

BUILDING A SAFER MOOINOOI

Mooinooi – Crime prevention is not just about law enforcement — it's about community involvement. The newly established Mooinooi Rural Safety Forum (MRSF) is strengthening the bond between SAPS and the community, ensuring safety is a shared responsibility. Founded in February 2025, MRSF services from Brits to Marikana. Unlike CPFs, it does not conduct patrols but acts as a liaison between residents and SAPS, monitoring police effectiveness and reporting concerns to provincial authorities.

"Many hesitate to report crimes, thinking nothing will be done," says Henry Holsthyzen, MRSF chairperson and HenCor K9 Tactical Solutions CEO. "We aim to change that by working closely with SAPS and empowering the community."

MRSF is launching self-defence classes in schools to promote safety. "We can change children's lives with outreach," says Holsthyzen. They also plan a food project, encouraging local farmers to donate produce to teach children about agriculture and prevent dangerous highway crossings.

MRSF also assists in crime scene preservation education and advanced police training while participating in monthly SAPS crime operations. "We want Mooinooi to be a model for South Africa," says Holsthyzen.

The forum is free to join, and community participation is vital. For more information, contact 060 695 3054 or 079 881 5687, or visit Mooinooi Rural Safety Forum on Facebook.

10-YEAR SENTENCE FOR MURDER CONVICT

Rustenburg – The South African Police Service (SAPS) in Bojanala Platinum Sub-District 2 has welcomed the sentencing of John Disekeng Seane, who will serve 10 years of direct imprisonment for murder. This ruling was delivered on 4 March 2025. The case dates back to Saturday, 29 October 2024, when an altercation at a tombstone unveiling in Witrantjie turned deadly. Police responded to a distress call and arrived to find the lifeless body of Rapula Lucas Thobela lying in a pool of blood. Preliminary investigations revealed that the fatal incident stemmed from a dispute over drinks, which escalated into violence when Seane fatally stabbed Thobela with a knife. Emergency Medical Services (EMS) declared the victim deceased at the scene.

Law enforcement officers arrested Seane (35) and charged him with murder. His first court appearance took place on 7 November 2024, where he was granted bail while awaiting trial. Following multiple court proceedings, the case reached its conclusion on 25 February 2025, when Seane — also known by the nickname “Disco” — was found guilty and sentenced to a decade behind bars.

The successful conviction is a testament to the meticulous work of detective sergeant Kgomotso Mathambo, who led the investigation. Her efforts were praised by acting Bojanala Platinum Sub-District 2 commissioner, brigadier Mamotsamai Ntoagae, who emphasised the SAPS’ commitment to upholding justice and ensuring the safety of communities.

Lucky escape in R565 collision

Phokeng – A serious collision between a truck and a bus on the R565 in Phokeng on Thursday, 27 February 2025, could have ended in tragedy. Thanks to swift emergency response efforts, both drivers escaped with minor injuries.

The accident occurred at the large circle in the road when the truck's axle reportedly malfunctioned, causing the driver to lose control and crash into an oncoming bus. The impact left both vehicles severely damaged, with debris scattered across the scene.

Wagle Trauma Rescue was among the first responders, ensuring rapid medical assessment and assistance. Their operational manager, Hennie Madeley, remarked: "This could have been a lot worse." He added: "Thankfully, no passengers were involved, and both drivers were fortunate to walk away from the wreck with minimal harm."

Hitchhiker Horror Ends: Serial Robber Gets 32 Years

Rustenburg – The long arm of the law has finally caught up with a hitch-hiking spot robber who terrorised travellers in Rustenburg, Mogwase, and Koster. On 27 February 2025, the Rustenburg Regional Court sentenced 34-year-old Goitsemodimo Kekae to a hefty 32 years in direct imprisonment for a series of violent robberies.

Kekae, a mine employee at the time, was convicted on fifteen counts of robbery with aggravating circumstances. His crime spree, which ran from October 2014 to January 2015, targeted unsuspecting individuals waiting for transport at hitch-hiking spots. According to the National Prosecuting Authority (NPA), the accused would drive a Toyota Corolla, luring victims with the promise of a ride. Once inside the vehicle, the victims were threatened at gunpoint and robbed of their belongings.

