12 LIVES LOST IN NW ROAD CRASHES OVER ONE WEEKEND

North West – A devastating weekend on North West roads has claimed 12 lives in just 48 hours, with multiple serious collisions reported between Friday, 11 July and Sunday, 13 July 2025. On Friday, a fatal crash on the N14 near Tshing, Ventersdorp, marked the start of a tragic sequence. Later that evening, a horrific head-on collision involving four vehicles on the N4 near Groot Marico left five people dead. According to reports, two delivery vehicles from the same company were towing each other while overtaking, when they collided with two oncoming vehicles. All five victims — four women and one man — were in the latter vehicles. The drivers of the delivery vehicles, three Zimbabwean nationals and one Malawian, survived with injuries and were hospitalised. Saturday brought another loss when a pedestrian was killed in a hit-and-run on the N12 near Potchefstroom, en route to Stilfontein. On Sunday evening, four more lives were lost on the N18, approximately 40km south of Mahikeng near Setlagole, when two vehicles collided head-on. A light sedan, reportedly overtaking, crashed into an oncoming delivery vehicle. All occupants — three men and one woman — died at the scene. Tragedy struck again shortly thereafter, near Madiba a Makgabana village. A vehicle hit a stray cow, and another travelling behind ran over the animal. Three passengers sustained serious injuries, while a child sadly died at the scene. MEC for Community Safety and Transport Management, Wessels Morweng, expressed heartfelt condolences to the bereaved families and wished the injured a speedy recovery. Investigations are underway, and cases of culpable homicide have been opened in connection with all incidents.

NEARLY 900 NABBED IN OPERATION SHANELA II

North West – Police in the province have dealt a heavy blow to criminal activity during the latest week-long Operation Shanela II blitz, arresting a staggering 894 suspects between Monday, 7 July and Sunday, 13 July 2025. Officers seized illegal firearms, drugs, liquor, and dangerous weapons, with suspects nabbed for a wide range of crimes including murder (15), attempted murder (11), robbery (19), assault (162) and drug-related offences (183 combined). Colonel Adéle Myburgh confirmed that 67 illegal immigrants were also detained for contravening immigration laws, pending deportation. Notably, 411 of the arrested individuals were wanted suspects, positively linked to crimes through forensic DNA evidence. A key success story unfolded in Mahikeng, where officers executed a search warrant at a house in Lonely Park on 7 July. They discovered a firearm with filed-off serial numbers, ammunition, and suspected crystal meth. Poloko Lentswana (23) was arrested on the spot and remains in custody, facing charges of illegal possession of a firearm and drugs. Acting provincial police commissioner major general Patrick Asaneng praised the unrelenting efforts of officers involved, saying the operation reinforces a zero-tolerance stance on violent crime, substance abuse, and social decay. Members of the public are urged to play their part by reporting crime anonymously via Crime Stop on 08600 10111 or the MySAPS app.

SPCA opens cruelty case after viral chicken video

Rustenburg – A shocking incident involving a live chicken at a Rustenburg lounge has sparked outrage and led to an animal cruelty case being opened at the Tlhabane Police Station. A video that recently surfaced online allegedly shows a man swinging a live chicken by its legs and pouring what appears to be beer over the terrified animal in a packed club environment. According to the Rustenburg SPCA, they were made aware of the footage and immediately launched an investigation. “The Rustenburg SPCA condemns this disturbing act in the strongest terms. Animal cruelty is not entertainment — it is an offence. We’ve opened a docket, and the matter is now in the hands of law enforcement,” Mthunzi Kunene, manager of the Rustenburg SPCA, said. The SPCA urges the public to treat all animals with dignity and to report any acts of cruelty. If you have any information that may assist with this investigation, please contact the Rustenburg SPCA or Tlhabane Police.

Copper thief gets 16 years for targeting mine infrastructure

Rustenburg – A 54-year-old Mozambican national, John Paipai Sithole, has been sentenced to 16 years in prison by the Tlhabane Regional Court after being caught stealing copper cables from Impala Bafokeng Mine in February 2025. Sithole received 15 years for tampering with essential infrastructure and one year for being in the country illegally. The court heard how the theft caused major disruptions to operations and financial losses. The NPA welcomed the ruling, calling it a firm stand against crimes that threaten economic stability and community livelihoods.

