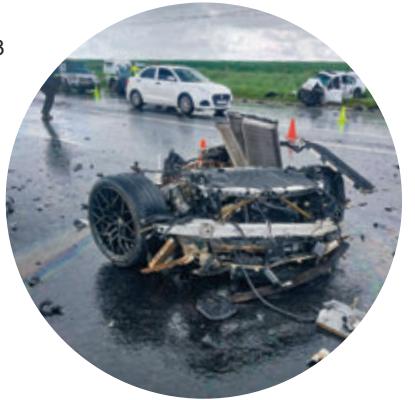

During the festive season, law enforcement officers conducted more than 997 roadblocks nationwide, issuing over 711,000 fines for traffic violations. A staggering 9,550 motorists were arrested, with 3,840 of them for driving under the influence of alcohol. Alarmingly, 414 drivers were arrested for speeding, with five individuals clocking speeds between 200 km/h and 240 km/h.

Pedestrian fatalities continue to be a significant concern, accounting for 41% of all road deaths. Gauteng, Western Cape, and KwaZulu-Natal recorded the highest pedestrian fatalities, with Gauteng alone seeing 63.84% of these deaths. Minister

Creecy's message to pedestrians is clear: stay visible, avoid alcohol, and always use designated crossings. Despite the tragic increase in fatalities, there were successes in certain provinces, including Gauteng, Western Cape, and Mpumalanga, where fatalities decreased.

Provincial statistics:

- KwaZulu-Natal: 304 fatalities from 247 fatal crashes
- Gauteng: 235 fatalities from 224 fatal crashes
- Eastern Cape: 231 fatalities from 168 fatal crashes
- Limpopo: 180 fatalities from 140 fatal crashes
- Mpumalanga: 143 fatalities from 118 fatal crashes
- Western Cape: 140 fatalities from 124 fatal crashes
- Free State: 106 fatalities from 81 fatal crashes
- North West: 100 fatalities from 87 fatal crashes
- Northern Cape: 63 fatalities from 45 fatal crashes

48-YEAR-OLD ARRESTED FOR POSSESSION OF STOLEN VEHICLES IN RUSTENBURG

Rustenburg – A focused operation by the Provincial Serious and Violent Crime Task Team, along with several key partners, led to the arrest of 48-year-old Eric Ngwenya on Wednesday evening, 15 January 2025, at Lethabong, located just outside Rustenburg. Ngwenya was apprehended for possession of suspected stolen goods, following an extensive investigation into serious and violent crimes in the region.

The operation, involving the Rustenburg Tactical Response Team (TRT), Public Order Police (POP), Crime Intelligence, Bafokeng Royal Security, and Bidvest Security, saw the interception of a grey Volkswagen Passat vehicle. Upon further investigation, it was determined that the vehicle had been stolen in Garsfontein, Gauteng Province, in May 2024.

Captain Mpho Manyoba confirmed that the investigation led the team to Ngwenya's residence in Lethabong, where a Nissan NP200 vehicle was found. This vehicle was linked to a series of crimes, including a murder and house robbery in Swartruggens in June 2024.

Ngwenya appeared before the Rustenburg Magistrates' Court on Friday, 17 January 2025, facing charges of possession of suspected stolen motor vehicles. He was remanded in custody. The acting provincial commissioner of North West, major general Patrick Asaneng, praised the collaborative efforts of all involved, commending their dedication to ensuring that a repeat offender is brought to justice.

RUSTENBURG LEARNER'S STABBING CASE CONTINUES IN COURT

Tsitsing/ Rustenburg – The tragic case of the 18-year-old Rustenburg Technical High School (HTS) learner who was fatally stabbed at the Rustenburg Taxi Rank in June 2023, has left the community in mourning.

The learner was laid to rest in his home village of Tsitsing, Rustenburg, after the fatal stabbing on Friday, 2 June 2023. The altercation between two groups (gangs) of learners resulted in the victim being

fatally wounded with a sharp object. In response to the tragedy, HTS learners took to the streets in protest, expressing dissatisfaction with the safety conditions at their school. Reports indicate that the learners caused a disturbance, including vandalising school property.

In the aftermath of the incident, the North West Department of Education MEC, Viola Motsumi, visited the family to offer her condolences and urged the community to work together to ensure the safety of students. "We call upon parents and guardians to join hands with the police and educators to ensure that schools remain a safe environment," she said during her visit.

The case has been under police investigation since the incident, and the suspect, who was arrested in connection with the stabbing, has appeared in court several times.

NPA communications officer West Sivenathi Gunya confirmed that the most recent court hearing, scheduled for Thursday, 16 January 2025, was postponed due to the illness of the accused's attorney. The case is now set to resume on Thursday, 30 January 2025.

Women dare to dream as entries open for Mrs South Africa 2025

From left: First princess Tshiamo Githini, Mrs South Africa Erin-Jane Miller, and second princess Lisa Gittins.

SA – “I approached the competition expecting a pageant. I walked out with an MBA in life,” says Erin-Jane Miller, the reigning Mrs South Africa. Like thousands before her, Miller discovered that behind the glamour of the crown lies an intensive leadership and women’s empowerment programme that has helped launch successful entrepreneurs, community leaders, and global changemakers.