After multiple reports, law enforcement set up a covert operation to capture the suspect. Their efforts paid off on 11 March 2015, when they stopped his car and recovered stolen cell phones from his earlier victims.

Despite pleading not guilty in court, overwhelming evidence proved otherwise. During sentencing, state advocate Rodger Mareume highlighted that Kekae, as a working individual, had no financial need to commit such crimes — his actions were purely motivated by greed and a disregard for human dignity. Magistrate Samuel Maboho condemned the increasing use of firearms in criminal activities and emphasised that robbery is a calculated act, leaving victims helpless and traumatised.

Welcoming the judgment, Dr Rachel Makhari, director of Public Prosecutions in North West, praised the dedicated efforts of law enforcement and the legal team in securing justice. She further urged the public to work closely with authorities, stressing the importance of reporting crimes to ensure safer communities.

Police seize stolen cables worth R424,000

The stolen copper cables recovered by police during the intelligence-driven operation.

Rustenburg – A well-executed intelligence-driven operation by Boitekong Visible Policing members led to a significant breakthrough in the fight against copper cable theft.

Four suspects were arrested in Dichibidung informal settlement near Rustenburg on Wednesday, 26 February 2025, after officers intercepted a vehicle carrying stripped copper cables worth approximately R424,000.

According to captain Mpho Manyoba, police received a tip-off that individuals were loading copper cables into a white Jeep Grand Cherokee in Dichibidung. Acting swiftly, law enforcement officers monitored the situation and later intercepted the vehicle in Sunrise Park. A thorough search uncovered the stolen copper cables in the boot, leading to the immediate arrest of two occupants, aged 44 and 29, who failed to provide a legitimate explanation for possessing the cables.

Further investigation led police to another location in Dichibidung, where two more individuals, aged 19 and 30, were taken into custody for violating Section 41 and 49 (1)

CAUGHT IN THE ACT: rooftop cable thief gets eight years behind bars!

Bafokeng – Crime does not pay, and for one cable thief, his rooftop activities landed him behind bars for a long time. The acting Bojanala Platinum Sub-District 2 commissioner, brigadier Mamotsamai Ntoagae, and her management team have welcomed the conviction and sentencing of Tshepiso Tshose, found guilty of tampering with essential infrastructure.

It all started on 20 March 2024, when an unsuspecting homeowner found Tshose on his roof. When confronted, the accused claimed he was “fixing something.” However, the truth soon unravelled — he had already cut the electric cable running from the pole to the house, neatly rolled it up, and stashed it in his bag. His quick scheme turned into a swift arrest, as he was caught red-handed, with the stolen cable recovered on the spot.

Tshose appeared in the Bafokeng Magistrate’s Court in Tlhabane on 25 March 2024 and was granted bail of R500.

However, instead of facing the music, he skipped his remand date. The court was not amused — his bail was forfeited to the state, and a warrant was issued for his arrest.

Determined to see justice served, detective Sergeant Magdeline Molefinyana tracked him down and re-arrested him. Tshose remained in custody until 20 February 2025, when the court handed him an eight-year prison sentence for tampering with essential infrastructure. To add to his woes, he was also declared unfit to own a firearm under the Firearms Control Act (Act 60 of 2000).

Brigadier Ntoagae applauded Sergeant Molefinyana’s dedication, emphasising that this conviction sends a strong message to cable thieves — commonly known as “Izinyokas.” Tampering with infrastructure is not just a crime against an individual — it disrupts entire communities, affecting businesses, schools, and homes.