BAIL DENIED FOR ACCUSED IN KOSTER DOUBLE MURDER

Rustenburg – Bail has been denied for the two men accused of murdering George William Koster (68) and Wilma Reineta Koster (65), who were senselessly gunned down at Platinum Square Shopping Centre on Saturday, 14 June 2025. The pair appeared in the Rustenburg Magistrate’s Court on Tuesday, 14 July 2025, where the magistrate ruled that both accused would remain in custody until their next court appearance, scheduled for Thursday, 4 September 2025. This comes after an intense investigation by SAPS that led to their arrest. One suspect allegedly admitted to being the getaway driver, while the second reportedly confessed to pulling the trigger, later directing authorities to the firearm and his co-accused in Rustenburg East.

Traditional Healer Gets 14 Years for Rape

Tlhabane – A man who claimed to be a traditional healer has been sentenced to 14 years in prison for the rape and assault of his girlfriend in Meriting, near Rustenburg. Joseph Madubula Mnisi (46) was convicted in the Bafokeng Regional Court on Thursday, 10 July 2025, following a disturbing incident that occurred in February last year. Mnisi arrived in Meriting from Limpopo on 31 January 2024 with his 29-year-old girlfriend, allegedly to render healing services to a local family. Just two days later, after a day of heavy drinking, he violently assaulted her and raped her during the night. The victim managed to flee the next morning while Mnisi was asleep. She found help from street vendors nearby, who immediately contacted the police. Mnisi was arrested on the spot. Detective sergeant Phenyo Monchusi from the Family Violence, Child Protection and Sexual Offences (FCS) Unit took over the case. Thanks to her thorough investigation, bail was denied and Mnisi remained behind bars throughout the trial. Mnisi was found guilty on two counts of assault with intent to cause grievous bodily harm and one count of rape. He received five years for each assault charge and 14 years for the rape. The sentences will run concurrently. Brigadier Joel Pheto, acting Bojanala Platinum Sub-District commissioner, praised the investigation and prosecution teams.

CAUGHT AND CONVICTED

Rustenburg – Two Mozambican nationals were sentenced on Monday 14 July 2025 in separate cases for crimes committed in the Rustenburg area. Edwardo Macambaco (25) was sentenced to 10 years for attempted murder after stabbing a man in the chest during an unprovoked altercation in Tlhabane in 2023. He also received six months for contravening the Immigration Act. In a separate case, Phineas Mhlanga (22) was handed a seven-year sentence for tampering with essential infrastructure after being caught dismantling streetlights. He too received six months for immigration violations and will be deported after serving his time. Brigadier Joel Pheto praised the dedicated police work that led to both convictions.

Illegal Mining: Three Bodies Found Near Rustenburg Shaft

Rustenburg – The discovery of three bodies near an unused shaft and the arrest of four men have raised serious concerns over illegal mining activities in the North West. Three suspects – Danny Mashaba (35), Samson Machigera (33) and Raphael Movela (24) – are expected to make their second appearance in the Rustenburg Magistrate’s Court on Thursday, 24 July 2025, following their arrest for trespassing at Sibanye-Stillwater’s Operation Belt 4 shaft in Marikana. Their first court appearance took place on 10 July 2025, two days after mine security responded to an alarm and caught a group of people attempting to exit the closed shaft, which has been out of operation since March 2024. On being confronted, the group fled back underground — leaving behind three deceased men tied to makeshift stretchers. Out of four suspects apprehended, two were taken to hospital. One has since been discharged and detained; the other remains under police guard. Police have opened an inquest into the deaths, and the victims are yet to be identified. Acting provincial commissioner major general Patrick Asaneng has since ordered a multi-

TRAGIC END FOR DAVID MONESE

NW – The body of 59-year-old David Filmone Monese, who was reported missing from Mogwase at the end of June 2025, has been found — bringing a tragic end to the search and launching a murder investigation that has already resulted in one arrest. Monese was last seen at work on Friday, 27 June 2025. Following the report of his disappearance, a 72-hour activation plan was swiftly executed by a multi-disciplinary task team comprising Crime Intelligence, the Provincial Murder and Robbery Unit, Rustenburg Vehicle Crime Investigating Unit (VCIU), and Mogwase Detectives. Thanks to their relentless efforts, 39-year-old Lucas Enock Mkhize was arrested on Monday, 7 July 2025, along the N18 road near Ramatlabama, where he was attempting to evade capture. Police then raided an address in Ramatlabama Six Hundred, where they confiscated several cellphones and clothing suspected to have been stolen. Mkhize later led police to Bangladesh Section in Hebron Village, where the decomposed body of Monese was discovered in an open field — tragically dumped after what appears to have been a violent murder. The police immediately opened a case of murder in Hebron. Additional charges of kidnapping, house robbery, and carjacking were also filed at Mogwase Police Station. Mkhize has since appeared in the Ga-Rankuwa Magistrates’ Court and remains in custody. His next appearance is scheduled for Thursday, 24 July 2025. The police are now intensifying their search for Mkhize’s alleged accomplices — identified only as Pontsho and MJ. The authorities warn that both men are considered armed and dangerous. The public is strongly urged not to engage with them, but to instead report any sightings or information to their nearest police station or anonymously via Crime Stop at 08600 10111 or the MySAPS app. Major general Patrick Asaneng, acting provincial police commissioner of North West, condemned the crime in the strongest terms.