As entries open for 2025, Mrs South Africa, powered by headline sponsor iME, is now seeking its next cohort of ambitious women ready to transform their lives and communities, and to become the best versions of themselves.

CEO Joani Jacobs is optimistic for the coming year, revealing that applications for the previous season shattered all former records. “The 2024 season showcased the talent of our local women on a scale rarely seen in South Africa, and given its success, we feel confident that the coming year will be our most exciting and popular yet, raising the competition’s standard even higher.”

She added: “But what matters most is

the impact the programme has on our participants, and what they’re able to achieve after taking part. The Class of 2024 experienced some phenomenal accomplishments, including collectively raising over R400,000 for charity – in addition to a number of other personal success stories.”

The Mrs South Africa programme aims to prepare contestants for a life of purpose-driven success and self-empowerment, equipping participants with valuable life skills such as leadership development, financial management, effective communication, and personal branding. “Joining Mrs South Africa means becoming part of a sisterhood of extraordinary women who use the platform to set new goals for themselves, advocate for important social causes, amplify their voices, and make truly meaningful contributions to their communities. The bond between these women, with support from their mentors, coaches, and many topic experts, creates a unique, encouraging environment where women inspire, support, and uplift each other,” says Jacobs.

Registration for the new year closes promptly on Monday, 27 January 2025 at 17:00, while the live open National Public Casting event will follow soon after on Friday, 31 January 2025, in Gauteng.

As with all Mrs South Africa events, judging will be overseen by an independent auditing firm, PKF Octagon, to ensure transparency and fairness in the selection process. To enter the Mrs South Africa 2025 programme, entrants must be between the ages of 25 and 55 in 2025, and be legally married and able to present a valid marriage certificate. There are no limitations on height, weight, ethnicity, body modifications such as tattoos and piercings, educational background, or prior modelling or pageantry experience. Contestants are encouraged to carefully read through the entry terms and conditions and frequently asked questions available on the application platform before entering. Entry forms are available online at <https://mrsouthafrica.co.za/entry-requirements-2025/>.

Join the GRFPA AGM on 15 February UNITING AGAINST WILDFIRES

Rustenburg – The GRFPA executive board would like to invite all rural property owners to our annual general meeting (AGM) on Saturday 15 February 2025 at Brauhuis Africa on the R24.

With the new year comes a new fire season. Reflecting back on the disastrous fires our community suffered during the 2024 season, and needing all property owners to prepare and know how to be fire ready and the laws surrounding wildfires, we urge you to join us at the AGM and become members.

Three distinct fires that had a profound impact on landowners were the Magalies Mountain fire, the Kgaswane fire and the Brauhuis fire, where close to 20,000 ha were lost. Houses, outbuildings, vehicles and equipment, orchards, animals and grazing were lost. Fodder for the animals was near impossible to find and came at astronomical expenses. Those who lost structures and were not insured for fire damage found it impossible to rebuild. Human lives were put at risk and several people suffered burn injuries resulting in hospitalisation and medical care.

These are incidents that we would rather forget, but unfortunately, they happened and could happen again. As a community we need to stand together and become pro-active.

Looking at wildfires around the globe, it is noticeable how much more destructive and uncontrollable these fires have become. As custodians of the land, it is our duty to protect and preserve.

Petra Rough
GRFPA chairperson

Do Not Judge

7 “Judge not, that you be not judged. 2 For with what judgment you judge, you will be judged; and with the measure you use, it will be measured back to you. 3 And why do you look at the speck in your brother’s eye, but do not consider the plank in your own eye? 4 Or how can you say to your brother, ‘Let me remove the speck from your eye’; and look, a plank is in your own eye? 5 Hypocrite! First remove the plank from your own eye, and then you will see clearly to remove the speck from your brother’s eye.

HAVE YOUR SAY

Would you live off the grid if it were easier?

With rising costs of electricity and water, many are exploring off-grid living as a sustainable alternative. Solar energy, for example, offers a clean and cost-effective solution. If it were easier and more affordable, would you consider making the switch to an off-grid lifestyle?

Yes, renewable energy sources like solar, wind, and hydro power can dramatically reduce reliance on fossil fuels and lower carbon emissions. Off-grid living empowers individuals to generate their own energy, minimising dependence on public utilities. Over time, these sustainable energy solutions can lead to substantial savings on energy costs. Additionally, adopting an off-grid lifestyle fosters self-sufficiency while easing the strain on shared public resources. **Boipelo Setshedi, Rustenburg**

Yes, we would love to go off-grid. With the rising costs of essentials like food, petrol, school fees, and daily expenses, maintaining a comfortable lifestyle is becoming increasingly challenging. By going off-grid and saving on electricity costs – we could redirect that money toward groceries or paying off accounts. It’s a practical way to ease financial pressure and improve overall quality of life. **Melissa Lehman, Rustenburg**

FUN FACT

Did you know?

Did you know South Africa is the only country in the world with three capital cities? Each capital has a unique role in governing the nation. Pretoria (Jacaranda City) serves as the administrative capital, where the President’s official residence and most government departments are located. Cape Town, known for its iconic Table Mountain, is the legislative capital, home to Parliament. Bloemfontein, the “City of Roses,” is the judicial capital, hosting the Supreme Court of Appeal. This unusual arrangement reflects the country’s rich history and diverse political heritage. Three capitals, one nation – truly a world-first!