Police take down Mooinooi murder gang

Mooinooi – A sharp-eyed investigative team cracked a shocking double murder and hijacking case, leading to the arrest of eight suspects. A crime intelligence-led operation by the District Detectives and Brits Trio Task Team saw swift action unfold on Thursday, 27 February, and Friday, 28 February 2025. The team arrested eight individuals in Attredgeville, Pretoria, and Sgandaff Section, Majakaneng village. The suspects are linked to multiple crimes, including possession of a suspected stolen motor vehicle, robbery, hijacking, and two brutal murders that shook the Mooinooi community in January. According to captain Mpho Manyoba, detectives in the Bojanala Platinum Sub-District 2 were following up on investigations when they spotted the hijacked white Isuzu bakkie in Attredgeville. Coordinating with the Brits Trio Task Team, officers managed to stop the vehicle, leading to the arrest of three suspects. But the case didn’t end there — further leads took the team to a house in Sgandaff Section, Majakaneng, where five more suspects were apprehended in a dramatic early-morning raid on 28 February. The arrests stem from a tragic incident on Sunday, 26 January 2025, when a 55-year-old vegetable vendor was ambushed on his way home in Majakaneng. He was allegedly confronted by three men, robbed of his vehicle, a Samsung phone, and cash before being mercilessly shot and killed. In a bizarre twist, the suspects accidentally shot one of their own, a 39-year-old accomplice. Rather than seeking medical help, they executed him and dumped his body in the bushes near Majakaneng. Preliminary investigations revealed that among the five suspects arrested in Majakaneng, two are South Africans aged 32 and 33, while the other three — aged 33, 36, and 48 — are undocumented Mozambican nationals. The latter have been additionally charged under the Immigration Act for being in the country illegally.

All eight suspects appeared in court on Monday, 3 March 2025, facing multiple charges, including robbery, hijacking, and two counts of murder. The acting provincial commissioner of North West, major general Patrick Asaneng, praised the tireless efforts of the officers involved, emphasising that teamwork and commitment ensured justice would be served.

Court grants interdict in Ideal Prepaid case against Kgetlengrivier Municipality

Koster/ Swaruggens – The North West Division of the High Court in Mahikeng has granted an interdict in favour of Ideal Prepaid (Pty) Ltd, preventing the Kgetlengrivier Local Municipality from removing the company’s smart prepaid electricity meters in Koster and Swaruggens.

The case, heard on 24 February 2025 before Justice Reddy J, saw Ideal Prepaid seeking urgent relief against the municipality and its acting municipal manager, Mr. Andrew Pholose. The court found the matter urgent and condoned the non-compliance with service and time period regulations under Uniform Rule 6(12).

Court orders immediate action

The court ordered that within 48 hours, the Kgetlengrivier

Local Municipality must provide Ideal Prepaid with a detailed report on the smart prepaid meters removed in January and February 2025. This report must include:

- The total number of meters removed.
- The serial numbers of these meters.
- The addresses from which they were removed.
- Details of any remaining prepaid electricity credit recorded on the meters.

Additionally, the municipality and its subcontractors were interdicted from removing any more of Ideal Prepaid’s meters in Koster and Swaruggens.

Interim order conditions

The court further ruled that this interim order will lapse if Ideal

Prepaid fails to take legal action within 60 days to confirm its agreements with the municipality or to challenge the cancellation of its contracts. Moreover, the municipality was ordered to cover Ideal Prepaid’s legal costs, including those of two senior advocates.

Municipality’s next move

It remains to be seen whether the Kgetlengrivier Local Municipality will comply with the order or challenge it in further legal proceedings.

For now, Ideal Prepaid has secured a crucial legal victory, ensuring that its operations in Koster and Swaruggens remain uninterrupted — at least until further legal proceedings unfold.

HIGH-SPEED HIJACK ENDS IN SWIFT ARREST!

Kroondal/ Rustenburg – A hijacked truck was recovered within minutes after the crime, thanks to swift police action and a collaborative community effort.

According to captain Mpho Manyoba, members of the South African Police Service (SAPS) were conducting Safer City Operation duties in the Rustenburg central business district (CBD) when they received an urgent lookout message. A white Toyota Dyna truck had just been stolen from a second-hand car dealership in Kroondal by an unknown suspect.

With the dealership owner in pursuit of the stolen vehicle along the R24 towards Magaliesburg, law enforcement officers sprang into action. Assisted by local farmers, they managed to intercept the truck near Maanhaarrand.

wheel. Unable to provide a reasonable explanation for his possession of the vehicle, he was promptly arrested for theft and possession of a suspected stolen motor vehicle.

The suspect is expected to appear in the Rustenburg Magistrates’ Court soon.

North West acting provincial commissioner, major general Patrick Asaneng, commended the officers, the dealership owner, and the assisting farmers for their rapid and coordinated response. “This arrest highlights the power of collaboration in fighting crime. We thank everyone involved for their vigilance and commitment to justice,” he said.