INVITATION TO REGISTER AND PARTICIPATE

IMPALA PLATINUM LIMITED, RUSTENBURG OPERATIONS: Application for an alternative emissions limit for sulphur dioxide (SO₂) in terms of Regulation 12a of the Minimum Emission Standards (MES) of 22 November 2013 as amended, published in terms of Section 21 of the National Environmental Management: Air Quality Act 39 of 2004

Impala Platinum Holdings Limited operates a major platinum group metals (PGM) mining and processing facility located in Rustenburg, North West Province. In accordance with the requirements of the National Environmental Management: Air Quality Act, 2004 (Act No. 39 of 2004) (NEMAQA), the Rustenburg Operations (Impala) must comply with its Atmospheric Emission Licence (AEL). This licence mandates adherence to the Minimum Emission Standards (MES), as outlined in the “List of Activities Which Result in Atmospheric Emissions Which Have or May Have a Significant Detrimental Effect on the Environment, Including Health, Social Conditions, Economic Conditions, Ecological Conditions or Cultural Heritage” (Government Notice No. 893, Government Gazette No. 37054 of 22 November 2013). The MES prescribes specific emission limits and operational requirements for listed activities associated with mining and metallurgical processing.

The National Air Quality Officer (NAQO) granted Impala, postponement for MES compliance for particulate matter (PM) emissions from spray drying and sulphur dioxide (SO₂) emissions from the Tailgas

Scrubber (TGS) until 31 December 2024. Impala used that postponement to reduce PM emissions to comply with the new plant limits. However, Impala could not consistently achieve the SO₂ emissions compliance limits for its TGS – which is regulated in the MES under subcategory 4.16 Smelting and Converting of Sulphide Ores. Accordingly, Impala Platinum intends to apply to the NAQO for an alternative emissions limit for SO₂ in terms of Regulation 12A of the MES. This application seeks to ensure the continued lawful operation of the Impala facility, while the implementation of the long-term compliance solution is finalised and sustained regulatory compliance is achieved.

Impala will submit a Motivation Report together with an Atmospheric Impact Report (AIR) in support of the Regulation 12A application in accordance with all applicable regulatory requirements. The AIR will undertake an independent and objective analysis of the potential impact of the application on ambient air quality. Additionally, Impala will undertake a public participation process to enable any Interested and Affected Parties (I&APs) to review and comment on

the application. Air Resource Management (Pty) Ltd (ARM), an independent environmental consultancy, has been appointed together with suitably qualified specialists from Airshed Planning Professionals (Pty) Ltd to prepare the application and oversee the associated public participation process. The formal announcement of the application, along with the commencement of the Interested and Affected Parties (I&AP) registration process, is scheduled for 18 July 2025.

The announcement of the application and opening of the associated I&AP registration process will commence on 18 July 2025. Background information on the application will be included in the announcement and Interested and Affected Parties (I&APs) are encouraged to register as soon as possible for public participation on the application. The registration period will continue to run concurrently with the review and commenting period of the Draft AIR and Motivation Report which will be available for 30 calendar days (excluding public holidays) from 1 August to 31 August 2025 for I&AP review and comments.

Water Warriors of Rustenburg

Rustenburg – When water shortages strike, one local business proves to be a true community lifeline. ERJ Nel Transport, founded by Rudi Nel in 2008, has become a trusted name in Rustenburg for affordable, fast, and reliable water delivery services.

What started with a single tipper and water truck has grown into a thriving operation based in Azalea Park, now running a fleet of six trucks and employing nine dedicated staff. Their water delivery service is simple and effective: You place your order (minimum 2,000 litres), pay via EFT or COD, and clean, certified drinking water – or construction water, if needed – arrives at your door. At just 40 cents per litre, ERJ Nel is one of the most affordable solutions around.

“We are proud of the services we offer,” says founder and owner Rudi Nel. “We work professionally, whether the job is big or small.” But the company doesn’t stop at water. In 2023, ERJ Nel Transport expanded to offer a 24/7 tyre breakdown service and roadside assistance for trucks in and around Rustenburg. They fix punctures within minutes, replace all kinds of tyres, and help keep the wheels of local logistics turning.