THREE MEN SENTENCED TO LIFE FOR BRUTAL MURDER

Bafokeng – The Bafokeng Regional Court has delivered a firm message against violent crime, sentencing three men to direct imprisonment for their involvement in the murder of Jeremiah Sello Hamel (45) and the attempted murder of Koketso Thakadu and Neo Liteli (both 19).

The convicted individuals, Rapula Solomon Ramadikela (34), Kefiloe Victor Tsoloane (36), and Dumisane Matejwana Ndaba (22), received their sentences on 28 February 2025, with two of them facing life behind bars. Their convictions stem from a violent altercation that unfolded on 16 February 2023 in Freedom Park, Rustenburg.

A night of tragedy

According to Sivenathi Gunya, Communications officer for the North West Division of the National Prosecuting Authority, the case involved an explosive series of events that began outside a local tavern. The violence was sparked when Koketso Thakadu, angered by seeing his girlfriend talking to a Quantum taxi driver, reacted by throwing liquor bottles at the taxi, damaging its windows.

Later that night, the driver of the damaged taxi, Solomon Ramadikela, along with his associates Tsoloane and Ndaba, conspired to retaliate. At approximately 03:00, the trio tracked down the Ford Ranger in which Thakadu was a passenger, blocking it with two Quantum taxis. Ramadikela approached the driver’s side while Tsoloane targeted the passenger’s

side. Hamel, the driver, was fatally shot at the scene, while Thakadu and Liteli managed to flee despite being fired upon.

Justice takes its course

Following police investigations and crucial informant leads, the accused were arrested and subsequently faced trial. Despite pleading not guilty, the court found overwhelming evidence against them. State prosecutor Sangweni Zimema urged the court to impose the prescribed minimum sentences, citing the alarming increase in murder cases. Magistrate Segakweng Moeng concurred, ruling that two of the accused acted in common purpose.

The sentences handed down are as follows:

- **Solomon Ramadikela and Kefiloe Victor Tsoloane:** Life imprisonment for murder and 15 years for attempted murder (sentences to run concurrently).
- **Dumisane Matejwana Ndaba:** 10 years’ imprisonment for contravening the Immigration Act, with an order for deportation to Lesotho upon completing his sentence.

The director of Public Prosecutions in the North West, Dr. Rachel Makhari, welcomed the court’s decision, commending the investigative and prosecution teams for their dedication. “We stand united in our resolve to ensure justice is served. Violent crimes will not be tolerated, and perpetrators will face the full force of the law,” Dr. Makhari stated.

4M Foundation steps up for Ledig!

Help the 4M Foundation bring change to the Ledig community

The 4M Foundation is actively working to create a safer environment for the residents of Ledig, as well as visitors to Bakubung and the Sun City area. Through its Community Policing Forum (CPF) programmes, the foundation is committed to ensuring community safety while seeking sponsorships to expand its outreach and impact. Founded in 2022, the 4M Foundation is a non-profit company (NPC) that runs various programmes focused on health, safety, and community development. One of its key initiatives is the CPF programme, which prioritises public safety. To achieve this, the foundation has partnered with registered security companies, Bambanani Security and Bosvark Tactical Response, to help protect the community.

Supporting the cause – sponsorship opportunities

To keep their vital programmes running, the 4M Foundation is looking for financial sponsorships. These funds will help cover event costs, operational expenses, and necessary equipment, including CPF uniforms. By investing in safety, sponsors contribute directly to the well-being of the community.

The foundation runs several programmes designed to uplift and empower both youth and adults:

- CPF safety programme – A five-year initiative, renewable over time.
- Disciplinary Camp for Unruly Youth – A long-term programme aimed at fostering discipline and responsibility.
- Driver's License Initiative – Helping at least 300 community members obtain their licenses, enhancing their employment opportunities.

Currently, 50 individuals are actively participating in these programmes, with many more expected to join.

Who can join and how?

The 4M Foundation welcomes anyone to participate in its programmes. Joining is simple – interested individuals must complete forms available at Sun City Police Station and provide fingerprint records for submission. "The aim is to bring change in the community," says Senzo Moloi, director of the 4M Foundation. Through collaboration, sponsorships, and community participation, the foundation is determined to make Ledig a safer and more empowered place for all.

Lighthouse Children's Home Needs Urgent Support

Rustenburg – Every child deserves a safe and loving home, but for the 59 children at Lighthouse Child & Youth Care Centre, the reality is far from easy. This non-profit organisation has been a beacon of hope since its establishment in December 2019, providing care for abandoned, abused, and vulnerable children between the ages of 3 weeks and 16 years. However, they are facing an urgent crisis — without immediate support from the community, their lights could go out.

Urgent Needs: Can You Help?

Lighthouse relies solely on the generosity of individuals, businesses, and kind-hearted community members, as they receive no government funding. Right now, they desperately need:

- Toilet paper and black bags
- Fresh vegetables and fruit
- Baby formula (Lactogen nr 1,2,3)
- Shampoo

Additionally, the home is in dire need of electricity units to keep the lights on and ensure that the children have a warm and safe environment.

The power of community

Recently, an anonymous donor stepped forward with a much-needed contribution of baby formula and toilet paper. "Every donation, no matter how small, makes a world of difference," said co-founder Elsa Doubell, who graciously accepted the items.

The reality, however, is that the need is growing every day. Lighthouse started with just 11 children, but today, they care for 59. With no government funding, every meal, every warm bath, and every comforting nightlight depends on the kindness of others.

2 TIMOTHY 1:13-18

Be Loyal to the Faith

13 Hold fast the pattern of sound words which you have heard from me, in faith and love which are in Christ Jesus. 14 That good thing which was committed to you, keep by the Holy Spirit who dwells in us. 15 This you know, that all those in Asia have turned away from me, among whom are Phygellus and Hermogenes. 16 The Lord grant mercy to the household of Onesiphorus, for he often refreshed me, and was not ashamed of my chain; 17 but when he arrived in Rome, he sought me out very zealously and found me. 18 The Lord grant to him that he may find mercy from the Lord in that Day—and you know very well how many ways he ministered [d]to me at Ephesus.

HAVE YOUR SAY

Have you reported a crime or suspicious activity in the past year?

Reporting crime helps keep our community safe, yet many incidents go unreported. Whether it's a break-in, vandalism, or something suspicious, speaking up can make a difference. Have you taken action in the past year? Share your experience and thoughts on community safety! #CommunityWatch

Community watch is more important than ever, giving residents a sense of security and proving that people still care about safety. It's a stand against rising crime in our town. In our complex, we've been fortunate — no major incidents in the past year, except for a trespasser at a private residence. We reported it, and the community watch responded swiftly, showing their vigilance and commitment to keeping us safe.

Joey Stewart, Rustenburg

Yes, I reported a suspicious car parked in my street for several nights. Police discovered it was linked to local break-ins, increased patrols, and the car disappeared. It proved how reporting makes a difference. More awareness and anonymous options could encourage others to speak up. Glorious Radebe, Rustenburg

- Your answer: Yes or No
- Why? We want to hear from you!
- A recent photo – We'd love to publish your pic alongside your answer!
- Your town/city
- Deadline – Be sure to send your response before 12:00 on Monday, 10 March 2025.

Vote results: The outcome of the poll will be featured in our next issue. Be a part of our community's story! P.S.: Don't forget, you can also voice your opinion on our Facebook post about this topic. Join the conversation!

Did you know?

Did you know that talking sweetly to your plants can actually help them thrive? Studies suggest that sound vibrations, especially positive words, stimulate plant growth. In 2009, the Royal Horticultural Society found that tomato plants grew faster when spoken to — especially by female voices! Meanwhile, yelling or harsh sounds create stress, potentially stunting growth. While plants don't "hear" like humans, they respond to vibrations, making gentle conversation a secret ingredient to greener leaves. So, next time you water your garden, whisper words of encouragement — you might just see a bloom boom!

Rustenburg – On Saturday, 1 March 2025, the Rustenburg Cycling Club made their mark at the prestigious Ford Trailseeker #2 Cradle Moon event, at the Cradle of Humankind, proving once again that dedication, endurance, and passion lead to greatness!

This challenging half marathon saw local cyclists pushing their limits, navigating tough terrain, and achieving remarkable results.

Photo: Jannie van der Westhuizen powered through the course, finishing strong in the Master Men 50–59 Category with a stellar time of 2 hours and 10 minutes.