With headquarters at 50a Drakensberg Avenue in Azalea Park, the team is always ready to respond when residents and truckers need them most. Whether it's water for your home or help with a flat tyre on the highway, ERJ Nel Transport has earned their place as everyday heroes in the community.

DA calls for urgent plan to save Olympia Park Stadium

The view from a side street at Olympia Park Stadium — access was denied when one of our journalists attempted to take photos.

Rustenburg – “The Democratic Alliance (DA) is calling on the Rustenburg Local Municipality (RLM) to urgently implement a turnaround plan for the crumbling Olympia Park Stadium. This follows Orbit College FC’s decision to host its premier division home games at the Royal Bafokeng Stadium instead,” said DA councillor Nelio Nhacuangue.

“While this stadium is located within Rustenburg, it is not owned or managed by the municipality, resulting in a direct and measurable loss of revenue, opportunity, and public value for the Rustenburg Local Municipality,” Cllr Nhacuangue added.

The DA had raised concerns about the stadium’s poor condition as early as November 2023. With the venue now declared non-compliant by South African Football Association (SAFA), it can no longer host professional football — a blow to local pride and economic potential.

Local residents have also voiced concern. “I regularly go to the stadium to run and exercise. I take my dog along, and on weekends, my siblings and friends join me,” one reader shared. “When there are matches, we buy food and enjoy the day. I hope this doesn’t go away — that community feeling is something special.”

The DA is urging RLM to:

- Conduct full safety and structural checks
- Develop a repair and compliance plan
- Create a rental strategy for events and functions
- Set deadlines and assign responsibility

“Olympia Park shouldn’t be a white elephant,” said Nhacuangue. “It should be a hub of sport, jobs, and community events.”

No response was received from the municipality by the time of publication.

United for impact – representatives from Sibanye-Stillwater and Afrika Tikkun celebrate a year of meaningful partnership at the Marikana Youth Centre.

Afrika Tikkun and Sibanye-Stillwater Mark Milestone in Marikana

Expressing joy through movement – the youth dance group brought the stage to life with their high-energy performance.

Rustenburg – The Marikana Youth Centre buzzed with energy and pride on Wednesday, 9 July 2025, as Afrika Tikkun, in partnership with Sibanye-Stillwater and community stakeholders, celebrated the centre’s first anniversary — a year marked by growth, resilience, and empowerment. With the theme “A Year of Impact. A Future of Possibility,” the event showcased how much can be achieved when community, corporate partners, and civil society unite for youth development. The centre, a collaboration between Afrika Tikkun, Sibanye-Stillwater, Scania, and the Get It Done

Foundation, has already changed hundreds of young lives in just 12 months. Guests were treated to vibrant performances by local children and youth, including poetry, choir, and dance displays — a celebration of both creativity and confidence. Afrika Tikkun’s work-readiness candidates also took the stage with moving presentations that highlighted the transformative power of opportunity. “This is more than just a celebration,” said Agnes Sibanda, Group Head: Scale and Outreach at Afrika Tikkun. “It is a reaffirmation of our shared

commitment to building sustainable futures for South Africa’s youth. One year in, and we are only just beginning.”

The numbers speak volumes:

- Over 650 youth trained in employability and digital skills
- 312 learners supported academically and guided in career choices
- More than 80% of participants reported improved self-confidence and a renewed sense of purpose

The Marikana Youth Centre follows Afrika

Tikkun’s award-winning Cradle-to-Career 360° model, which provides holistic support from early childhood through to economic independence. As Afrika Tikkun looks to expand its reach, the Marikana Youth Centre stands tall as a model of what’s possible when purpose and partnership walk hand-in-hand. The celebration not only marked a milestone — it ignited a promise of many more to come.

Ward 17 Gets to Work – and to Heart

Cleaning up illegal dumping in front of Mount Vilanti — one step closer to a cleaner community.

The team hard at work along Augrabies and Cuckoo streets, near Waterfall Mall.

Rustenburg – Our Ward Matters (OWM), led by Cllr Tanya Rothman and André van Dyk, continues to take real action — cleaning up public spaces and caring for vulnerable residents through their new outreach arm, Our Ward Cares (OWC).

This week, the team removed illegal dumping in front of Mount Vilanti and cleaned up along Augrabies and Cuckoo streets near Waterfall Mall. OWC is focused on helping families in crisis — collecting and distributing food, clothing, toiletries, books, and more. “Charity starts at home,” said André van Dyk. “In Ward 17, we support each other.”

SOJABONE EN SUSTERKRAG!

Rustenburg – Al het die winterkoue toegeslaan, was daar niks ysig aan die gees by die VLU Kashanè Aandtak se vergadering op Dinsdag, 10 Junie 2025 nie. Gasvrou vir die aand, Ansie Baxter, het die lede met warmte ontvang en vir almal 'n insiggewende en interessante aanbieding oor sojabone gegee. “Die sogenaamde 'goue boontjie' is nie net 'n kragbron van proteïen nie, maar speel ook 'n groot rol in ons alledaagse lewens,” het Ansie verduidelik. Lede was verbaas om te hoor dat sojaprodukte nie net in kos soos kitsgraan en sjokolade gebruik word nie, maar selfs in skoonheidsprodukte soos sjampoe en ander industriële toepassings. Die vergadering het weereens gewys hoekom die VLU 'n waardevolle platform is vir vroue wat hul kennis en vaardighede wil verbreed. Die organisasie bied opvoedkundige en prettige sessies wat nie net informatief is nie, maar ook vir baie pret en kameraadskap sorg. Baie geluk aan Monica Liebenberg, wat as die gelukkige trekkingwenner vir die maand weggestap het met 'n pragtige plant – 'n bederfie wat sekerlik haar wintertuin sal ophelder.

Monica Liebenberg (links) ontvang haar wenplant met 'n glimlag van gasvrou Ansie Baxter tydens die VLU Kashanè se Junievergadering.

Guidance for the Young

1 My son, do not forget my law, But let your heart keep my commands; 2 For length of days and long life And peace they will add to you. 3 Let not mercy and truth forsake you; Bind them around your neck, Write them on the tablet of your heart, 4 And so find favor and high esteem In the sight of God and man.

5 Trust in the Lord with all your heart, And lean not on your own understanding; 6 In all your ways acknowledge Him, And He shall direct your paths. 7 Do not be wise in your own eyes; Fear the Lord and depart from evil. 8 It will be health to your flesh, And strength to your bones.

HAVE YOUR SAY

Do you agree that the Pension Funds Adjudicator should decide who gets a deceased person's pension?

A new law lets anyone challenge who a deceased person nominated as a pension beneficiary. The Pension Funds Adjudicator now has the final say – not the fund, and not the deceased's stated wishes. This aims to protect vulnerable dependents who may have been left out. But it also means the person who paid into the fund no longer has full control over who receives it. Is that fair, or not? What do you think?

"No, I don't agree! If it's my money, it should be my choice. I wouldn't pick a beneficiary lightly — so why should someone else overrule my decision? What's the point of a will if we no longer have freedom of choice?"

Ivodja Sebidiela, Rustenburg

"I don't think it's unfair. Sometimes vulnerable dependents are left out, even if they relied on the deceased for support. They should have the right to approach the adjudicator to review the situation."

Aurelia Jansen van Vuuren, Rustenburg

Checkmate for Fields College

Rustenburg – Fields College has made Rustenburg proud by clinching the North West provincial title in the prestigious 2025 Alexforbes Battle Boards Chess Championship. Their sharp strategy and cool composure earned them a place among South Africa's top 64 high school chess teams now heading to the national stage. The tournament, which saw intense competition

from across the country, aims to sharpen more than chess skills. “It's about thinking ahead, making smart moves, and building mental resilience,” said Viresh Maharaj from Alexforbes. Fields College will compete in the national pool stage on 26 July. The top 16 schools from that round will advance to the grand finale on 9 August, battling for the national crown.

“Chess is booming in schools,” said Andre Lewaks, president of Chess South Africa. “We're proud to see teams like Fields College showing what North West is made of.” The championship, hosted online, ensures equal opportunity for schools in both rural and urban areas — and offers young minds the chance to shine on a national platform. Well done, Fields College — Rustenburg is behind you all the way!

Impala eyes must-win clash against Potch

Impala Rugby Club players showed courage and commitment despite a tough day against the Wolves. Eyes now turn to the crucial semifinal-deciding clash against Potchefstroom Dorp.

Rustenburg – Impala Rugby Club faced a fierce challenge on Saturday, 12 July 2025, when they hosted the Northam Wolves from Hartbeespoort Dam in a Leopards Nesser A League match. The first team lost 30–73 and the second team went down 5–33. “Our first team showed real fight, but the Wolves were just too strong,” said Johan Engelbrecht, director of rugby. Now, all focus turns to this Saturday, 19 July, when Impala hosts Potchefstroom Dorp at the Impala fields in Rustenburg. It's a must-win for both the first and second teams to keep semifinal hopes alive.

Fixtures:

- Third team – 12:00
- Second team – 13:30
- First team – 15:00

Entry is set at R20 per person. For more info, contact Johan Engelbrecht on 083 417 9652.
